NOTES FROM THE PRINCIPAL

Vision Statement

Let here prevail the greatest expectations in academics, civil responsibility and personal growth within a diverse community.

Mission Statement

The quality of each student's life improves through the educational experience at Homewood-Flossmoor Community High School. The institution upholds the highest standards of intellectual growth, and ethical, aesthetic, occupational, emotional, social and physical development in an expanding global society. With belief in the fundamental worth and dignity of all individuals and recognition of diversity of backgrounds, abilities, interests and aspirations, individuals will learn to respect the rights of others.

Working together to get it done

We continue to build momentum on achieving our goals established at the start of the school year at H-F, related to **academic excellence**, **school spirit** and belonging, two-way **communication** and partnership. As partners in the educational process, our administration, staff and teachers help ensure that each student is supported in their Viking journey.

#1: Academic Excellence

In the first semester this school year, we boast the highest passing rate for students since the 2016-17 school year. Our students are challenging themselves academically and our staff supports them to achieve. From classroom lessons through academic interventions for students needing additional support, we are assuring students are learning and passing their classes.

#2: School Spirit & Sense of Belonging

Students returned from winter break to be greeted by Viking-wrapped doors, windows and elevators in both the South and North Buildings. The infusion of our school colors and messaging has brought energy to the school. We've even seen students taking selfies to post to social media spreading their Viking pride! Students in the Principal's Advisory Council have led the charge to promote school-wide incentives for positive behavior, the addition of a spring pep rally and planning for the senior trip.

#3: Communication

We continue to encourage two-way communication and seek input from students, staff, families and community. The Illinois 5Essentials Survey is currently open for our current Viking parents and guardians to share their thoughts about our school. We encourage you to take a few minutes to tell us what you think at: <https://survey.5-essentials.org/Illinois/>.

#4: Partnership

Working with the Homewood-Flossmoor Parent Association (HFPA), we will be hosting the H-F Dad Squad in March. Dads and male legal guardians will be on campus to encourage students in the hallways throughout the day and to learn about our academics, student supports, athletics and activities while students are in classes. We are grateful for the efforts of the HFPA and our Dad Squad volunteers for this partnership. To volunteer or to learn more, please visit bit.ly/HFDadSquad or call 708-335-5541.

A MESSAGE FROM SUPERINTENDENT

Moving forward with a strategic plan

As I reflect on my first semester as superintendent of Homewood-Flossmoor High School, I am proud of many things. First and foremost are the people. Our students, staff, families and community have an unwavering commitment to our school and to striving for excellence in everything we do. We are committed to preparing students for whatever path they choose after graduation and are equipping them with the academic and social skills they need to succeed in further education, careers and life.

From my seat, that means we must be strategic in our planning and use data to move us forward. We must assess how we are doing — how our programs, curriculum and processes are working — and be open to enhancing the parts that are working well and changing the parts that aren't serving our students as well as they can.

H-F is a great district with the potential to be even greater.

As we have shared in past editions of this newsletter, we have used strategic planning that is student-focused and supported by data and best practices to best meet the needs of our students. We are committed to preparing every student with the Profile of a Viking competencies so they are prepared to be contributing members of our community and world.

We are committed to the academic return on the investment our community makes in our schools. This includes the generous funding provided by our taxpayers, the talent and time of our staff, the commitment of families and students and the support of community partners.

All of this is aimed at one singular focus: producing the kind of well-rounded students who can succeed in whatever endeavor they choose beyond their days at Homewood-Flossmoor High School.

2023 ISBE Those Who Excel Award Recipients

This year H-F had the most Illinois State Board of Education (ISBE) Those Who Excel Award recipients in school history. Those Who Excel awards honor educators who have made significant contributions to Illinois schools. Awards of Excellence, Merit and Special Recognition have been presented annually since 1970 across multiple categories: classroom teachers, early career educators, school administrators, student support personnel, educational service personnel, community volunteers and teams. H-F received at least one award in each category this year. ISBE will celebrate these awardees and others from across the state of Illinois at a banquet on Saturday, April 29. To learn more about the awards program, visit www.isbe.net/thosewhoexcel.

