A Message for this holiday season

Dear Valued Guests,

As we approach the holiday season, we're reminded of the importance of coming together to celebrate, share, and give back to the communities that support us. Whether you're hosting friends and family, planning festive gatherings, or seeking the perfect gift, our team is here to help you find exactly what you need to make your celebrations unforgettable. We're also proud to continue our commitment to community giving initiatives, bringing holiday cheer to those in need.

We invite you to join us in spreading cheer beyond our own homes by participating in our annual food drive. Together, we can make a meaningful impact for those in need. Look for donation boxes in-store and know that your contributions go directly to local families during this special time of year.

Thank you for choosing Cascadia Liquor as your destination for your favourite selections and holiday cheer. We're grateful to be a part of your celebrations and look forward to serving you in the New Year. Here's to a season filled with joy, peace, and great company.

Warmest wishes from

the Cascadia Team

SLEIGHT OF HAND
CELLARS

An all new collaboration

At Cascadia Liquor, we are honoured to partner with *Sleight of Hand Cellars* from the Walla Walla Valley in Washington State.

Besides the Cascadia region connecting us, the Missoula Floods flowed from Western Canada into Eastern Washington State, creating the Basalt soils where the vineyards thrive today. This unique blend is from one single barrel and only 288 bottles were produced.

JAY JORDAN
Master of Bourbon

Inspired by a bourbon master

As the only Master of Bourbon in Canada, and a Member of the Council of Whiskey Masters, Jay provides insight on this cask. “It features aromas of baked apple that open to rich toffee, dark chocolate and wood spice,” notes Jay. “This is a complex and expressive spirit showcasing both grain and wood. Fruit and spice aromas from the Madeira cask are balanced against a creamy malt character.”

Storytelling in a bottle

Imagine a whiskey with enough personality to stand up and tell its own story. Cascadia Liquor's single cask selection from *Westland Distillery* is just that. Audacious and singular. This is the first in a program of single barrel whiskey releases that are as unique as a fingerprint.

This whiskey is an excellent addition to your personal collection, or a gift for the whiskey aficionado in your life. No matter what your preferred whiskey style is, Cascadia is sure to have a bottle that will delight.
