We make simple, everyday products – simple on purpose, and in the most beautiful way. Minimalist by design; easy to use and love.

Our philosophy is simple too.

Our products are:

- Made with certified organic materials
- Machine washable
- Useful, durable and reusable
- Meant for daily use
- Independently tested healthy and safe

We are committed to fanatical customer service and making our customers happy. We hope you enjoy your Fluf products as much as we enjoy making them.

CLASSIC LUNCH

Clean & simple. Your everyday brown bag.

ZIP LUNCH

Your everyday brown bag
(with bells and whistles).

SNACK PACK

Easy to use, the perfect reusable
sandwich bag.

LIL B PACK

The tiniest bag pack: mini in size,
massive in stature.

B PACK

An everyday classic. Dependable,
Organic. Washable.

CLASSIC LUNCH

Clean & simple. Your everyday brown bag.

Preshrunk & Machine washable. Snap closure. Wipeable, Rinsable, tested food-safe lining. Meets or exceeds the highest safety standards

100% certified organic cotton

100% polyester lining

Size: 11"(L) x 8"(W) x 4.5"(D)

Min. per SKU: 3 units

Fluf lunch bags are lined, but not insulated. Water-resistant lining works well with an ice pack, if desired.

We love this bag for its eternal ease. It's flexible. It'll morph to the form of your containers and squeeze into a tight spot in your over-loaded backpack

FLUF: SERIOUSLY SUSTAINABLE

There's always room for improvement and that's a central part of our mission: to perpetually seek to do better; to find ever more earth-friendly alternatives. In the meantime, these are a few of the things that we do.

MATERIAL MATTERS: NATURAL AND ORGANIC

We manufacture our products with 100% certified organic cotton because that means no pesticides, herbicides, or other chemical fertilizers. We are committed to replacing our polyester lining with a recycled rPET version in all products by the end of 2020. By 2021, all of our products will be made entirely from materials that are organic and / or recycled.

HEALTH AND SAFETY: OBSESSED

We regularly perform extensive health, safety, and quality testing on all our products to make sure they're free of a whole range of nasties. Our products are independently certified to be free of BPA, phthalates, heavy metals, AZO and formaldehyde. We are also committed to safe and fair working conditions

REUSABLES: AGAIN AND AGAIN

At Fluf, convenience and sustainability go hand-in-hand. That means you can still enjoy the kind of ease-of-use that comes with disposable bags. **Step 1:** Fill with food. **Step 2:** Seal. **Step 3:** Hit the road - but without all the waste. Kick the baggie habit with our reusable lunch, snack and sandwich bags.

PACKAGING: REDUCED & RECYCLED

Ever feel like you're drowning in packaging? It may be because you are. At Fluf, we're committed to low-impact, minimal packaging. In fact, our products aren't really packaged at all. They come with just a simple paper, 100% recyclable hangtag.

GIVING BACK: TAKING ACTION

We're pleased to support organizations that are working hard to make the world a better place. Organizations that empower young girls with quality education and the tools to do anything, are at the top of our list. We support Plan International's "Because I am a Girl" / Girl Power campaign, which aims to keep girls in school, out of unsafe marriages, and in control of their own futures.
