Food and Supplies for Severe Weather

No one wants to think about a hurricane, tornado, or other major storm system visiting your area, but it's better to be prepared to protect your home and family. With this checklist, you can ensure you have the necessary materials on hand at home.

KEY SUPPLIES

- Water** – 1 gallon per 1 person per day. For a family of 4 for 5 days, you need 20 gallons. Save water in a bathtub for basic sanitation and dishwashing, but do not drink this water.
- First Aid Kit** – Band-Aids, bandages, antibiotic ointment, bleach and a medicine dropper so you can create water disinfectant (6 drops of bleach for every 1 gallon of water), hand sanitizer, any necessary medications, hygiene products, and baby products.
- Flashlight** – 1 flashlight per family member and the correct size of extra batteries.
- Tool Kit** – A basic set of tools: hammer, nails, screws, screwdriver, pliers, and knife.
- Sanitation Products** – Toilet paper, moist towelettes, and plastic garbage bags in different sizes. You need to keep waste away from your family and other supplies until local services like water and trash have been restored.
