Club
Encourage
Gifts

Hello!

Thank you for looking at our Corporate Design Book. Enclosed you will find some sample designs that can be ordered or we can create a custom design just for you, that meet your needs and your budget. When Club Encourage Gifts creates a design, you know that it will have products sourced from all over the world! We want your company to be remembered because your gift was AMAZING!

Would you like us to add a personalized engraved touch to your gift? We have the ability to do that with our in-house engraving department. Check out the back of the book for some design ideas. The possibilities are endless.

Thanks again! Look forward to working with you to meet your gifting needs in the future!

Sincerely,
Julianne Nerger

Corporate Custom Gifting Options

Gifts are a great way to encourage your employees, thank your clients or customers, or give at corporate meetings and events. We know you may have something special in mind or want something different than these designs. We can help with that!

- First, start by telling us about your gifting need. We will gather some information and start designing a concept based on your requests. Then we will present the design concept to you for feedback, revisions, and customization options.
- Gifts can be shipped to each gift recipient or all the gifts can be delivered to the buyer's office.
- The company is welcome to send promotional materials to be included in the gift at no additional charge.
- *Handwritten* cards can be added for an additional charge for a personal touch!
- Interested in a custom piece of glass, wood, or leather item with your company name and logo on it? We would be happy to work with you to add a beautiful custom item to your gift. We have a few sample options on the next page.

We can work with any size budget to create a gift that fits your needs & budget.
