INTERNATIONAL HOTROD TOUR

25 JANUARY 2025

A word from the WOMZA SEO - Ismail Peck

Hi Everyone,

I want to extend a heartfelt thank you to Cape Hell Drivers for entrusting WOMZA to help run this event, which we believe will be one of the biggest yet! We're thrilled to announce that we have four English drivers joining us, and a special thank you goes to Deanne Wood for his incredible efforts in negotiating to bring them on board, making our race even bigger and better.

A big thank you also goes out to everyone who contributed to making this happen—the promoters from the clubs and everyone else who assisted along the way.

At WOMZA, our wish is to see motorsport in South Africa grow from strength to strength. As 2025 takes off on a high, we are excited about the bigger and better things ahead.

Here's to a fantastic year of racing!

Dankie almal

A word from the WOMZA Tar Oval Chairman

I would like to take this opportunity to welcome the Touring UK Team to our shores. These events have grown in popularity over time and this Tour will be no exception.

I would like to thank the WOMZA Sporting SEO for his enthusiasm and efforts. Ismail has been hugely instrumental in the creation of this Tour.

The Cape Hell Drivers have always been synonymous with success in Oval Track Racing and I am proud that this Tour starts at one of the most spectacular venues in the World.

There has been a huge effort to market this event and we are indebted to every person who has selflessly contributed to this. Your efforts will reflect in the success.

The South African Competitors also deserve mention as they have been positive about this Tour from it's inception and I am sure they will take the challenge to their UK counterparts.

The National Hotrod Tour has grown from strength to strength and has become the flagship for South African Motorsport over all the facets. As we enter our 9th season I take the opportunity to pay tribute to Michelle, Rudy and Stephan for their unwavering support and commitment.

You must remember that this is only the first round of a 3 event series and I urge you all to make the trip to Ultimate Raceway, Vereeniging on the 1st of February and Mahem Raceway, Pretoria on the 8th of February. These are two of the finest Ovals in South Africa and will offer some very spectacular racing.

Deane and Janet Wood have become close friends of our sport in South Africa and I pay tribute to their input into the sport over the last 20 years both in South Africa and in the UK. The sport has enjoyed a huge renaissance in the UK since Covid for which they have both played the leading role.

I also express gratitude to the sponsors of this event and the Series. Without you we would not be able to have anything.

In closing I just want to thank Ann Bakkes for her years of unwavering dedication. She has always placed the sport as her priority and for this we are extremely blessed.

Please come and chat. I welcome your input. Enjoy every moment. It will be fun.

Yours in motorsport

Neville Loosemore

From the CHD Chairman:

The BIG day has arrived !! A warm WELCOME to everybody for the 1st leg of the International Hotrod Tour.

Welcome to all drivers entered for this event and especially our International and visiting drivers from the rest of South Africa.

I would like to use this opportunity to thank NGK Spark Plugs for the sponsorship towards this event. Sponsors are the backbone of Motorsport all over the world and your continuous support towards the Cape Hell Drivers is highly appreciated. We at CHD believe in supporting the people who support us.

Secondly, we at CHD would like to thank WOMZA and all the awesome people involved with this organization for firstly, considering Cape Town as part of this 3 leg International series and secondly involving us with the planning and preparation for this event. Your help and support for Oval Racing in Cape Town is phenomenal and we are proud to be affiliated to your dedication and professionalism. Thank you.

I would also like to thank the CHD Committee for all the hard work, long hours and prompt response to all the challenges that are part of every event and our beloved sport in general.

Thank you to all the CHD Members that support the difficult and usually immediate decisions that has to be made by the CHD Committee. Always with growing the Club in mind. CHD4EVER mos.

To all Officials and Marshalls, Thank you for your dedication to our Club and Sport. You guys and girls ROCK !!

Please enjoy the event with us as I am sure the non-stop entertainment will be breathtaking.

Please support our Vendors as they are here for your convenience. Braai behind the grandstands please, not to obscure the awesome racing for anyone.

Kind Regards
Andre
