The image shows the front interior of a car. Two black leather seats with red stitching and red mesh inserts are visible. Blue and purple concentric circles emanate from the headrests, representing sound waves. A large panoramic moonroof is at the top. The background shows a yellow wall and a blue sky through the windows.

Customize your stage

Before you even step into Kicks®, get the temperature inside just right with the available Remote Engine Start System with Intelligent Climate Control.*

Immerse yourself in the high-tech sound of the available Bose Personal® Plus Audio System with 10 rocking speakers and next-level PersonalSpace® technology that optimizes the acoustics inside. Up front, two Bose UltraNearfield™ speakers are built into the headrests and can be adjusted to fit any mood and genre.

If you're looking for clarity and serenity, look up. The available Panoramic Moonroof lets light in from sunrise to sunset and even shows starlight on clear nights.

All-wheel control, all-day confidence

Don't let the forecast spoil the fun. Kicks® offers available Intelligent All-Wheel Drive and multi-link rear suspension for enhanced grip and control in harsh conditions.³ Powered by a 2.0L 4-cylinder engine with up to 141 horsepower, Kicks is efficient and ready for adventure.⁴ With up to four available Drive Modes, you'll be prepared to take on the road with confidence.

Snow Mode Facing snow? Kicks' available Snow Mode adjusts throttle and gear ratio to help elevate your traction with peace of mind.²

Sport Mode In Kicks, you can turn up the fun with the push of a button. Give Sport Mode a try for higher revs and a tighter feel that can still get you straight to the finish line.

Eco Mode Running low on fuel? Switch it to Eco Mode, and the engine adjusts acceleration and throttle response to help stretch the miles.⁴

Normal Mode Your daily commute is made easier with Normal Mode. It has the power and agility you need to easily handle city streets and narrow alleys and brave even the worst congestion.

Traffic, meet your match

Gridlock up ahead, and you're smiling. Why? Because available ProPILOT Assist can help give you confidence with the little things, such as helping keep you centered in your lane and maintaining a preset distance from the vehicle ahead. All so you get a little more "go" out of your stop-and-go.^{2, 3}

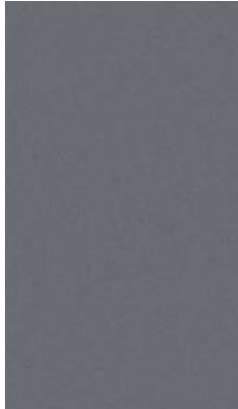

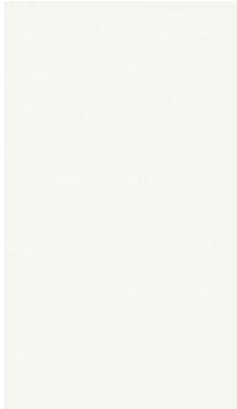

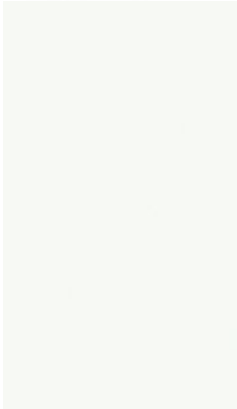

See the big picture

There's no view more comprehensive than a 360° view. And Kicks has it with the available HD Intelligent Around View® Monitor. It makes parking easier by giving you a virtual composite 360° birds-eye view of your ride. Select from split-screen close-ups of the front, rear, and curbside views to get the best fit possible.^{2,3,10}
