Features & Benefits of **VANdoûr**

Advanced Bug Protection

- Redesigned fine mesh (0.5mm holes) blocks mosquitoes, flies, and even the smallest Scottish midges—enjoy the breeze without the bugs.

Built-In Privacy & Weather Layer

- Lightweight, waterproof privacy fabric with a silver backing reflects heat by day, retains warmth at night, and blocks outside views for total privacy.

Convenient, User-Friendly Design

- Central magnetic opening for hands-free, quick access
- Double-sided zips for easy operation from inside or out
- Roll-up and clip options for both the waterproof and magnetic net layers—switch between fresh air and privacy in seconds

Universal Fit for Most Vans

- Simple installation on most Medium and Long Wheelbase (MWB/LWB) van models—just measure your door opening and check our fit guide for peace of mind

Mobile Tent Experience

- Use VANDoûr on side or rear doors to create a breezy, open “tent” feel—ideal for relaxing or sleeping on warm nights while keeping your van bug-free and private

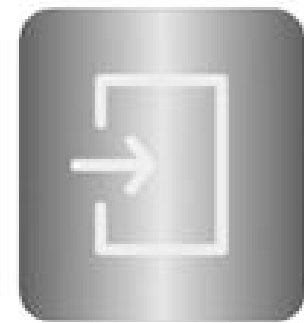

Why Choose VANDoûr?

- Anti-glare and sunshade properties for added comfort
- Great visibility through the mesh—enjoy the view, not the bugs
- Installs and removes easily with no surface damage
- Can remain in place even when doors are closed
- Quick, tool-free installation—no experience needed
