to the start of your future.

Where you're headed, anything is possible. And as the only college in the region with an OFSTED Outstanding rating, you couldn't choose a better place to start. From here you can go anywhere, be anything, do anything. With the resources we provide, the inspiring standards of teaching on offer and the results our students are achieving, you can sow the seeds of a remarkable future. Now all you have to do, is begin.

I'm delighted that you are thinking of making NSCG your college. As Staffordshire's leading college and one of the highest performing further education colleges in the country, we have a long established reputation for delivering excellent education and training.

Our talented staff team will go that extra mile to support you as you begin your adventure at NSCG. They have your success as their number one priority and their aim is to ensure you achieve to your full potential.

Our unrivalled range of 16-18 courses will give you plenty of options to choose from and our extra-curricular enrichment activities and first-class facilities are designed with you in mind.

During your time with us you'll be exposed to new possibilities to ensure you leave us equipped with the skills and knowledge needed to continue on your pathway to the career of your dreams.

As the Principal of NSCG, I am immensely proud of our learners and the contribution they make to our college community, and beyond. Our 'Class of 2023' achieved record breaking results, with exceptional high grades in A Level, T Level and BTEC subjects which resulted in 97% of students progressing to top universities, securing great jobs and amazing apprenticeship opportunities.

I very much look forward to meeting you at one of our Open Events. In the meantime, please remember that from the moment you join us, our focus is on you and your experience and I'm sure you'll have lots of fun along the way!

Your progress, your results, your journey
- it all begins at NSCG.

Craig Hodgson

Why NSCG?

NSCG
NEWCASTLE
COLLEGE

Our results, your success.

The NSCG class of 2023 have smashed the national trend to pick up record breaking results!

We were exceptionally proud of our students who've shown resilience, drive, determination and ambition to secure these incredible results.

1,222 students completed an A Level qualification with a...

99.1%

A Level pass rate

84% of A Level entries achieved A* - C grades.

59% of A Level entries achieved A* - B grades.

Paige Speakman studied Business (A*), Economics (A*), Maths (A*) & EPQ (A*) securing a place at Keele University to study Business Management and Economics.

1,249 students completed a BTEC Extended Diploma with a...

98.4%

pass rate

47% of BTEC Extended Diploma students achieved high grades of DDD or above (equivalent to three 'A' grades at A Level).

Lewis Grice studied Business (A*), Maths (A*), Computer Science (A) & Further Maths (A) securing a place at the University of Bath to study Computer Science.

Georgia Jones studied Education & Early Years T Level (Distinction). With ambitions of becoming a Social Worker, she will be studying Social Work at Liverpool Hope University.

Ethan Madina studied our BTEC Level 3 in Engineering (D*D*D*) and has secured a Level 6 Degree Apprenticeship in Project Management with engineering company Atkins in Birmingham.

Ofsted Outstanding

We're Outstand

“ The report praised us for our “positive, stimulating and safe learning environment”, “highly motivated staff and students” with “exemplary behaviour and attitudes to learning”. ”

Read our full Ofsted report:

nscg.ac.uk

ing!

At our last Ofsted inspection in 2019 Ofsted inspectors rated us as outstanding in all their inspection criteria;

- NSCG provides an Outstanding learning experience.
- NSCG is a top-performing, vibrant, thriving college.
- Students develop the knowledge to be successful.
- NSCG has exceptional links with employers.
- Staff set challenging distinction-level assignments.
- Students gain the specific knowledge and skills employers demand.
- Students develop confidence, resilience and wellbeing.

Campus Highlights

The future

What a great place

ure. to start.

Day One at NSCG. There's a lot to take in. And right from the start, you'll know you're going to belong.

Because it's the facilities that we wrap around your education, that really make you feel at home. We're constantly updating and evolving our campuses, to deliver inspirational experiences and truly exceptional learning environments.

Discover more at one of upcoming Open Events or contact our Schools Liaison Team for a 1-2-1 tour. Wherever you want to be in the future, you're going to have a great time getting there.

Take
our
virtual
tour:

nscg.ac.uk

Library

Ramp up your studies with access to the latest tech, software and digital support that's designed to take your learning to a whole new level. It's the perfect place to study between lessons, packed with computers, more than 18,000 books, magazines and newspapers, as well as a range of online resources that can be accessed from home to assist your studies.

Starbucks, College Shop and Food Hall

Grab a Starbucks from our Coffee Lounge where we serve all of your favourite Starbucks drinks! Pick up a meal deal from our college shop or if you want something a little more hearty to eat, check out the Food Hall.