Emily Carroll:
Award of Special Recognition - Classroom Teacher — Ms. Carroll, a Special Education teacher who

teaches Social Science classes, was nominated by Director of Special Education **Dr. Angela Taylor**, who wrote in part: *“Ms. Carroll creates creative lessons and differentiates instruction that meets the unique learning needs of students at various learning levels, and she identifies related services and strategies to ensure students’ success.”*

Dr. Lawrence Cook: *Award of Meritorious Service - School Administrator* — District 233 Chief School Business

Official Dr. Cook oversees the district’s finances. He was nominated by Superintendent **Dr. Scott Wakeley**, who wrote in part: *“Dr. Cook is often a voice in the room providing the needed perspective that we must set high expectations for all students and support them with resources, lessons and role models to help them achieve.”*

Andrew Gaus:
Award of Special Recognition - Classroom Teacher — Mr. Gaus, a Special Education teacher who

co-teaches with the Science Department, was nominated by Department Chair of Science **Kim Smith**, who wrote in part: *“Andy steps up even when it is not his job to step up and it is not expected Andy has served as a liaison between the Special Education Department and the general education departments to ensure that all students’ needs are met in the classroom.”*

Candice Hall:
Award of Meritorious Service - Educational Service Personnel — Ms. Hall, District 233’s Trans-

portation & Logistics Coordinator and the Assistant to the Director of Operations & Maintenance, was nominated by Director of Information Services **Steve Richardson**, who wrote in part: *“... she is an impressive problem solver who is always able to address complex issues with strategy and confidence. Along*

with her undeniable talent, Candice has a penchant to be an innovative force in any space that she works in.”

continued from page 4

his students as a Physical Education teacher by modeling activities, as well. He is willing to put himself out there and creates a positive energy amongst staff and students.”

Lauren White, LCSW: Award of Meritorious Service - Student Support Personnel —

Mrs. White, a social worker and coordinator of the school’s Wellness Wednesday programming for students, was nominated by Department Chair of Guidance **Jim Schmidt**, who wrote in part: *“The care, concern, gentleness and understanding by which she interacts with people, especially struggling students and families in severe crisis mode, exemplifies the true meaning of servant leader.”*

H-F Resiliency Project: Award of Meritorious Service - Team —

This new 2022-23 project focuses on proactive intervention by identifying and addressing students’ at-risk behaviors before they become severe problems, while also increasing students’ protective factors. Director of Communications & Commu-

nity Engagement **Carla Erdey**, who nominated the team, wrote in part: *“The H-F Resiliency Project team members engage directly with parents and guardians to provide the educational resources they need to best help their children. They are listening ears. They are reassuring voices that we will work through this together. They are champions for kids and for families.”*

Team members are: Department Chair of Guidance **Jim Schmidt**; Associate Principal **Craig Fantin**; Director of Student Supports **Jennifer Rudan**; School Deans **Terrell Alexander, Catherine Brown, Brett Geijer, Dave Klawitter, Chris Maniatis** and **Zachary Wells**; School Social Workers: **Myrna Cavazos, Jocelyn Cowan, Heithon Hurdle, Greg Jones, Danielle VanVliet, Lauren White** and **Kristina Zandi**; School Psychologists: **Dr. Carla Boyd, Marina Brennan, Dr. Anna Pignatiello** and **Kofi Shuck**; and School Counselors: **Kevin Coy, Dawn Edwards, Brad Kain, Ashley Keca, Lindsay Levenson, Lorrie Maul, John McCarthy, Danielle Mitchell, Dr. Karen Olson, Dana Palermo, Melissa Sauder, Tiphnee Staples** and **Roberto Suarez.**

Co-Taught Social Science with Reading: Award of Meritorious Service - Team —

Co-Taught Social Science with Reading is a Tier 2 reading intervention program, designed to assist students as they expand their reading comprehension and information-processing skills, vocabularies and fluency to transfer such skills across content areas. Department Chair of Social Science **Nick Anello** and Department Chair of Reading **Lauren Freeman**, who co-nominated the team, wrote in part: *“The number of students who are engaged in lessons, asking questions, using critical-thinking skills, reading for understanding, and improving writing skills grows daily as teachers are able to assist and support students to have more confidence in themselves and their abilities.”*

Team members are: Reading Teachers **Courtney Hendricks, Kimberly Peterz, Kimberly Perisin** and **Christopher Reid**; and Social Science Teachers **Hailey Baumstein, Allison Farkos, Brian O’Donnell** and **Gil Smit.** ●

H-F joins national coalition of multiracial school districts

H-F is the newest member of the MSAN Network, a national coalition of multiracial school districts that share a history of high academic achievement and connections to major research universities. MSAN districts come together to understand and eliminate racial opportunity gaps that persist in schools.

“Homewood-Flossmoor High School is proud to join this accomplished network of school districts throughout the United States,” said Superintendent **Dr. Scott Wakeley**. “This partnership allows us to work collaboratively with districts that look like ours with diverse racial

and ethnic backgrounds as we strive for excellence for all students.”

