Povl Eskildsen

"Design is about more than just form and materials."

Povl B. Eskildsen, a distinguished Danish designer, perceives design as a way of understanding how people live and interact with furniture in their daily lives. His architectural background and his family's teak furniture legacy is beautifully reflected in the Lynn collection, where he masterfully merges timeless Scandinavian craftsmanship with contemporary design. His furniture embodies minimalist elegance, crafted with meticulous precision to elevate outdoor living spaces with sophisticated, adaptable pieces.

The Lynn Collection

"With Lynn, we've created a collection that's as luxurious as it is eco-conscious."

Escape the ordinary with Povl Eskildsen's Lynn collection, where design embraces outdoor living. A testament to meticulous Scandinavian artistry and sustainable vision, these pieces draw inspiration from 1970s Danish classics. Blending clean, elegant lines with nature's warmth, each design tells a story of precision. Every detail, from the seamless finger joints to the hidden end grain, reveals a commitment to timeless beauty that gracefully weathers every season.
