

YOUR GUIDE TO
VOLUNTEERING
AT NOAH'S ARK CHILDREN'S HOSPICE

making the most of every day

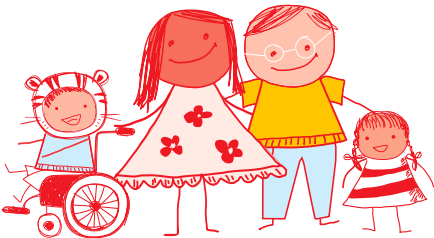

Welcome to Noah's Ark Children's Hospice, where our volunteers do something truly amazing. They help children with life-limiting or life-threatening conditions, and their families, make the most of every day.

Volunteers support teams across Noah's Ark, and people of all ages, faiths and backgrounds are welcome.

If you have time to spare and would like to help families enjoy the time they have together, we would love to hear from you.

SUPPORTING CHILDREN AND FAMILIES

Volunteers who support children and families directly work in one of three areas:

Home Support

If you would like to partner with a family and support them in a way that's right for them, you could be the perfect Home Support Volunteer. The role could include everything from playing games with a child who is seriously unwell; to supporting their sibling with homework; to helping families with the ironing; or accompanying them on a family day out.

Family Activities

As a volunteer in our Family Activities Team you could help children who are seriously unwell and their families enjoy our fun activities and days out. A sunny disposition is a must!

Specialist Care

Do you like playing and spending time with children and young people? If so, why not volunteer alongside our specialist carers? You'll be based at our state-of-the-art children's hospice building, The Ark, in Barnet.

“

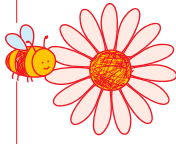

I learnt so much about myself along the way. Volunteering showed me that I'm capable of more than I thought I was.

Welcome!

IN THE ARK

Volunteers help fill The Ark with laughter and light. They welcome families into the hospice on **reception**, serve drinks and delicious food in our **Rainbow Café**, and they help maintain our beautiful sensory garden and **nature reserve**. Could you be The Ark's newest volunteer?

MARKETING & COMMUNICATIONS

Our Marketing and Communications Team is always on the look out for volunteers to support their work, both on a regular basis and for one-off projects. Please get in touch if you would like to put your design, marketing, creative or PR skills to good use.
