MESSAGE FROM MAYOR JOHN E. MCCORMAC

Greetings Woodbridge Township Residents:

We are pleased to present the 2025 Woodbridge Township Sanitation & Recycling calendar!!! This year, we're introducing Woodbridge Recycling Super Heroes, a community campaign all about saving our recyclables from the general waste bin and giving them a new life. If we all work together, every resident is a Woodbridge Super Hero with super powers to recycle, reuse and repurpose!!!

MORE GREAT NEWS!!!!

We're expanding the Township-wide yard sale weekend – one weekend in the Spring and another weekend in the Fall with more opportunities to offer your treasures, goods, furniture and household items a new "lease-on-life."

SPRING 2025

Saturday, April 26, 2025:	Colonia & Iselin
Saturday, May 3, 2025:	Fords, Keasbey, Hopelawn and Menlo Park Terrace
Saturday, May 17, 2025:	Woodbridge, Sewaren, Port Reading and Avenel

FALL 2025

Saturday, September 13, 2025:	Colonia & Iselin
Saturday, September 20, 2025:	Fords, Keasbey, Hopelawn and Menlo Park Terrace
Saturday, September 27, 2025:	Woodbridge, Sewaren, Port Reading and Avenel

Remember, the annual Yard Sale weekend is a great way to REDUCE, REUSE & RECYCLE. PLEASE NOTE THAT THERE IS NO CURBSIDE BULK WASTE COLLECTION FOLLOWING THE YARD SALES. BULK WASTE COLLECTION MUST BE SCHEDULED BY CALLING THE SANITATION OFFICE AT: 732-738-1311 X3600.

The Recycle Coach APP again accompanies the 2025 calendar. We made a number of improvements to the Recycle Coach APP that makes the APP easier to navigate, and which simplifies trash and recycling collection schedules, special collection information and more – all right at your fingertips!!! Search the database for specific recycling instructions. Keep track of upcoming special collection events, household hazardous waste drop-off, confidential document shredding day, Christmas tree collection, bagged leaf collection and more. Report a waste problem or send comments and suggestions through the APP.

We are also proud to report that the Woodbridge Township Department of Public Works and the Office of Recycling continues their day-to-day work providing outstanding service to all of our residents. In fact, it's important to note that last year, the Office of Recycling earned \$262,237.99 from the New Jersey Recycling Tonnage Grant which is based on the amount/tonnage of materials collected and recycled along with \$230,710.17 from the New Jersey Clean Communities Grant. The grant funding allowed for the expansion of the ReUse It Center at the Public Works facility in Keasbey and to further expand our recycling efforts to include the recycling of Styrofoam, cooking oil(s), plastic bags, film and shrink-wrap. Throughout the year, the Department of Public Works will continue to implement many more sustainable initiatives and programs that serve to better manage the ways we offer services, conserve energy and other natural resources at work and home.

For more information on all of the Department of Public Works services and programs, call the Sanitation Office at 732-738-1311 x3600 or the Office of Recycling at 732-738-1311 x3035. Download the Recycle Coach APP or visit the Township Web Page at www.twp.woodbridge.nj.us for all the information regarding the Automated Trash Collection & Recycling Program.

HOW TO USE YOUR CALENDAR:

IT'S AS EASY AS 1 , 2 , 3 !

TRASH PICK UP			RECYCLING PICK UP	
Iselin Woodbridge	Avenel Colonia	Fords Hopelawn Keasbey Menlo Park Terrace Port Reading Sewaren	Avenel Colonia Iselin	Fords Hopelawn Keasbey Menlo Park Terrace Port Reading Sewaren Woodbridge
SWD 1 (Solid Waste District 1) Monday	SWD 2 (Solid Waste District 2) Tuesday	SWD 3 (Solid Waste District 3) Wednesday	RD 4 (Recycling District 4) Thursday	RD 5 (Recycling District 5) Friday

1. Locate your town.
2. Find the SWD and RD numbers for your town.
3. Find the corresponding SWD and RD numbers on your calendar and that's when your trash and recyclables will be picked.

That's all there is to it!

(A space has been provided at the bottom of each month of your calendar for you to write down your SWD & RD numbers)
The Woodbridge Township Sanitation Department provides once a week pick-up of trash and recyclables.
Remember to check your calendar for Holiday changes.

Follow your street index for special pick-up days for brush, leaf and Christmas Tree pick-up.

PROBLEMS WITH SERVICE?

