# PREFACE BY VILLY KLEPPE

I'm excited to share Piano Ballads I, a special collection of five heartfelt ballads that hold deep meaning for me.

These songs are drawn from my Rock the World and Bluebird albums—each carrying its own story of emotion, reflection and raw authenticity.

Music has always been my way of expressing what words alone cannot, and I hope these ballads resonate with you in a way that feels personal and meaningful.

5. DREAMER (PIANO VERSION)

# 1. BLUEBIRD, PT. 1

I see the river I see the sky  
Feeling so lonely must cry  
There's a bluebird in the sky  
Wanna be free

Nights can be lonely night can be cold  
Need someone to love  
There's a bluebird in the sky  
Wanna be free

There's a bluebird in the sky  
Wanna be free

# 2. ONLY LOVE I FEEL

I can see your smile  
I can hear your voice  
In my head

Standing in the dark  
Looking at the stars  
Think of you

Walking in the park  
Looking at the stars  
Think of you

Wonder where you are  
Wonder what you do  
I miss you

Chorus

Chorus  
Oh It's only love  
Only love I feel

I can see your smile  
I can hear your voice  
In my head

Chorus

# 3. WONDERFUL WORLD

I can see a clear blue sky

I can see birds fly

There so much I can see

What a wonderful world

I can feel a shining sun

I can feel the wind blows

There so much I can feel

What a wonderful world

I have music in my head

Will I have it when I'm dead

There's a bluebird in the sky

What a wonderful world

Chorus

Chorus

I can see the sky

I can see birds fly

Good vibrations coming out of

me

There's a bluebird in the sky

What a wonderful world

Chorus

I can do it know I can  
Must be strong hold my hand  
There's a bluebird in the sky  
Will I be one when I die

Chorus

See the sun falling down  
Making pictures on the ground  
Wanna hold you when I say  
I love you

When I'm lonely think of you  
All the things we used to do  
There's a bluebird in the sky  
Will I be one when I die

Chorus

There's a bluebird in the sky  
Will I be one when I die

Chorus

# 5. DREAMER (PIANO VERSION)

Close my eyes I can see a clear blue sky  
So much to see will I be here when I die  
What are we living for  
No one knocking at my door

