*Dear MECHS Class of 2021:*

*Today is a very special day for you: your high school graduation. Regardless of many unusual things that have happened in the world and around you, you stayed focused and finished strong!*

*I will always cherish all special moments we shared at MECHS: your high school and college classes, grab and go lunches and traveling to ACC, Zoom meetings among many others.*

*I am grateful to be able to share these three years of your high school experience with you. You, your parents, teachers and I have truly become one family and we will always be here for you! Please continue being leaders and helping people around you to be successful and a little happier because they have you in their lives!*