To report any problems with the collection of Trash or Recyclables please call the Sanitation Department at
(732) 738-1311 ext. 3600.

ASPHALT, BRICK, BLOCK
OR STONE**

Rinsing recyclables wastes water.

MYTH

RECYCLING

NO, it does not!

The amount of water you use to rinse your recyclables is small, compared to the big picture. A quick rinse is all you need.

FACT

Only certain types of people litter.

MYTH

LITTER

FALSE! 'Litter Bugs' can be found everywhere. Be the change, DON'T LITTER!

FACT

WHERE TO PLACE YOUR CURBSIDE CART

YES!

NO!

*CHECK YOUR CALENDAR TO MAKE SURE IT IS YOUR COLLECTION DAY.

*PLACE YOUR CART AT THE CURB AFTER 4 P.M. THE DAY BEFORE YOUR COLLECTION DAY.

*REMOVE YOUR CART FROM THE CURB BY 9 P.M. THE DAY OF YOUR COLLECTION.

*DO NOT PLACE ANY ITEMS NEXT TO THE CART, ONLY ITEMS IN THE CART WILL BE COLLECTED.

* DO NOT BAG RECYCLABLES.

*NO BULK TRASH UNLESS YOU CALLED SANITATION FOR A PICK UP.

*CARTS MUST BE STORED IN YOUR SIDE OR REAR YARD.

DID YOU OOPS!

You may see this tag on your blue recycling cart. Don't get upset, we all **OOPS** sometimes! Just remove the items that don't belong, (they are checked off on the tag) give us a call and we will pick it up!

☐ Do Not Bag

☐ No Foam

☐ No Plastic Bags or Wraps

☐ No Cloths or Linen

☐ No Tanglers

☐ No Metal, Wood, or Furniture

☐ No Bulky Items

☐ No Yard Waste

LET'S ALL WORK TOGETHER TO KEEP OUR RECYCLING CLEAN!

QUESTIONS ABOUT YOUR CURBSIDE RECYCLING SERVICE?

**GIVE US A CALL
(732) 738-1311**

EXT. 3035

The trash in my recycling cart will be sorted out at the recycling facility. I can put whatever items I want to in it.

MYTH

RECYCLING

NO,
it can cause an entire load of recyclables to be rejected because of contamination. Recycle Right!

It's OK to throw your trash on the ground. There are people that are paid to pick up litter.

MYTH

LITTER

FALSE!

Trash that is thrown on the ground can end up in our rivers, streams and oceans, before it can ever be picked up. Don't be a litterbug!

FACT

AVOID THE SPARK

BE SMART WITH RECHARGEABLE BATTERIES

**PREVENT FIRES!!!
SAFEGUARD PEOPLE AND PROPERTY!**

NEVER DISPOSE OF RECHARGEABLE BATTERIES IN THE TRASH OR RECYCLING BIN.

ALL RECHARGEABLE BATTERIES MUST BE RECYCLED ONCE THEY REACH THE END OF THEIR LIFE CYCLE.

PRIORITIZE BATTERY SAFETY AWARENESS! FOR ADDITIONAL DETAILS:

VISIT AVOIDTHESPAK.COM

NJHAZWASTE.COM

ANJR.COM

DISCOVER A NEARBY BATTERY DROP-OFF POINT:

CHECK CALL2RECYCLE.ORG/LOCATOR OR TAKE YOUR RECHARGEABLE BATTERIES TO THE RECYCLING CENTER IN KEASBEY!

CONVENIENCE

CENTER

225 SMITH STREET,
KEASBEY.

You can drop off

- *Appliances
- *Mixed Metals
- *Bulky Items
- *Brush
- *Leaves
- *Concrete,
- *Propane Tanks
- *Electronics
- *Paint
- *Tires
- *Motor Oil

Asphalt, Brick

(from small homeowner repairs, call first)

HOURS

MONDAY - SATURDAY

8:00 A.M. TO 2:00 P.M.

SUNDAYS AND HOLIDAYS CLOSED

IMPORTANT

NO commercial vehicles, vehicles with commercial plates, box trucks or rental vehicles are allowed to use the Convenience Center.

(NJ State Regulations)

The Centers are For Woodbridge Township Residents **ONLY!**

Residents must check in the with the Guard when entering the center. Proof of residency is required.

When you arrive please follow the markers and directions of the Center Staff at all times.

Before coming down to the Centers please make sure that your items are separated for an easier and faster drop off. Saturdays we usually experience longer wait times, so please be patient.