Gordon Banks Sports Centre

Given your brain a workout? Ready to feel the burn? Join our gym or one of our Fast Abs, HIIT circuits, Clubbercise, Pilates or Yoga classes. Pay-as-you-go or become a member and get a fantastic student discount. Prices start from £8.33 per month on a special pre-paid 3 month offer*.

Academy of Hairdressing and Beauty Therapy

If you've got some free time between lessons you can treat yourself in our campus salon. Unwind and enjoy a bit of 'me time' by getting a relaxing facial, manicure or a fresh skin fade! Our top class hairdressing & beauty therapy academies offer a wide range of services.

Olympic Lounge

Got some spare time in between lessons and independent study time? Check out our Olympic Lounge for a game of pool, a great spot to hangout with friends.

*Offer available for a limited time, normal price £10 per month. Please ask for details.

We're here for you.

We want you to have a happy and successful time with us, so your wellbeing is our top priority. We are committed to being there for you every step of the way.

Student Services Team

Our incredible Student Services team can help remove any barriers that are getting between you and your learning. Whether you're eligible for in-class support, need financial advice and assistance or you just need someone to talk to about a query or personal issue, we're here for you.

Individual Learning Plan

To track your progress, we've developed leading-edge tools to help you complete an Individual Learning Plan (ILP) that you and your tutors can use to set targets and monitor your progress.

Personal Tutor

Your Personal Tutor will be on hand to support you, a friendly member of staff who will be your 'go to' person to encourage you to meet your deadlines, smash your targets and push you to exceed at every step.

Student Wellbeing Officers

If you're struggling with anything either in college or in your personal life, don't worry. Your course will have a named Safeguarding and Wellbeing Officer who will be a familiar face to give expert advice and support to ensure you stay on top of your studies.

Student Mentors

Student Mentors are second/third year students who are here to support first year students with their transition to college life. Mentors can support you by helping to make friends and taking part in activities.

If you would like a mentor speak to your Personal Tutor or come to Student Services.

Equality & Diversity For All

NSCG is an inclusive college, committed to equality, diversity and the promotion of British Values in everything we do.

We believe that everyone has something to contribute to college life, which enriches the wider college experience and we recognise and celebrate our whole community and the ways in which a mixture of ages, genders, sexualities, religions, abilities and cultures can work, learn and be successful together.

If you have specific learning difficulties, or a disability, you can access the support of our Additional Learning Support Team, who will provide tailored support to make sure you can achieve to the best of your ability.

Our campus is accessible and disability friendly, and we support the sunflower lanyard scheme for those with invisible disabilities.

Money Matters

There are two types of financial support available: College Maintenance Allowance (CMA) and Vulnerable Student Bursary (VSB). Both allowances include support for food, travel and essential course costs. Our student Finance Team can offer help and assistance on finding out what you could be entitled to.

You're in safe hands!

Find the help you're looking for at nscg.ac.uk/support or email help.newcastle@nscg.ac.uk

College Life

Our start point is you, and we want you to be the best you can be, in whatever path you choose.

That is why all NSCG learners will have an individually designed study programme that goes beyond being 'just a course'.

From inspiring trips and visits that fire your imagination, to influential guest speakers who share their unique views of the world, your Study Programme is designed to prepare you for the next step, whether it's university, an apprenticeship or the working world.

Trips and visits

There are a range of trips organised throughout the year that you could get involved in. Whether that's a residential trip in the UK or abroad, or a visit to museums, galleries or leading business headquarters, these trips are designed to help your studies and broaden your knowledge.

Take a look at the next page to see just a small selection of some of the many trips and visits our students have experienced over the past 12 months.

Work experience

With our exceptional links with business and industry, we're the perfect place for work placements, equipping you for the life you want to begin. During your time with us, you'll be expected to undertake a work experience placement in the industry you're keen to get in to. It's a great way to get an understanding of a real working environment and make some useful contacts for further down the line. We have a dedicated Work Placements team who will help to organise this for you.

Maths & English

You'll be encouraged to continuously develop these key subjects. If you don't achieve grades 9-4 whilst at school, maths and/or English sessions will be on your timetable and you'll retake qualifications alongside your main course.

Extra-curricular activities

Make the most out of college life and making new friends by taking part in extra-curricular activities such as our Duke of Edinburgh (DofE) qualification, joining our Academy of Sport, competing in Esports tournaments and leagues as part of the NSCG Tigers team, or joining one of the many clubs or societies on offer.

Tutorial sessions

When you start with us in September, you'll be assigned a dedicated Personal Tutor, a friendly member of staff who will be your go-to person with any queries or concerns. Weekly tutorial sessions will take place with them and it's a great opportunity to discuss events and activities taking place around campus, as well as making sure that you're happy and on-track with your studies.