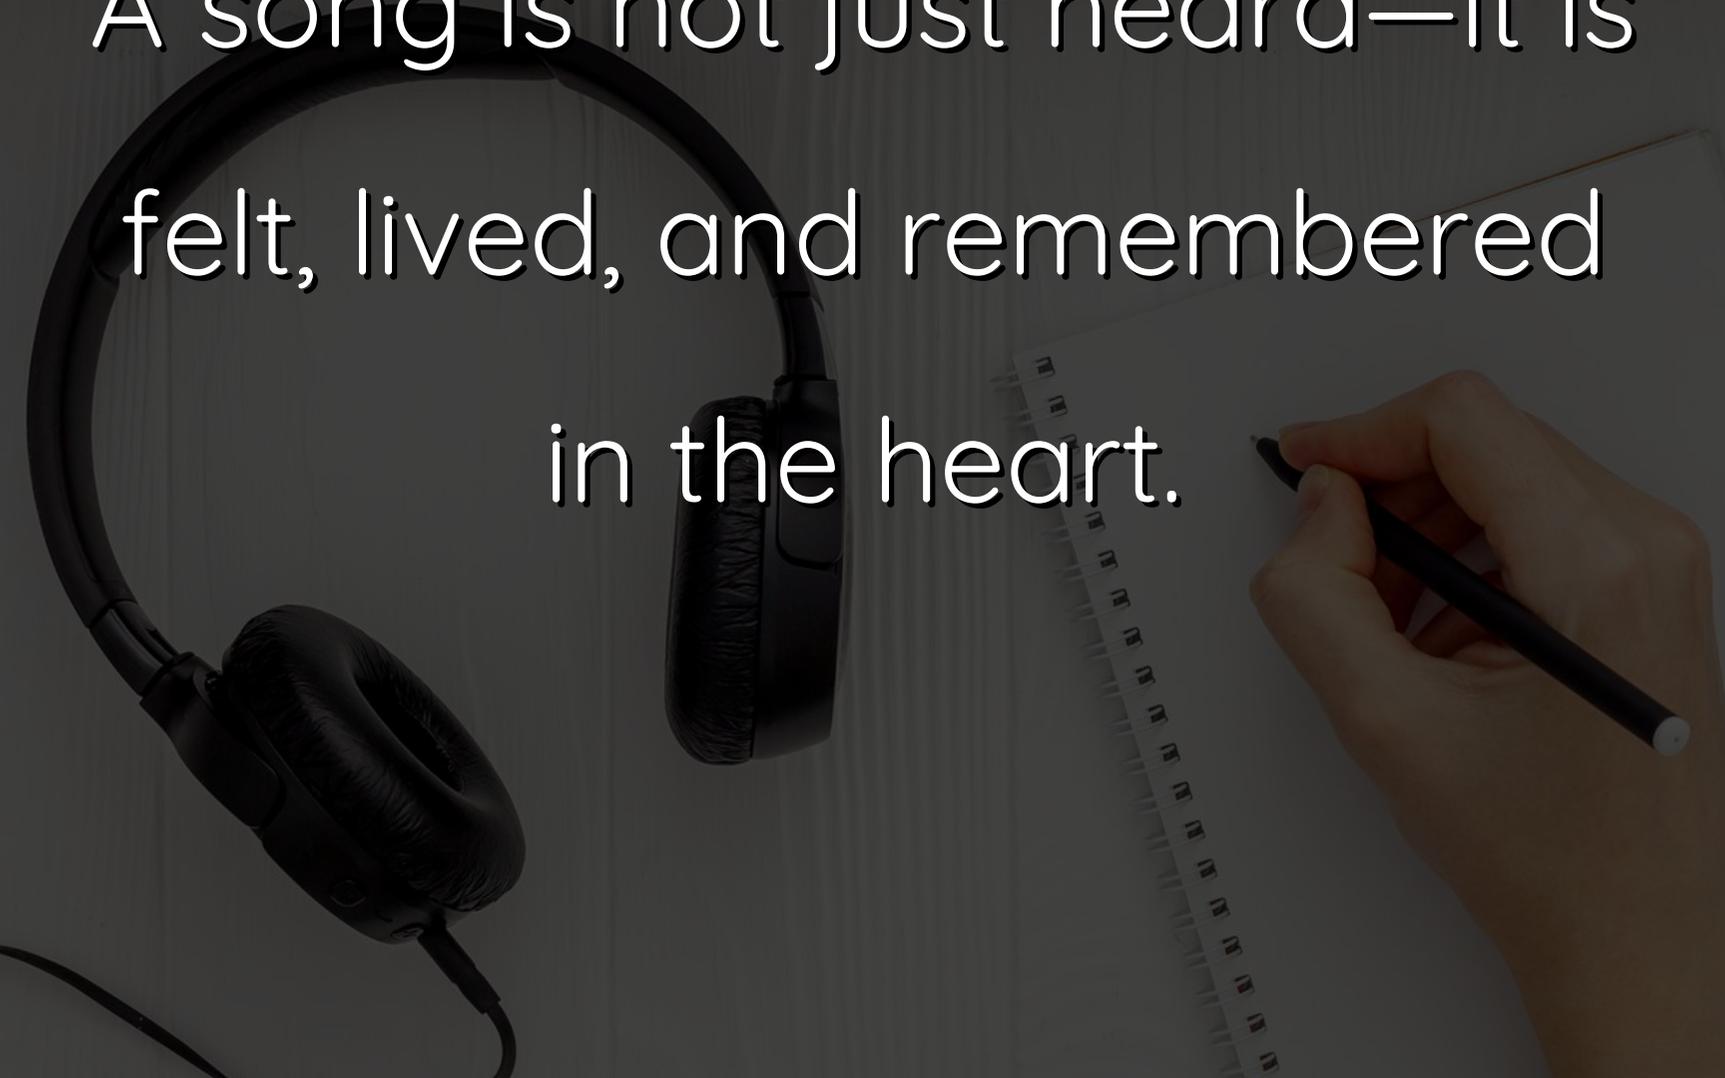

Close my eyes wanna be on cloud nine  
Is it a dream I can see John Lennon smile  
What are we living for  
No one knocking at my door

Chorus

I am a dreamer I will never change me  
Whatever they say  
Hard to be a dreamer living on illusions  
Do it everyday

Open my eyes I can see a clear blue sky  
So much to see will I be there when I die  
What are we looking for  
No one knocking at my door

Chorus

A song is not just heard—it is  
felt, lived, and remembered  
in the heart.