It's OK to leave your recyclables in plastic bags when you put them in your cart.

RECYCLING

NO!

Bags get caught in the gears of sorting machines at recycling facilities. This can cause the sorting line to be shut down for repairs. Don't be part of the problem, don't bag your recyclables!

SUPER!

No one notices litter.

LITTER

YES, they do! Litter destroys the beauty of a community.

RECYCLING

CENTER

RECYCLING

ORGANICS

It's Summer, the grass and plants are growing. It's time for **GRASSCYCLING & COMPOSTING!**

GRASSCYCLING: An eco-friendly approach to recycling grass involves leaving the clippings on the lawn during mowing. These clippings, rich in water and valuable nutrients, contribute to the natural

nourishment of the soil. Save time this summer and reduce landfill waste **GRASSCYCLE!**

BACKYARD COMPOSTING:

Transform your kitchen and yard organic waste into valuable compost by establishing a compost pile in your yard. This practical and convenient method not only helps manage organic waste but also enhances the overall quality of the soil. Start

BACKYARD COMPOSTING today!

There's no way to recycle food waste.

MYTH

RECYCLING

If you want to, you can!

Woodbridge Twp residents can now sign up for our new, voluntary, drop off food waste program. Sign up at the Recycling Center in Keasbey. Call Recycling 732-738-1311 x3035.

FACT

SUPER!

Litter control is not important.

MYTH

LITTER

YES, it is! Look at all the chaos it causes, when animals confuse trash for food. It's a problem that affects ALL THINGS in the community.

FACT

FOOD WASTE

Woodbridge

Twp

Food Waste

Recycling

Program

Sign up at the Recycling Center

225 Smith St, Keasbey.
Monday-Saturday from
8am till 2pm.

732-738-1311 X 3035

Woodbridge Township residents can now recycle their Food Waste.

New, voluntary drop off program at the Recycling Center in Keasbey!

LITTER FREE WATERWAYS

During and following rainfall, stormwater carries accumulated leaves and litter from streets and sidewalks into storm drains, leading to two significant concerns:

1. **RESIDENTIAL FLOODING:** The accumulation of leaves and litter can obstruct storm drains, stopping proper water drainage, which can result in flooding streets and properties.
2. **POOR WATER QUALITY:** As water travels through piles of leaves, phosphorus rapidly leaches out, leading to phosphorus-enriched water flowing into our waterways. This contributes to algae blooms, causing the water to turn green and emit unpleasant odors while simultaneously reducing oxygen levels. This negatively impacts the plants and wildlife dependent on this water. Similarly, litter breaking down in the water releases harmful contaminants, which also can have adverse effects.

**REMEMBER LITTER TRAVELS,
BUT IT CAN STOP WITH YOU!**

Your recyclables need to be spotless before going into your recycling cart.

RECYCLING

NO, they do not!
Recyclables should be dry and empty before placing them in your recycling cart. Just a quick rinse is all you need.

SUPER!

Graffiti is art.

LITTER

FALSE! Graffiti is considered vandalism. It damages property, negatively impacts neighborhoods and can make public areas appear unsafe. Report it when you see it!

HOUSEHOLD

HAZARDOUS WASTE

Middlesex County sponsors HHW Drop Off Events for county residents every year. These events allow all Middlesex County residents to drop off and properly dispose of hazardous materials.

Accepted materials:

- * Aerosol Cans * Lighter Fluid
- * Antifreeze * Gas/Oil Mix
- * Rechargeable & button cell.
- * Car Batteries
- * Pesticides/Herbicides * Gasoline
- * Latex Paints
- * Photographic Chemicals
- * Pool Chemicals * Propane Tanks
- * Oil-based Paint * Drain Cleaners
- * Thermometers * Paint Thinners
- * Driveway Sealer
- * Used Motor Oil
- * Mercury Containing Items
- * Thermostats * Stains * Varnishes
- * Fluorescent Light Bulbs
- * Fire Extinguishers * Flares.

WHAT ITEMS CAN BE RECYCLED IN YOUR BLUE CURBSIDE CART

PLEASE
DO NOT BAG
YOUR
RECYCLABLES!

NO,
PLASTIC BAGS!