Course inspire the wo

A young woman with long, wavy red hair is sitting at a desk, looking at a black Dell laptop. She is wearing a light blue t-shirt with a graphic of a person on a skateboard. The background is a blurred outdoor setting with green foliage and a building.

Student life at NSCG is so much more than studying... it's about freedom to be yourself, it's about the experiences on offer, it's about the discovery of new passions and it's about making your mark.

Take a look at just a few of the many things that our students enjoyed as part of their student life with us during the past 12 months.

Volleyball team win the Association of Colleges (AoC) Knockout Cup.

Students meet Therapy Dogs.

Performing Arts students raise money for Dougie Mac.

Students perform in the College Food Hall.

NSCG students come together to mark Remembrance Day

A Level students head to New York.

Esports students win the British Esports Student Champs.

NSCG celebrates student success at its annual awards.

Students organise Equality & Diversity Day.

Students celebrate collecting their results.

Your next steps.

Make your great expectations greater. Your adventure starts here but if you're not sure what to do next, we'll provide you with all the information you'll need to help support your future progression.

We have excellent links with the country's leading universities and local employers who we invite to our annual "Next Steps Fayre" event in March. You can meet more than 50 universities and 40 employers to discuss the range of courses, apprenticeships and career options available when you leave NSCG.

University progression

We're one of the top colleges nationally for university progression and at NSCG you'll receive one-to-one support to fine tune your personal statement so you can be sure your UCAS application stands out. We can offer your parents some peace of mind too as throughout the year we hold events to help explain the university application process which will help you make a smooth transition from college to university.

Higher Education at NSCG

We have an established reputation for delivering exceptional university-level courses, so if you'd like to study a university-course in a familiar environment you can stay with us! Choose one of our amazing range of undergraduate options, giving you a recognised qualification in your chosen field. Unlike many degrees, our HNCs and HNDs are vocational, so they can lead straight to a career or act as a stepping stone to a higher qualification. See page 71 for more information on studying a Higher Education course with NSCG.

Higher Level Apprenticeships

If you're not sure university is for you, the Apprenticeship Hub team can support you with higher-level apprenticeship applications, so you can gain a degree-level qualification whilst earning a wage. A Level 4-5 apprenticeship is equivalent to a university-level programme, such as a foundation degree or HNC/D and is an industry recognised qualification.

Think of what you're Then think

Aim high. If you'd describe yourself as ambitious, hard-working and a high achiever our Honours Programme pathway could help stretch and challenge you to ensure you really stand out from the crowd.

If you have the ability, drive and ambition to go onto study at a prestigious and highly selective university such as those in the Russell Group, our Honours Programme will help you realise your ambitions.

Everything we do in the Honours Programme is about equipping you with the skills and experience that will really make the difference as our consistently high success rates with Oxbridge, medicine and veterinary applications prove.

“ Honours Programme students realise their ambition to achieve a place at high performing universities. ”

Ofsted

You can expect:

- Specialist personal tutor group focusing on the development of critical thinking skills.
- Specialist UCAS application workshops tailored to the demands of the most selective universities.
- Talks from visiting academics and professionals.
- Visits to universities such as Oxford, Cambridge, Warwick, Lancaster and Durham.
- Specialist workshops in medicine and veterinary science.
- Subject specific guidance on wider reading opportunities.
- Extended Project Qualification (EPQ).
- Team-building and leadership development day.
- The Duke of Edinburgh Award.

re capable of. beyond it.

“ If you want to apply to a top university or a competitive course, the activities on the Honours Programme will help you make your application stand out. You get out what you put in so make the most of it. ”

Gloria Neligwa

Do you make the grade?

To study this additional programme alongside your A Levels, you'll have achieved mainly grades 9-7 in your GCSEs. It's definitely worth putting in the hard work now.

Places are strictly limited. To express interest and for more information, email: honours@nscg.ac.uk or visit nscg.ac.uk/honoursprogramme

Find out more at:

nscg.ac.uk

Gloria Neligwa studied A Levels in Biology (A*), Chemistry (A*), Further Maths (A), Maths (A) and secured a place at Cambridge University to study Medicine.

Your future

The path you start out on will depend on where you're heading.

At NSCG, we have all kinds of ways to get you there, from A Levels and A+ programmes, to T Levels, Vocational courses and Progression Pathways. Whichever way you go, our personalised programmes will help to guide you there, whether it's university, an apprenticeship, further training or employment.

*Some subjects have additional entry requirements.

A Level & A+ Programmes

Sixth Form Academic Route (Level 3)

Quick overview:

Typically, students choose to study three A Level subjects over two years. However, you can choose to study two A Level subjects and one A+ Programme (BTEC Extended Certificate - equivalent to one A Level) over two years.

