

# TORONTO TO VANCOUVER BY RAIL

Orbridge

A Nostalgic Journey Aboard VIA Rail's  
*The Canadian* in Premium Class

# Toronto to Vancouver by Rail | Itinerary and Highlights

VIA Rail Canada operates on tracks owned by freight companies, like other passenger railways in North America. While VIA Rail strives for on-time departures and arrivals, increased freight traffic on the railway will often cause delays. These delays could result in delayed departure from Toronto, delayed arrival in to Vancouver and shortened / limited time off of the train. The majority of your time on this tour will be spent aboard the train. Simply unplug and embrace the journey. Onboard services are guaranteed. Any changes to the schedule will be communicated and updated throughout the journey.
