

Benefits of attending an ISTA TAPS event

Theatre and Performance Symposium

"I could see an instant change in how my students talked and reflected on theatre from attending an ISTA TAPS. Their conversations about theatre were more insightful and in-depth. They became more aware of their own work, the choices they made, the steps they took as part of the process as well as the application of their research."

TAPS is an unparalleled opportunity for IB DP Theatre students to elevate their skills, creativity, and understanding of theatre. Through dynamic workshops, live performances, and expert-led sessions, participants will gain invaluable experience in a collaborative and inspiring environment.

Global Connections: Collaborate with IB DP Theatre students from around the world, expanding your creative network.

Expert-Led Learning: Work in ensembles guided by top international theatre artists, gaining professional insights.

Live Performance Exposure: Watch and analyse groundbreaking theatre to deepen your understanding of performance in action.

Comprehensive Skill Development: Enhance your abilities in directing, performing, designing, and creating.

Cultural & Theatrical Exploration: Engage with world theatre traditions and practices, broadening your artistic perspective.

Theoretical Insights: Encounter influential theatre theories and theorists to strengthen your academic foundation.

Immersive Artistic Experience: Absorb the creative energy of some of the most vibrant and culturally rich cities in the world.