To study, you will need:

A minimum of five GCSEs at grade 5 or above including maths and English Language in subjects relevant to your chosen course.*

What you can do next:

You can progress to university, a university level course here at NSCG, a higher apprenticeship at NSCG or to employment.

In 2023, 59% of entries achieved high grades A*- B in their A Level results.

Scan here to find out more about our A Level & A+ Programmes:

T Levels

Sixth Form T Level Route (Level 3)

Quick overview:

A T Level is an industry-recognised, two-year course that is an alternative to A Levels and vocational programmes. They bring classroom learning and an extended industry placement (at least 45 days) together on a course designed with businesses and employers.

To study, you will need:

Typically, a minimum of five GCSEs at grade 5 or above, including maths and English Language, in subjects relevant to your chosen course.*

What you can do next:

You can progress to university, a university level course here at NSCG, an apprenticeship at NSCG or to employment.

In 2023, 85% of our first cohort of T Level students achieved distinction grades or above.

Scan here to find out more about our T Level Programmes:

Your way.

Vocational Programmes

Sixth Form Vocational Route (Level 3)

Quick overview:

Choose from a wide-range of courses which you will study for two years.

To study, you will need:

A minimum of four or more high grades at GCSE in subjects relevant to the course you'd like to study, including maths and/or English Language at grade 4 or above.

What you can do next:

You can progress to university, a university level course here at NSCG, an apprenticeship at NSCG or to employment.

In 2023, 47% of Level 3 vocational programme students achieved high grades of DDD or above (equivalent to three 'A' grades at A Level).

Scan here to find out more about our Vocational Programmes:

Apprenticeships

Available at Levels 2 to 5

Quick overview:

Apprenticeships are great if you want to jump straight into the world of work, earn a wage and pick up technical and practical skills while you study for a nationally recognised qualification.

To study, you will need:

Two or more GCSEs at grade 4 or above in subjects relevant to your course. However, in some sectors, employers ask for a minimum of grade 4/5 in maths and English.

What you can do next:

You can progress to a higher level apprenticeship, full-time course at NSCG or full-time employment.

Our apprenticeship achievement rates are more than 13% above the national average.

Scan here to find out more about our Apprenticeship Programmes:

Progression & Skills Pathways

Level 2, Level 1 & Entry Level

Quick overview:

If you're not quite ready to join a Level 3 programme, our vocational Progression Pathways allow you to study at Entry Level, Level 1 or Level 2 and will prepare you to progress onto a higher level.

Alternatively, if you want skills based training in areas such as hairdressing, beauty and construction, you'll start your journey on a Level 1 Skills Pathway, before progressing to higher levels.

Scan here to find out more about our Progression & Skills Pathways:

GCSE Maths & English

If you haven't yet achieved grades 9-4 in these important subjects, maths and/or English sessions will be on your timetable and you'll retake qualifications alongside your main course.

Find your pathway

I PASSED!

#NSCGRESULTS

CLASS OF 2023

A Levels & A+ Programme

If you are an academic learner and want to progress to university or a higher apprenticeship, our two-year A Level or A+ Programmes could be a great option for you.

Most students study three subjects. But if you have a track record of high achievement, you might decide to study four A Level subjects, or take an Extended Project Qualification (EPQ) as your fourth subject. You must be comfortable studying for, and taking, external exams because that's how most A Level subjects are assessed at the end of the two years.

An A+ Programme lets you combine A Level subjects with a BTEC Extended Certificate for a better balance of exams and coursework.

If this is you:

- I don't mind being assessed by exams.
- I like theories, ideas and facts.
- I want to study three subjects in depth.
- I intend to go on to university or get a higher apprenticeship.
- I'm happy doing independent study and research outside the classroom.

Then an A Level programme could be for you!

Talk to us about your preferred combination of subjects and fill in an application form.

Choose four subjects and as long as you achieve the required entry qualifications, we will help you to narrow your subject choices down to three before you join us in September.

Then you'll need:

A minimum of five GCSEs at grade 5 or above including maths and English Language, in subjects relevant to your A Level or A+ Programme subject choices. Some subjects have additional entry requirements. Check out the subject descriptions on our website to learn more.

Find out more about A Levels at:

nscg.ac.uk

A portrait of a young woman with long, wavy brown hair, smiling slightly. She is wearing a light-colored, possibly white, button-down shirt. The background is a solid orange color with faint, stylized white patterns that look like stars or abstract shapes.

“ NSCG is the perfect college for a balance of independence and support. ”

Cara Kelsall

After attending a College trip to see the Royal Shakespeare Company's production of War of the Roses, Cara experienced an epiphany which led her to deciding that literature rather than psychology, was where her real passion lay.

