

## Sewa UK open their first hostel for boys in Nepal

On Saturday 19th Jan 2019, Sewa UK opened their first hostel for boys in Nepal. Of the 700 orphaned children from the Nepal earthquake, 150 have been adopted by Sewa. With the support of the UK community, some of these children now have a permanent home. The hostel was inaugurated by Shri Harish Bhudia (Sewa UK), Shri Vedprakashji (HSS Nepal Pracharak) and Shri Thupten Jigdol (President of International Buddhist Federation (Nepal)).

Members of SPA UK (Shree Prajapati Association UK) who supported the building of the hostel visited the centre in December.
