# Series Synopsis

**If cops were ever “friends and helpers”, it’s the officers of Cops & Companions.**

They’ll chase down criminals when they have to — but more often, they’re listening to a shaken pensioner, protecting shopkeepers from threats, guiding teens away from trouble, or simply offering comfort. Their beat covers everything from red-light rackets to high society, but their hearts lie with Hamburg’s everyday people — those just trying to get by.

A promotional image for a TV season. It shows a man in a dark uniform lying on a bed in a prison cell, looking towards the camera. Another man, wearing a dark long-sleeved shirt and light blue jeans, is sitting on a chair next to the bed, looking towards the camera. The cell has metal bars on the right side and a window with bars at the top. The lighting is dim, creating a somber atmosphere.