Her dedication, enthusiasm and self-discipline to then devote her focus to her progression efforts has been celebrated by her lecturers, who say her approach has been most impressive. Cara is a true scholar with a well-developed critical faculty and an independence of thought to rival the most able of students.

Cara's Cambridge sponsored HE+ research concerning dystopian young adult fiction was also celebrated and reflected her ability to adeptly engage with critical analysis of texts.

“ The college has great staff and opportunities for extracurricular activities. ”

Elnoy Greenenko

Whilst Elnoy's performance in all of his A Level disciplines has been exceptional, maths is where his real passion lies. At the end of his first year, Elnoy took both A Level Maths and Further Maths early and achieved A* outcomes in both. He also asked to be entered for the Cambridge Sixth Term Examination Papers (STEP) which are usually sat at the end of Year 13 and form part of a Cambridge offer alongside required A-Level grades. He achieved fantastic results in both papers resulting in an offer to study Mathematics at Cambridge University.

In addition to his academic prowess, Elnoy is also an accomplished sportsman and was part of the award winning NSCG volleyball team and now also plays for a regional team competing in national competitions.

T Level Courses.

T Levels are a two-year qualification that you can study as an alternative to A Levels or vocational programmes and on completion, you'll receive an industry recognised qualification that is equivalent to three A Levels.

T Levels bring classroom learning and an extended industry placement together on a course designed with businesses and employers.

Each T Level includes an in-depth industry placement that lasts at least 45 days*. Students get valuable experience in the workplace; employers get early sight of the new talent in their industry.

If this is you:

- I want to gain hands-on work experience, with an extended industry placement.
- I want to put the theory I'm learning into practice.
- I have a career in mind.
- I want to go on to university, get a higher apprenticeship or a job.

Then a T Level could really work for you!

We work with hundreds of local employers to help secure you a fantastic work placement as part of your course.

We have a team of people who will help find you the perfect placement to complement your career goals, which you will complete alongside working towards your main qualification.

“ My T Level at NSCG was an amazing choice, it expanded my child development knowledge through a variety of interactive sessions. ”

Wiktoria Kowalczyk

Wiktoria has received outstanding feedback throughout her time at NSCG. Her commitment, determination and the way she presents herself have been noted by all staff who taught her and her hard work has not gone unnoticed by her colleagues on placement.

She is known to be an amazing, blossoming practitioner who uses her initiative and engages well with both the children and the staff. So much so that her placement have commented on how she demonstrates characteristics of a well-established teacher and they have expressed a desire to "keep her". A pleasure to have in the classroom Wiktoria's academic skills are highly commendable. She scrutinises mark schemes to help her maximise her results and consistently links theory in to practice, applying the skills learned when she's working with children.

Vocational Courses.

Up your credentials with one of our challenging vocational courses.

A two-year BTEC Level 3 Extended Diploma is equivalent to three A Levels.

The focus is on coursework, with a balance of hands-on practical experience and some external assessments - a great choice if you know the kind of area you want to work in. And they are also widely-recognised qualifications to get you into university, apprenticeships or employment.

If this is you:

- I'm organised and good with deadlines.
- I like working on a few assignments at the same time.
- I want to focus on one subject that relates to my chosen career.
- I want to go on to university, get a higher apprenticeship or a job.

Then a vocational course could be for you!

We offer a wider range of career-based courses that will allow you to develop your skills and knowledge vocationally.

You'll need:

- A minimum of four or more high grades at GCSE in subjects that are relevant to the course you'd like to study, including maths and/or English Language at grade 4 or above.
- Level 2 Diploma with overall Merit in a relevant subject and maths and/or English Language at GCSE grade 4 or above.

Uniformed Protective Services

“ I’ve really enjoyed my time at NSCG and have made friends for life. ”

Joshua Michelson

What sets Joshua apart is an unwavering enthusiasm and drive to maximise all opportunities provided by not only by the College but those of his own innovation.

Joshua’s hard work and application in the classroom has led to many successes including achieving a distinction in both external exams for both years and applying himself with a ferocious determination.

All of this experience, has led to him being successfully placed on a degree apprenticeship programme with the Greater Manchester Police. With more than 100 applications for the position, this is a remarkable achievement and testament to Joshua’s attitude and drive.

A portrait of Dilara Altindas, a young woman wearing a dark red hijab and a white, textured top. She is smiling slightly and looking towards the camera. The background is a solid orange color with faint, stylized white star patterns.

“ I’ve had the best time of my life here at NSCG. ”

Dilara Altindas

What sets Dilara apart is an unwavering determination, drive, focus and a work ethic many of us could not emulate. She demonstrates a level of maturity and sense of responsibility far beyond her years.

