## A LOVE NOTE

Choosing to get married here was such a wedding jackpot experience. From first email to post-ceremony, Linda & Molly made the event planning as enjoyable as possible and introduced top-notch vendors that made the experience a lot easier. The ceremony scene of the mountains and outdoor layout was stunning and worth everything. Their flexibility and prompt responses — especially on the day of — along with seamless coordinating skills helped me relax and trust that it will all go well. That peace of mind is priceless.
