

Summer Term @ Sidcot School

International Immersion Programme (Age 12 -14)

What matters at Sidcot when educating children for the future? Curiosity, simplicity, equality, empathy, personal responsibility, speaking up and being heard - this is what underpins life at Sidcot School from Nursery through to Sixth Form. Whilst we are justifiably proud of our students' academic record, we are equally proud of their social skills, their emotional intelligence, their resilience and their determination to make a difference in the world. It's no surprise that these personal qualities go together with academic excellence. It's our experience that curiosity and the confidence to inquire fearlessly - to live adventurously, as our Quaker philosophy puts it – lead children to be better motivated and more at ease with themselves as thinkers and learners.

Summer Term @ Sidcot is the ideal way to experience the range of activities the School is proud to offer. The International Immersion Programme is designed specifically to give your child a taste of life as a UK boarder. Alongside a variety of activities, your child will also attend English, Maths, and other academic subjects alongside UK students, with bespoke EAL (English as an Additional Language) support tailored to their level of English. Your child will be part of our boarding community, living alongside international students from 30+ countries, making lifelong friends and special memories. We welcome students aged 12-14 to join our Summer Immersion Programme that will not only allow your child to have a one-of-a-kind UK boarding experience, but also give the opportunity to become part of the worldwide Sidcot community.

Activities Week

At the end of every school year, we celebrate our students' hard work with a range of fun activities to kickstart the summer holidays, giving everyone a chance to relax and live adventurously!

Our Year 7 and 8 students enjoy a super week of fun activities which may include the Cotswolds Water Park, The Making of Harry Potter Studio Tour, a day out in Bristol, beach trips, forest adventures, and more!

In the last week of term, Year 9 students travel to North Devon for their annual Watersports Camp. During this trip, students participate in various exciting activities, including surfing and bodyboarding. The fees for the Year 9 Camp are included in the Summer Immersion Programme fee.

After School Activities

From horse riding to golf, we have a huge range of after school activities to provide your child with the chance to make the most of their time at Sidcot. Whether they want to learn a new skill, or enjoy spending time with new friends, our activities give your child the choice to live life to the full!

Horse Riding

Sports Hall

Art Studio

Golf

Tennis Academy

Swimming

PASS Programme

The Programme of Activities for Sidcot Students has been designed to provide all students with exciting opportunities to live adventurously, to live out the School's values, to play an active part in being an Ashoka Changemaker School, to develop leadership skills, and to enhance their ability to be excellent team players.

Students choose activities to last for a half term. This means that, during the Immersion Programme, students take part in two different PASS activities, allowing plenty of opportunity to live adventurously!

Weekend Activities (Optional)

Trips to Bristol, Bath and London are organised throughout the year. Other trips may include meals out, theme parks, theatre trips, places of historical interest, sporting events and more! These trips are optional, but a great way to explore the UK and get an authentic British experience.

SS Great Britain

Stonehenge

Longleat Safari

Wookey Hole

Weston-Super-Mare

Surfing

*Activities are only charged if your child wishes to take part.

End of Year Events

The end of Summer Term at Sidcot is an exciting time filled with anticipated, memorable events to celebrate another year of hard work, student growth & success. Here are some of the End of Year activities your child can look forward to:

Garden Party

The Sidcot community comes together every Summer to enjoy a Garden Party in the sun. Our students are invited to browse the range of stalls on offer, take part in activities and games, and enjoy a BBQ, afternoon tea, student musical performances and more!

Sports Day

Our Senior School Sports Day is an annual event packed with Sport for everyone. From the classic Track & Field competitions to Rounders, Tennis, Skateboarding and more, there is something for everybody! The day is filled with friendly rivalry, athletes aiming to beat their personal bests, and students trying something new.

Travel Information:

Nearest Airport: Bristol International (15 minute drive, 13 km) **Flights to worldwide destinations.**

Easy access to London International Airports and mainline rail services (approx. 2 hours to London Paddington).

L to R (clockwise): The annual Bristol International Balloon Fiesta pictured over the famous Clifton Suspension Bridge, the Roman Baths in the World Heritage City of Bath, Cheddar Gorge and Wells Cathedral.
