# CRETE MODULAR SYSTEM

BASE  
**E27**

CLASS  
**IP44**

Ideal solution for individuals seeking long-lasting garden **garland** that offers **flexible configuration options**. Thanks to the choice of wire length, the ability to connect garlands together, and interchangeable lampshades, you can **customize the lighting to your needs**, replacing and adding elements as desired.

## POWER CORD + GARLAND

The secure, **resistant power cord** guarantees stable performance of the garland, while **rubber base caps** provide effective protection against moisture and dust, **enhancing its longevity and reliability**.
