

LAMAR INSTITUTE OF TECHNOLOGY

SPRING 2026

Commencement

LAMAR INSTITUTE OF TECHNOLOGY
MEMBER THE TEXAS STATE UNIVERSITY SYSTEM™

MISSION

Lamar Institute of Technology provides student-centered technical education and workforce training that lead to credentials of value, career advancement, and economic mobility.

VISION

Lamar Institute of Technology will be a catalyst for innovation and opportunity, advancing technical programs and industry partnerships that drive workforce excellence and economic growth.

CORE VALUES

INTEGRITY

We keep our promises and use evidence to improve. We steward resources with integrity and report results clearly.

STUDENT-CENTERED

We deliver student-centered technical education grounded in hands-on, skills-based instruction. Classrooms, labs, and clinicals align with industry standards and lead to credentials of value and career advancement.

ENGAGEMENT AND ACCESS

We remove barriers so every learner can start, stay, and finish. We provide flexible pathways, advising and wraparound supports, and recognition of prior learning to increase momentum and completion.

PARTNERSHIPS

We co-create programs with employers, K-12, universities, and the community to meet Southeast Texas workforce needs. We expand internships, apprenticeships, and transfer pathways that connect learners to high-skill, high-wage careers.

TALENT PIPELINES

We grow the regional talent pipeline with clear pathways into high-demand fields. Work-based learning and employer-aligned credentials lead to placement and wage gains.

INNOVATION

We pursue practical innovation in programs, pedagogy, and operations. We adopt modern technology and processes that improve learning, services, and regional impact.

READINESS

We prepare people and places for real-work performance. Modern equipment, safe habits, and regular training support resilient operations across labs, clinics, and classrooms.

Lamar Institute of Technology is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees. Lamar Institute of Technology also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Lamar Institute of Technology may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

NATIONAL ANTHEM

O say can you see by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight
O'er the ramparts we watch'd were so gallantly streaming?
And the rocket's red glare, the bomb bursting in air,
Gave proof through the night that our flag was still there,
O say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

THE PLEDGE OF ALLEGIANCE

I pledge allegiance to the Flag
of the United States of America,
and to the Republic for which it stands,
one Nation under God, indivisible,
with liberty and justice for all.

This program is not an official graduation list. This printed program lists students who are eligible to graduate pending the outcome of final examinations and final grades. Therefore, it should not be used to determine a student's academic or degree status. The student's permanent academic record is kept by the Records Department, 855 East Lavaca St., Beaumont, Texas 77705.