“We made this announcement as we kicked off Black History Month to show the importance of celebrating black excellence today and every day of the year,” Wakeley said. “Our membership in the MSAN Network is a major step in our commitment to developing the core competency of Diversity & Inclusion, the true north in our Profile of a Viking,” Wakeley said.

The Profile of a Viking, developed in collaboration with the community, reflects the core competencies

that H-F strives for each student to have upon graduation. These are the skills we believe are critical in addition to the academic knowledge students gain through their coursework. H-F administrators, teachers, staff, coaches and sponsors are intentional in the way these skills are developed through daily interactions with students. The competencies are:

- Diversity & Inclusion
- Innovation & Problem-Solving
- Reflection & Resilience
- Communication & Collaboration
- Citizenship & Character

“We are now part of a larger educational community that shares best practices and supports each other as we strive to continually improve the quality of education and experiences for all of our students,” Wakeley said.

There are 28 MSAN network school districts that are keenly focused on raising achievement for students of diverse racial, ethnic and linguistic backgrounds. H-F is the fourth Illinois high school district to join MSAN including Evanston Township High School District 202, Niles Township High School District 219 and Oak Park River Forest High School District 200. Member districts across the country also include Amherst-Pelham Regional Schools in Massachusetts; Ann Arbor, Mich. Public Schools; Chapel Hill-Carrboro City Schools in North Carolina;

continued on page 7

continued from page 6

Princeton Public Schools in New Jersey; and Shaker Heights City School District in Ohio, among others.

MSAN districts work collaboratively to conduct and publish research, analyze policies, share promising practices and lift up student voices in pursuit of the network’s mission.

This winter H-F administrators attended their first MSAN meeting, providing the school district with access to resources and professional development to raise achievement.

“As an administrator, participating with MSAN opens doors to one of the greatest resources anyone could ever expect to have,” said H-F High School **Associate Principal Shannon Swilley**. “That resource is knowledgeable, experienced practitioners who are willing to

share details about their failures and blueprints for their success as it relates to educational equity in their communities.”

The MSAN Network conducts collaborative research that informs school practices, engages in and evaluates evidence-based instructional interventions, and provides learning opportunities for teachers. Four focus areas comprise MSAN’s research and development agenda:

- Mathematics
- Literacy, with an emphasis on adolescent literacy
- Student-teacher relationships
- Conversations about race and achievement

H-F administrators, teachers and students look forward to interacting with and learning from MSAN school districts through the MSAN

Institute and MSAN Intersectional Social Justice Collaborative for Middle School and High School Students.

MSAN is housed within the Wisconsin Center for Education Research at the School of Education, University of Wisconsin-Madison. ●

STUDENT ACCOMPLISHMENTS

Senior Earns QuestBridge Scholarship to Northwestern University

H-F senior **Jada Marsh** is the recipient of a full-ride scholarship to Northwestern University, offered to her through the 2022 QuestBridge National College Match. This program — offered since 2003 — connects high-achieving high school seniors from low-income backgrounds with full four-year scholarships to 48 of the nation's best colleges and

universities. This year QuestBridge's 48 college partners matched with 1,755 finalists, who are recognized as Match Scholarship Recipients.

A hard-working student currently enrolled in six Advanced Placement classes and a Field Hockey student-athlete, **Jada** is planning to study communications and film/media studies next year. ●

Homewood-Flossmoor High School is committed to setting high expectations for all students and supporting them to be successful through **The Viking Academic Challenge**. This opens the possibility for all students to make the most of their high school years by engaging fully in the total H-F experience by:

- Exemplifying the Profile of the Viking
- Taking at least one Advanced Placement (AP), International Baccalaureate (IB) or Dual Credit Course during their high school career
- Balancing academic rigor with their personal life, athletics and/or activities
- Making connections and seeking support

H-F encourages all students to challenge themselves while earning college credit while still in high school. The Viking Academic Challenge removes gatekeepers to enrolling in these courses, allowing all students to pursue AP, IB and Dual Credit courses.

