# TANZANIA WILDLIFE SAFARI

Dear Trojans,

Join us on a transformative wildlife safari through the heart of East Africa, the backdrop to the year-round migration of grazing herbivores that traverse the Serengeti Plains. Exploration is rewarded with insight, and every experience provides memories that resonate over a lifetime.

With exceptional access to Tanzania's game parks, you'll witness spectacular wildlife, colorful local traditions, and the endless sun-drenched savannas of Tanzania during this epic 12-day journey.

Trekking with expert naturalist guides in 4x4 Land Cruisers through breathtaking terrain, it's possible to encounter the Big Five (lions, leopards, elephants, rhinos, and buffaloes) plus cheetahs, wildebeests, zebras, primates, gazelles, and countless species of birds.

As each day's adventures draw to a close, you'll retreat to the lap of luxury in premium lodges and tented camps, each offering exceptional hospitality and superior amenities, ensuring your comfort after exhilarating days.

Space is limited to just 24 guests. With significant savings of more than \$1,000 per couple, we anticipate this tour will fill quickly.

We've never traveled with Orbridge before but we will absolutely book another trip--hopefully, sooner than later! It was a well organized trip--very professional--really happy with everything.

~Karen B., Summerfield, NC

Orbridge did a great job of setting the itinerary. The guides were very knowledgeable and they kept our transfers/baggage handling as pain free as possible. We were very pleased with the whole experience. Our primary expedition leader was excellent. He was organized, interactive, knowledgeable and fun to be with. We enjoyed interacting with all of our guides. They truly wanted us to have a great experience.
