MEET YOUR BOARD MEMBERS

TY THOMAS DIRECTOR AT LARGE

Ty Thomas is proud to be a native multigenerational Texan, born in Dallas on the 4th of July and raised in the Spring area. His love for computers began at a very young age when his father purchased a TRS-80 with 4 kilobytes of RAM. In 7th grade, he won the \$200 first prize in a national computer magazine programming contest. Ty was a competitive speed skater from kindergarten through 11th grade. At the age of 15, his first job was at the local skating rink. In high school, he ran cross country track, participated in programming contests (placing 3rd in state), and was also a National Merit Scholar.

After high school, he attended college at UH and UT, where he participated in Greek Life as the president of his fraternity and then as the president of the Inter Fraternity Council. He earned degrees in Computer Engineering and Industrial Supervision. While in college, he participated in Fight Night, an amateur boxing event, and holds a nationally sanctioned fight record of 1 win and 0 losses. He has been a self-employed entrepreneur since 1996. In 2004, Ty married Marla, and they moved to Village Creek in 2005. Their handsome son, York (2007) does soccer, choir and chess. Their beautiful daughter, Jaclyn (2008), does theater, law and national charity league. They are both currently attending Tomball Memorial High School. Ty is a registered Election Judge and served in multiple national elections in the early 2000s. Since 2010, he has been serving on the board of the Northpointe Water Control and Improvement District (WCID) and, since 2018, on the board of the Village Creek Community Association, where he has spent the last 3 years as president. In 2015, the family moved to their second house in Village Creek.

Ty coached youth soccer for 12 seasons. He enjoys travel, reading, RC sailboats, boating, snow skiing, tropical fishkeeping, tech gadgets, science, movies, concerts, karaoke and dining out. He is a fan of the Texas Longhorns, Lionel Messi, Valentino Rossi, Frederic Chopin, and Marcus Aurelius.