Advanced Placement (AP) Courses

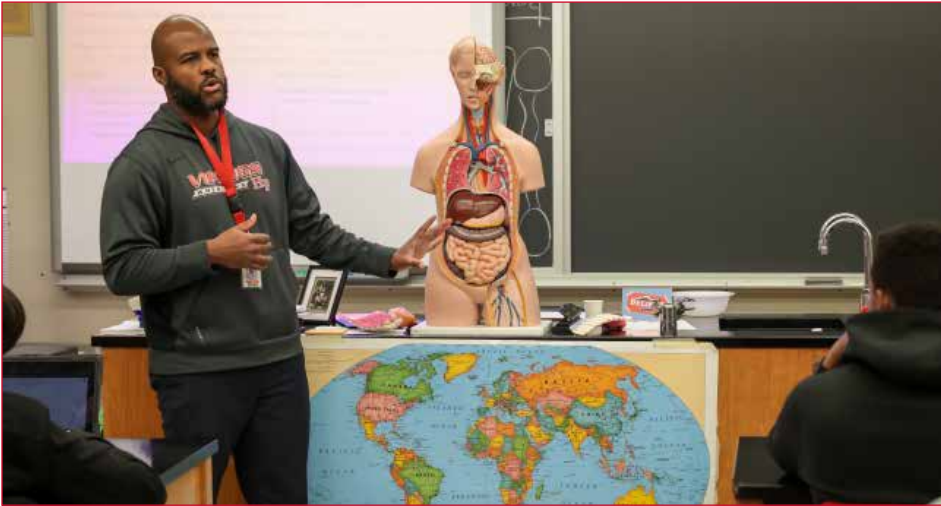

Using a curriculum specified by the College Board, AP courses replicate entry-level university courses. An AP course concludes with an exam, administered by the College Board in May. H-F teachers skillfully guide and prepare the students for

the exam throughout the school year. If students choose to take the exam and score well enough on it, they can earn college credit for that course. H-F currently offers 30 AP courses in the following disciplines: English, Social Science, Math, Science, World Language and Fine Arts. AP classes are open to all grade levels at H-F, although freshmen have a more limited selection during their first year. Some H-F alumni have accumulated enough passing AP score credits in their four years of high school to enter college as a second-semester freshman or sophomore.

International Baccalaureate Programme & Courses (IB)

Offered at H-F since the 2014-15 school year, the IB Diploma Programme is a two-year course of study for junior and senior students, presented through six academic areas: English, World Language, Social Science, Experimental Science, Mathematics and the Creative Arts. At H-F, this program immerses students in the two most challenging and internationally recognized high school curricula: Advanced Placement and IB. Graduates of this program are recognized internationally as well-rounded critical thinkers who possess strong research, writing and oral communication skills. H-F students can choose to pursue the full IB Diploma — which also includes an Extended Essay

continued on page 11

continued from page 10
and Creativity, Activity and Service requirements — or plan to take fewer IB courses as an IB Certificate candidate, while still enjoying the creativity, thoughtfulness and inquiry-based learning style that IB provides. Although there may be prerequisite requirements for individual courses, there are no minimum requirements or placement tests required for H-F's IB program. IB courses also end the school year with an exam; results are announced in July. Many alumni have earned college credit by taking IB courses at H-F.

Dual Credit Courses

Dual Credit courses offer students the opportunity to earn college and high school credit simultaneously. The credits earned are transferable to the institution that offers the dual credit and to other four-year colleges and universities. Dual Credit courses can reduce the overall cost of college for families, and these courses support college preparation and transition. Students may take advantage of college/university

resources while enrolled in the dual credit course. Dual Credit courses show the student's ability to successfully complete college-level coursework during the college-admissions process. H-F currently offers dual credit courses in tandem with Prairie State College and Lewis University.

Balance

Our goal is for all students to find the right balance for themselves among academics, athletics, activities, home and personal lives. Finding the right combination that works for them will allow them to have a well-rounded high school experience and equip them with the skills to find that balance in their lives after H-F.

The Viking Academic Challenge

is for all H-F students. A recent presentation with a target audience of Class of 2027 incoming freshmen provides more information about **The Viking Academic Challenge** and can be found in this video:

WINTER HIGHLIGHTS

Our Wrestling student-athletes led the way this season at H-F. Congratulations to our two newest IHSA State Champions: wrestlers **Ini Odumosu** and (repeat champion) **Attalia Watson-Castro!** They were welcomed back to campus on Feb. 25 by the Flossmoor Police & Fire Departments, along with other IHSA State competitors: **Nina Hamm** (6th Place), **Alima Toheeb-Lawal**, **Jocelyn Williams** and **Basirat Sodiq.**

At IHSA State for Boys' Wrestling, **Deion**

Johnson finished in 2nd Place at the 113-lb. level, and **Vincent Robinson** ended his high school career with a 3rd Place finish at the 132-lb. level. Also representing H-F was **Jermaine Butler** at the 152-lb. level.

Christian Curtis finished in 3rd Place in Diving at the IHSA State Boys' Swimming & Diving Meet after making it into the competitive final rounds. Also representing H-F was **Charlie Niemiec** in the 100-yard Breaststroke.

Congratulations also to our H-F Co-Ed Cheer team for finishing in 8th Place at IHSA State in February! ●

CHINESE NEW YEAR

Yin Ding, H-F's Chinese language teacher, and her students brought festive Chinese New Year spirit around campus on in late January by toured both school buildings with their festival dragons to share the news that the Year of the Rabbit began Jan. 22.

