## Discover the WPS Edge, where experience, commitment, and innovation converge

With over three decades of industry immersion, our unmatched expertise adds perspective and value to every interaction.

Solid financial backing empowers us to stand firm, even in challenging times.

Our operations are supported by a dedicated logistics team, ensuring seamless transactions.

Certified for excellence. Products supplied by WPS are sourced from facilities with various quality certifications, including OHSAS, ISO, BRC, etc., ensuring the highest standards in every delivery.

Innovation fuels our journey – expect cutting-edge tech support and pioneering product development.

Cost-efficiency isn't just a phrase – it's a commitment. Our competitive rates underline this credo.

North America is our prime geography, with multiple warehousing locations for enhanced accessibility.

At WPS, packaging isn't just a product; it's a solution. Our R&D teams craft tailored packaging innovations to your pressing packaging problems.

## Web BOPA Films

### Discover Versatility and Strength

WEB BOPA Film stands out with its vast array of exceptional features, including high barriers, strength, transparency, and process-friendliness. Its performance remains unmatched even in wide temperature ranges.

This versatile film finds applications in various sectors, such as food packaging, pharmaceutical products, frozen foods, and retort packing.

Engineered with state-of-the-art technologies, WPS' BOPA Film line, stretching an impressive 255 inches, ensures exceptional quality and performance.

### Engineered to Perform

Our product range spans from 40ga to 2Mil in thickness. Furthermore, we provide the option of in-line chemical coating or off-line high-barrier coating to meet diverse requirements.