During her studies, she took part in a work experience project with Burberry and was joint lead in one of the groups, managing a team of nine. Dilara was responsible for scheduling tasks, quality management, communications and preparing deliverables for the client, performing each task with diligence and professionalism leading her team to be recognised in the top three.

For her final project, Dilara worked on a children’s book aimed at telling a story about real world issues regarding arranged marriages, doing so in such a way that promoted the humanity of the world, the strength of young women and their ideals.

Earn & Learn

Enrolling on an apprenticeship with one of our partner employers means you can learn vital practical skills in a hands-on environment.

Apprenticeships are great if you want to jump straight into the world of work, earn a wage and pick up technical and practical skills whilst you study for a nationally-recognised qualification.

We work with around 800 employers across Stoke-on-Trent, Staffordshire, Shropshire and Cheshire. Here is just an example of a few of them:

SIEMENS **HITACHI** **DELL**  **MICHELIN** **NHS**

MOOG **CAPULA**

 **ST. MODWEN LOGISTICS**

 **djh mitten clark**
great things together

And many more...

If this is you:

- I know what job I want, and I'd like to start now.
- I want to experience student life and work life.
- I want to get the right qualifications for my job.
- I want to start earning money.
- I want to study to kick-start my career or get into university.

The Apprenticeship Hub

The Apprenticeship Hub is a free service where you can find an apprenticeship and get advice on all aspects of employment, including writing a CV, interview preparation tips and help in finding the right apprenticeship for you.

Your study options:

Intermediate Apprenticeship

(Level 2) The Level 2 Apprenticeship is equivalent to five GCSEs at grade 9-4.

Advanced Apprenticeship (Level 3)

The Level 3 Apprenticeship is equivalent to two A Levels.

Higher Apprenticeship (Levels 4-5)

The Level 4-5 Apprenticeship is equivalent to a university-level programme such as a Foundation Degree or HNC/HND.

You'll need:

Two or more GCSEs at grade 4 or above in subjects that are relevant to your course. You should be looking for a job, already have one or ask for help finding one through The Apprenticeship Hub.

“ It’s a great way to gain experience on the job as well as gaining a qualification. ”

Rachel Crawshaw

Rachel studied A Levels at NSCG and after completing them she felt university wasn't something she wanted to do. The idea of 'earn as you learn' really appealed to her as she felt she could gain work experience whilst still gaining a qualification which ticked all the boxes.

With accounting firm, DJH Mitten Clarke, Rachel handles the company's social media channels and creating posts to share what they'd been up to. This varied from a community project they'd been involved in or a social event they'd hosted, Rachel created content and graphics around these.

Rachel felt she received lots of support from her assessor, whether it was help with questions about her workplace or about her college work, he was always just a phone call away, a great support and really encouraging.

Apprenticeship

“ You can learn so much more, so much faster and can really experience the industry. ”

Vinny Lee Brennan

Vinny chose an apprenticeship because he wanted to continue working in a salon but also gain a qualification. He loved working in the salon and felt it was really important to gain as much work experience as possible whilst getting paid at the same time.

During his apprenticeship Vinny won the Quif Centre Stage Competition, an industry competition where he worked with a model to do a colour, cut and finish and present his work to a judging panel and live audience. Winning the competition meant Vinny will be a guest judge on the 2023 Quif Centre Stage panel and he also won £1000 worth of Quif hair products.

Since finishing his apprenticeship Vinny's success has rocketed and in early 2023 he opened his own salon, Vinny Brennan Hair Lounge in Congleton.

Skills & Progression Pathways

If you're not quite ready to join a Level 3 programme, our vocational Progression Pathways allow you to study at Entry Level, Level 1 or Level 2.

Whether you've struggled at school, lack confidence or need an extra push, these programmes will help prepare you to progress onto a higher level vocational course, employment or an apprenticeship. Alongside your chosen subject, there is also a big focus on improving your maths and English skills.

Alternatively, if you are looking for skills-based training in an area like Hairdressing & Beauty or Construction, as part of our Skills Pathway, you'll start your journey on a Level 1 course and progress to higher levels.

If this is you:

- I like applied learning, but I want to build my skills, knowledge and confidence first.
- Then I'd like to study a higher-level vocational or skills programme, get an apprenticeship or get a job.

Then a Skills & Progression pathway could be for you!

You'll get to learn from industry experienced staff who have been there, done that, and got the t-shirt, whilst learning in top-class facilities with cutting-edge technology.

Foundation Studies

A woman and a young man are smiling and looking out a window. The woman is on the left, wearing a grey turtleneck, and the man is on the right, wearing a grey hoodie and a purple lanyard. They are both looking towards the right side of the frame, where a large window is visible. The background is a bright green wall.