PURSUING THE DREAM

The 7th H-F Pursuing the Dream event was held Jan. 11 in the Mall Auditorium, as the school honored **Dr. Martin Luther King, Jr.** The evening — organized by District 233 Diversity, Equity & Inclusion Coordinator **Catherine Cook** — included powerful performances by the H-F Steppers, H-F Inspirational Voices and H-F authors and Speech Team students.

BLACK HISTORY MONTH

H-F celebrated Black History Month in February with a series of after-school events for students, staff and the community. Coordinating with the Village of Flossmoor, the school hosted the **STEM Professionals Panel** on Feb. 23, which featured local community members, including **April Odom**, a Board Certified Family Nurse Practitioner.

TRI-DISTRICT MUSIC FESTIVAL

On Jan. 24 hundreds of Orchestra, Band & Choir students — along with Music teachers from H-F SD233, Homewood SD153 and Flossmoor SD161 — gathered together in the H-F Fine Arts wing for team building and skill development at the annual **Tri-District Music Festival**. The three groups worked on songs together and also mentored each other through games and competitions.

ALUMNI NEWS & NOTES

Alumni Office Notes

It will be a busy year ahead for H-F alumni and reunion coordinators. A reunion is the perfect time to reconnect with classmates and to revisit the H-F campus. If you are a member of one of the classes listed below, reach out to me and I can put you in touch with the coordinator for your reunion, so you don't miss out on the fun this year: acherry@hf233.org, 708-335-5530.

Also, a special congratulations to our many alums involved with the Hidden Gem Half-Marathon: The Flossmoor race was named the CARA Race of the Year for 2022! If you are a runner or enjoy volunteering, I encourage you to get involved with this year's race on Saturday, Sept. 9.

H-F CLASS REUNIONS

- **Class of 1965** — Sept. 8-9 (H-F's Homecoming Weekend)
- **Class of 1973** — Sept. 30 at Idlewild Country Club
- **Class of 1976** — April 14-15
- **Classes of 1980-81** — Aug. 5 at Idlewild Country Club
- **Class of 1983** — Oct. 13-14, includes a football game vs. Lincoln-Way East at H-F Stadium and a reunion dinner
- **Class of 1993** — July 28-29
- **Class of 2003** — Sept. 22-24
- **Class of 2013** — Details are still being planned. Follow them on Instagram: @HF2013Reunion

— Ann Cherry, Director of Alumni Relations & Development

Congratulations to **Christopher McBride**, '02, on receiving a 2022 Grammy Award! Christopher is saxophonist now based in New York whose artistic endeavors include education, arranging and composition, in addition to being an in-demand performer. His Grammy work was as a featured soloist on the winning album by **Steven Feifke** and **Bijon Watson**, *Generational Gap Jazz Orchestra*. Christopher has also been a side man for such acts as **Billy Preston**, **Lupe Fiasco**, **Solange** and **Jennifer Hudson** to name a few. His volunteer outreach includes serving as the director of Education for the Second Line Arts Collective, a non-for-profit organization based out of New Orleans. He has also worked as a journalist and consultant with *Forbes Ignite*. While at H-F, Christopher performed in the H-F Marching Band under the direction of teacher **William Jastrow**.

Thank you to **Elliot Chesanov**, '75, for his recent donation to the H-F Music Department of numerous musical instruments, including a tuba, sousaphone, multiple trombones and a drum kit. Elliot was downsizing his music collection after recently retiring from the U. of Illinois Urbana-Champaign, ending a 41-year career as a trombone professor. He began his career as principal trombonist of the USAF Band (Washington, D.C.) followed by a stop at Kent State U. until his tenure in Urbana. Viking music students will benefit from this generous gift for years to come!

Viking alumni continue to put their thoughts to the printed word. Most recently, **Braxton Williams**, '16, wrote his poetic ruminations in *Infinite Horizons*. Braxton was able to circumvent traditional publishing methods by using Amazon's Kindle Direct Publishing. Braxton is a 2020 graduate of Ball State U. While at H-F, he was a stand-out student in **Sahar Mustafa's** *Creative Writing* program.

Again and again we've heard from alumni who swear that they wouldn't be who they are today without the belief that a teacher had in them. For **Teacher Appreciation Week in May**, we'd like to invite you to give us an example of an H-F teacher who helped define your high school days and whose enthusiasm helped you choose a path forward in college and beyond. Send your brief "thank you" for a specific teacher to us at acherry@hf233.org by April 15! ●
