## Article 1: A Red-Letter Day: My Unparalleled Moment with Prime Minister Narendra Modi

21st December 2024 will forever be etched in my memory as a red-letter day—a day when I had the extraordinary privilege of meeting Mr. Narendra Modi, the Honourable Prime Minister of my home country, India. Clad in my pristine school uniform, representing Carmel School Kuwait with pride, I stood tall and confident, eagerly awaiting the arrival of one of the most influential leaders of our time. This was not just an event; it was a once-in-a-lifetime opportunity, and being chosen by my school to be part of the welcoming committee made it even more special.