Personal progress

If you want to gain skills for personal progression, whether it be achieving better qualifications, accessing mainstream education or developing your independent living skills, we have a course for you.

At NSCG our focus is to prepare our students for adulthood and their chosen aspirations beyond our doors. We aim to provide a broad curriculum that will not only enhance their current skills but provide opportunities to develop new skills that they can apply into their everyday life.

We offer a range of tailored programmes for school leavers and young adults at all levels of ability and also those with SEND (Special Educational Needs and Disability) including Foundation Studies and Life Skills & Employment Training.

Supported Internships

NSCG offers supported internships to help students aged 16-25 take a step into employment. Supported internships are structured study programmes intended to enable young people with learning difficulties and/or disabilities to achieve sustainable, paid employment by equipping them with the skills they need for work through learning in the workplace.

Vocational and Progression Studies

Our Entry Level and Level 1 vocational courses will help students develop the skills needed to progress further, gain better English and maths grades and learn about career pathways which best support their future aspirations. Our outstanding team of lecturers and specialist support staff will be there every step of the way to ensure learners who access this provision reach their full potential.

Life Skills and Employment Training

Our Life Skills and Employment Training curriculum provides opportunities for learners who are working at Entry Level 1 to Entry Level 3. Learners who access this provision have an Education, Health and Care Plan (EHCP) and join the College to develop their life skills and employment prospects, with opportunities to progress academically.

Our goal is to prepare learners for adulthood. Although we cannot guarantee employment, we work extremely hard to ensure learners are in the best possible place to access opportunities for employment and increase independent living skills and community inclusion.

Sport & Public Services

Where challenging yourself, is more challenging.

If a desk job isn't your thing, you like being busy and active and you like a personal challenge, a career in Sport or Public Services sounds right up your street.

Our Sport courses will help you to hone your communication, leadership and teamwork skills as you develop as a coach and explore the anatomy, physiology and psychology of sport. Our range of industry recognised fitness qualifications will develop your skills when working in both individual and group based exercise settings.

Or let us put you through your paces and test your mental and physical abilities as you prepare for the demands of a career in the uniformed public services such as the Police, the Ambulance Service, the Fire and Rescue Service, the British Army, Royal Air Force or Royal Navy.

Wherever you want to go in life,
whatever you want to do, it all
begins here. Because from here,
you can go anywhere.

It begins at
NSCG

Higher Education

Take it to the next level.

Aim high. Empower yourself, develop professionally and follow your career aspirations through one of our university-level courses.

It's our job to make it happen for you!

Our amazing range of undergraduate options give you a recognised qualification in your chosen field and unlike many degrees, HNCs and HNDs are vocational, so they can lead straight to a career or act as a stepping stone to a higher qualification.

Your study options:

Higher National Certificate (HNC) (Level 4)

Higher National Degree (Level 5)

Foundation Degree (Level 5)

Higher Technical Qualification (HTQ) (Level 4/5)

Foundation Diploma Art, Design & Media Practice (Level 3/4)

Other University-Level Courses

Degree-Level Higher Apprenticeships

Top 10 reasons to study a university-level course with us:

- 1.** We're the first further education provider in England to achieve top grades in every area of Ofsted's Education Inspection Framework (EIF).
- 2.** We're rated outstanding for Adult Learning Programmes.
- 3.** Our positive environment inspires exemplary attitudes to learning.
- 4.** Our specialist lecturers have industry experience to give you a career-focused perspective.
- 5.** You can study full-time or part-time - whatever suits you.
- 6.** Our learning environments are some of the best in the country.
- 7.** Lessons are more personal because you're taught in classrooms, not lecture theatres.
- 8.** We're the highest-performing college in Staffordshire with 100% pass rates on many university courses.
- 9.** 93% of students walk straight into a job or onto a top-up degree.
- 10.** You'll save £3,000 per year compared to a traditional university course. Loans are available, so don't worry about paying upfront - contribute when you earn more than £25,000.

By now you know that NSCG stands for Newcastle and Stafford Colleges Group. Across both of our fantastic sites you can expect a high standard of facilities, dedicated staff and a huge array of study options with some unique to NSCG Stafford College, including:

Motor Vehicle & Hybrid Technology

Does working with cars get you all revved up? A career in the automotive sector could take you anywhere, from roadside technician to HGV mechanic or body-work expert.

Our courses are guaranteed to give you the hands-on skills you'll need to get in the fast lane for a role in the motor industry.

How to study

Level 1, Level 2 & Level 3

Hospitality & Catering

Hungry for a successful career in Hospitality & Catering?

