# Editor's Note

Welcome to the January edition of the CLC Projects newsletter. For Breakbulk Middle East, we have arranged a member meet-up at the A.R.T. Logistics booth H50 from 14:00–15:00 on 4 February.

In six days I will be traveling to Bangkok ahead of our Global Conference to finalize preparations and ensure a high-quality, effective networking experience for all attending members.

The latest version of our mobile app includes a timestamp for the most recent members directory update and a manual update button. The iOS update will follow this week.

In network news we share member movements related to Finland - Brazil, Thailand, South Korea, India - Mexico, Senegal, China, India, Malaysia, Mozambique, Vietnam, Slovenia - South Africa, and Croatia. We also announce new members in the US and Spain.

## The Next Global Conference Will Be Held at The Waldorf Astoria Bangkok 16th & 17th March, 2026

The conference fee is 970 USD per person and is inclusive of welcome drinks on the evening of the 15th, two days of one-to-one meetings, coffee/snack breaks and lunches on the 16th & 17th and dinner on the evening of the 16th. The venue is a refined, beautiful and luxurious hotel in the heart of Bangkok, walking distance to Central World and the Chit Lom BTS (sky train) station.

## **Yacht Transport Specialists**

### **Recently Completed a Complex Transport and Launch**

The 10km inland transit took 4 hours, the entire site operation spanned 2 days following 3 weeks of meticulous planning.

Preparation: 3 weeks of technical assessments and route surveys.

On-Site & Transit: 2 days of rigging and staging, including 1:00 AM transport via 13-axle hydraulic lines trailer to avoid traffic and ensure maximum safety.

Extraction & Launch: Dual-lift out of the factory & Port using 2 x 100-ton cranes.

Launch: Successful delivery into the river using 2 x 100-ton cranes with reinforced steel plates to spread out ground pressure on the Quay.

Execution is only as strong as the preparation, planning and coordination of Teamwork. Check out the video!
