## SERVING TIPS

- One keg of beer = 124 pints (16 oz)
- One gallon of wine = 16 glasses (4 oz)
- One bottle of wine = 6 glasses (4 oz)
- One liter of liquor = 20 drinks using 1.5 oz jigger
- Plan for a water glass for each guest for the table settings, plus extra for vendors and water requests at the bar
- Renting extra glasses is less than the cost of having staff wash glasses
- Always serve food with alcohol
- Always have nonalcoholic beverages available
