

# FATHERING STRONG

Fathering Strong connects, engages, and empowers fathers to be the best dads they can be resulting in better outcomes for children, stronger families, and communities.

Fathering Strong is the go-to destination dedicated to supporting fathers through their fathering and faith journeys with the goal of building stronger families and communities. Whether it's seeking advice or simply finding a place to connect with other dads, Fathering Strong provides online connections and forums where like-minded fathers can come together, share stories, ask for help, and receive support from mentors to become the best fathers they can be.

## CONNECT

We created an online and mobile platform to connect communities of dads, providing mutual encouragement, enrichment, and shared experiences.

## ENGAGE

We foster healthy online and mobile communities for fathers who want to become better parents and partners.

## EMPOWER

We empower fathers to be healthier and better nurturers, resulting in stronger families and communities through engagement in Fathering Strong.

*Fathering Strong is a valuable resource for dads providing them with necessary support, exactly when they need it. Fathering Strong builds a shield of armor against the negative messages and the lack of good morals and values prevalent in today's society. By promoting stronger families and communities, Fathering Strong plays a vital role in creating a better tomorrow.*
