The Speed Watch Team is asking the village to come together to lobby for measures to help mitigate the ever increasing traffic issues we face. Please see page 11 for details and consider helping the Team.

Chit Chat is recruiting gentlemen to join them on Wednesdays. See page 5 for details.

If you would like to make a donation to support the publication and distribution of the Ellingham Pump, you can make a direct BACS deposit to:

Loads of events back in full swing!

We are still looking for someone to take over the design of the Pump. Our current designer/editor would like to give up her role in the spring. If a new person cannot be found, we will have to consider the reality, the Pump will not continue. Enquiries for more info can be made to [ellinghampump@gmail.com](mailto:ellinghampump@gmail.com).

Our Mission is to be a self-funding, interesting and informative magazine that provides a vehicle for community connections by shining a light on local people, places and services.

deadline 20th each month

Now that all the pennies have been counted, the Teddy Team is pleased to announce that it's been a very successful year for fundraising.

A huge thank you to everyone who contributed in any way, large or small, for your amazing generosity!

We are delighted to be able to make a donation of **£3500 to the East Anglian Air Ambulance** (the headline charity this year). The East Anglian Air Ambulance relies on the community to keep its two helicopters flying. The life-saving critical care their teams provide can be invaluable in rural locations such as ours. This donation could fund a mission, making the difference to someone's life.

Additionally, we are pleased to allocate the following:

**£1000 to St James' Church**

**£500 to the Recreation Centre**

**£500 reserved to help the Pump if required**

**£200 to the Baptist Church**

**£2000 available to support village groups**

The Teddy Team is keen to continue supporting village organisations and has decided that it would prefer to allocate to specific purposes or projects. We don't know how the last few years have impacted upon these groups, so felt that it would be better to distribute according to need. We have allowed £2000 for this - please do contact us (email [hello@teddyfestival.org](mailto:hello@teddyfestival.org) or through one of the team) and let us know how we can help.

We'll have more news for you next month about plans for the 2023 Festival. In the meantime, thank you to everyone who has supported and taken part in this year's Festival and made it such a wonderful community event.

Our trip to Sheringham on August 11th was a huge success. The play at the Theatre was excellent and as usual the sun shone all day. We are now looking at a Christmas outing.

Numbers are now building up at Chit Chat and we are getting back to the sort of numbers we had before Covid hit, however we are short of gentlemen! A couple of gentlemen come every week and help set up and pack away, however we don't have any staying the course of the morning. I think the men are quite 'shy' of mixing with us ladies therefore we have thought up a plan which may be quite acceptable for local men. We occasionally use the meeting room which is free on a Wednesday morning but more often than not this is unused by us. There is a Dart Board and we can arrange for Chess, Draughts, Dominoes and of course newspapers, so we thought this may encourage the gentlemen to set up 'their own group' Possibly 'The Mawkins', Brecksmen, Stone-chats, Pingos or similar (Name to be chosen by anyone interested). There is as much loneliness with gentlemen as there is with ladies. Ladies can make them teas etc if they would like us to. Anyhow, if anyone is interested please give me a ring or drop in on a Wednesday morning.

### **Coffee Morning for Cancer Charities**

We are planning this for Wednesday 5th October. Flyers will be put out in the village and local towns. We would appreciate items for raffle and bottle stall. We will also be having a bric a brac so please do pop items in if you have any.

We are now attracting many new group members so please do call in if you are free and feel like meeting new friends. A warm welcome always awaits.

NEW BEGINNINGS

The weather of the long hot summer is thankfully returning to more bearable temperatures, just in time for the start of our Autumn programme. We return to Rockland Village Hall at 2pm on the 19th of September for an afternoon of "Fun With Brenda Tubb." A chance to catch up with everyone and hopefully, be joined by new visitors. For further details contact Pat Partridge on 0195 452492. See you there.

# HELP

## THE VOLUNTEER SPEEDWATCH TEAM

Dear neighbours,

Over recent years Great Ellingham has experienced a considerable increase in the volume and the speed of traffic. This is particularly noticeable along the B 1077 (Attleborough & Watton Roads) and Long Street, Chequers Lane & Hingham Road (C136). It will undoubtedly get worse once the Attleborough Link Road (Old Buckenham Road – London Road) is built, as it is likely Long Street will be used by traffic as a short cut between the A11 and the B1077, on its way to North & West Norfolk.

The Parish Council is doing its best: new signs and village 'gates' are on order; the flashing lights reminding drivers of the speed limit are operational; speed monitoring devices have been purchased and are used to record the volume and speed of vehicles - the data collected is sent to our local police force, who arrange regular visits by the police speed camera team.

The Speedwatch Team is also trying hard and, with the addition of new volunteers, has recently been able to increase the numbers of Speedwatch sessions in different, police approved, locations in the village.

**The sad reality is that one third of all vehicles passing through Great Ellingham exceed the speed limit.**

We think it is now time for the whole village to take action, initially by reminding the Authorities of these issues. If you feel as strongly as we do about this, please support the efforts of the Parish Council and the Speedwatch Team, by writing to or emailing Councillor Martin Wilby, Norfolk County Councillor responsible for Highways.

We are reliably informed that collective letters (even if carrying a large number of signatures) or petitions, have little impact. Only when receiving numerous individual letters will the authorities realise the strength of feeling in the village.

**We are therefore urging you to use your voice now.**

An electronically formatted letter from the Speedwatch team is available now by emailing [speedwatchge@yahoo.com](mailto:speedwatchge@yahoo.com). Next month a full letter will be enclosed in the Pump. It can be used as a model to express your views and sent to:

# CHURCH NEWS

## St James, Great Ellingham

We are looking ahead to the Norfolk Churches Trust Cycle Ride/Walk/Drive on Saturday 10th September! Dust off your bicycles or boots and raise some money for your church by raising sponsorship to visit as many churches as possible. We would love to receive your support. Sponsor forms are available in church and, as per last year, we will provide a 'snack stop' for visitors during the day.

The church is entirely funded and maintained by money received in the parish, at services or through events. We are looking ahead to the autumn and planning our festive events. We hope to repeat the Christmas Shopping Evening which was very well supported last year – watch this space....

As with many charities, income has significantly decreased over the past two years so we welcome anyone who is able to make a regular donation. We are in the process of opening a new bank account, however if you would like bank details to set up a direct debit, please contact Kathryn: 456525 or [sunflowerjones@hotmail.com](mailto:sunflowerjones@hotmail.com)

The Café church service on 9th October (4pm) will be our harvest festival. All welcome – there will be some lovely autumnal refreshments.

KD

## St Peter, Little Ellingham

As the summer and the hot, dry weather continues, we start to look forward to Autumn. This is a special time of year when we shall be celebrating our Harvest Festival this month. With the weather as it has been, both farmers and gardeners have had a tough time but maybe it is something we are going to have to get used to, or at least make provision for.

On the 1st October we shall be repeating our Macmillan Coffee Morning in the church. Last year we raised almost £400 for this worthy charity; let's see how much we can do this year.

Before either of these events, we have the Norfolk Churches Bike Ride which raises money for the Norfolk Churches Trust and our own church to help maintain our ancient church buildings. Anyone who wishes to sponsor or participate in this event, please get in touch with the churchwarden, Margaret Thomas. You can telephone Margaret on 07851749373.