Our courses cover all areas of the industry – from patisserie to providing hospitality. Whether you dream of managing a leading hotel, becoming a catering manager, food scientist or head chef, our courses have all the ingredients for success.

How to study

Level 1, Level 2 & Level 3

It's closer than you think

Stafford College is located in the town centre and getting there is easy. It's just down the road from Stafford train station and buses stop directly outside the College.

There are also a number of local car parks, and bike shelters on site if you prefer to cycle. So, if you're travelling from Stoke-on-Trent, Kidsgrove or Alsager, you could be there in less than 30 minutes.

How to apply

OK, where do I start?

Take these simple steps to begin your journey. And fly through our application process with the greatest of ease.

1. Research

Start your journey by researching everything you want to know about NSCG! You'll discover we're a pretty great place with a lot to shout about. Once you've finished reading this prospectus, head to our website for loads more info on the courses available: nscg.ac.uk

2. Pay us a visit

We'd love to welcome you to an Open Event so that you really get to see what makes us such a special place to study at, and of course, what makes us an Ofsted Outstanding college. Head to nscg.ac.uk/ncevents for more info.

3. Apply now

Once you've done your research and visited us at an Open Event, it's time to get your application in. We're Staffordshire's leading college and places are in high demand, so try and **get your application in before 31 March 2024**. Head to nscg.ac.uk/apply

4. Interview (don't stress)

It's not as scary as it sounds. Essentially, it's just an opportunity for us to get to meet you properly and to make sure that you are suited to the course. Following the interview, we'll more than likely offer you a conditional place.

5. We'll keep in touch

Throughout the application process we'll be in touch to keep you up-to-date with news from the College.

6. Experience life at NSCG

You'll be invited to our Experience Event in June, where you'll get the opportunity to visit the College, meet other new students who will be studying the same course, take part in a fun and interactive lessons and grab some free food! We'll also set you some homework to complete in readiness for when you join us in September.

7. GCSE results day

Good luck! Once you have your results, you'll need to share a copy with us. If all goes to plan, you'll be given a date to come to the College to officially enrol on your course.

8. First day

And just like that, you're officially a student at NSCG! **Let the fun begin.**

Still got a question?

Our friendly Schools Liaison Team are here to help and support you with the transition from school to college. Martyn, Megan, Georgina and Nathan will more than likely be in your school at some point throughout your final year at school. Whether you have a question about a particular course, what support is available, or even what bus to catch, they'll be happy to hear from you.

You can get in touch with them at any time by emailing schools.newcastle@nscg.ac.uk or calling 01782 254347

School's out forever.

College here

Starting college is an exciting experience, and it can bring its own unique challenges and opportunities. It's natural to feel nervous, and it can sometimes take a while to find your feet.

Our current students were in your shoes this time last year and here are a few top tips from our Students' Union:

“ Remember you are not on your own. ”

On your first day and even for the first few weeks, everyone will be in the same boat, feeling a little nervous about finding new classrooms, meeting new people and working with a new timetable. Give yourself time, don't be afraid to ask for help when you need it and you'll be surprised how quickly you settle in.

“ Throw yourself in to college life. ”

To get the most out of your time at college you need to explore beyond your classroom, where you'll meet new faces and be able to use the amazing facilities. There's always loads going on from freshers fair to themed events, clubs, societies, sporting fixtures and a whole host of trips and visits – get involved!

“ It is different to school – but in a good way. ”

College is generally less formal than school. You will be on first name terms with your lecturers and you can hang up your school uniform for good and wear what you like. You'll have more freedom and independence and with this, you'll manage your time and be expected to behave in a mature, responsible way.

e we come.

Kit and equipment requirements will vary slightly by course and you will be advised of any specific items that you may need at your interview or at the NSCG Experience Day, which usually takes place at the end of June.

But here are a few 'essentials' to get you started:

- **Your Student ID and Lanyard** (which will be issued when you enrol).
- **Pens and Pencils**
- **Notebook**
- **Backpack or Bag**
- **Packed Lunch / Contactless Card** (If you wish to buy lunch in college).
- **Reusable Water Bottle** (there are lots of water refill stations around the college).
- **Bus Pass** (If you are planning to travel to college by bus). Visit nscg.ac.uk/travel to find out more.

We're here for financial support.

Depending on your personal circumstances, you may be eligible for help with essential course equipment, meals or travel costs. Please visit nscg.ac.uk/finance to find out more.

Open Events

Save the date.

Sometimes, success is about being in the right place at the right time. But first, it's about attending the right Open Event.

Our College Open Events are a brilliant way to meet Tutors and our Principal, chat with students and take a peek at our outstanding facilities. We also have Taster Sessions throughout the year so you can sample a course or subject that takes your fancy before you apply.