CARDBOARD & PAPER
CEREAL BOXES,
NEWSPAPERS,
MAGAZINES,
MAIL, JUNK MAIL, &
FLATTENED CARDBOARD

PLASTIC
KITCHEN, LAUNDRY,
BATH:
BOTTLES &
CONTAINERS

GLASS
BOTTLES
& JARS

CANS
ALUMINUM
&
STEEL

CARTONS
FOOD & BEVERAGE

PLEASE
RINSE YOUR
CONTAINERS BEFORE
RECYCLING THEM

I can't donate clothes if they are
really worn out.

YES, you can.
Many reuse and donation centers
accept these clothes. Unwearable
clothes are sent to a facility that can
wash, shred and separate them into
new fibers. These fibers are then used
to make new products.

SUPER!

It's okay to leave your spent
fishing line on the shoreline or in
the water.

NO,
most fishing lines are
non-biodegradable.
Fishing line can harm wildlife,
foul boat props, and snag
fisherman's lines. ALWAYS
dispose of it properly.
Save the turtles!

LITTER WARRIOR

We're eager to support all the
unsung Litter Warriors in our
community!

Tell us who you are, the amount
and location of the litter you've
picked up, along with a photo
showcasing the 'WARRIOR' in
action, to claim your well-deserved
'WARRIORS REWARD!'
a Litter Clean-Up Kit.

Contact: Recycling Department for more
information at
732-738-1311x3035 or email
Publicworks@twp.woodbridge.nj.us

WISHCYCLING

Wishcycling - Putting items in the recycling bin with the hopes that they will be recycled!

Go to the township website at www.twp.woodbridge.nj.us or check page 18 of the calendar for items that can go in the blue cart.

DON'T BE A VICTIM OF 'WISHCYCLING'!

Paper towels and napkins are recyclable.

MYTH

RECYCLING

FALSE,

you never recycle paper towels or napkins. These items may have food waste, germs or cleaning fluids on them. They always go into the trash!

FACT

Just toss that cigarette butt on the ground, it doesn't hurt anything.

MYTH

LITTER

YES, it does!

Throwing cigarette butts on the ground hurts the environment. They take years to decompose, leaching harmful chemicals into our soil and water. It's the number one source of litter. Don't flick that butt!

FACT

STYROFOAM*

Recycle your Styrofoam* at the Recycle Center in Keasbey! Utilizing our innovative foam densifier, we can transform it into a compacted foam material suitable for various applications, such as picture frames, crown molding, and numerous other products.

Accepted

Clean Packaging Materials From:

✓ **Television**

✓ **Appliances**

✓ **Computers**

✓ **Furniture**

✓ **Foam Coolers**

Not Accepted

✗ **Packing Peanuts**

✗ **Food Packaging**

✗ **Color Styrofoam***

✗ **Packaging with Tape or Labels**

For additional details, visit:

<http://twp.woodbridge.nj.us/1016/Styrofoam-Recycling-Program>

Do Not put *Styrofoam in your blue Recycling Cart.

*Styrofoam is a trademark brand of Expanded Polystyrene (EPS) owned and manufactured by the DOW Chemical Company.

9am – noon
at
Public Works**

**SHREDDED PAPER?
BRING IT TO THE
RECYCLING
CENTER IN KEASBEY
WHERE IT CAN BE
RECYCLED.**

Recycling does not make
economic sense.

MYTH

RECYCLING

FACT

YES, it does.

Recycling facilities create
green jobs and bring money
into the economy. It saves
space in the landfills for
non-recyclable materials.

Picking up litter is just a
waste of time.

MYTH

LITTER

FACT

FALSE!

Litter cleanups make a big
difference in a community.
If an area is kept 'clean & litter
free' it is more likely to stay that
way. Litter left on the ground
attracts more litter.

NATIONAL PUBLIC LANDS DAY (NPLD)

NPLD was founded in 1994 by
the National Environmental
Education Foundation (NEEF),
this event takes place every year
on the fourth Saturday
in September. Thousands of
volunteers nationwide
gather to help restore and
enhance public lands.

JOIN THE MOVEMENT!

Be a part of it right here in
Woodbridge on
September 27, 2025,
as we celebrate
National Public Lands Day.
Discover ways to get involved
by visiting our website at
www.twp.woodbridge.nj.us.
Your participation makes a
positive impact!

MULCH YOUR LEAVES

Make the most of your lawn mower this autumn by utilizing it to mulch fallen leaves right where they land.

Leave the mulched leaves on your lawn, incorporate them into your garden or flower beds, or add them to your compost pile. However, if you find it necessary to bag them...

PUBLIC WORKS COMPLEX
225 SMITH STREET KEASBEY.
STARTING OCTOBER 1ST.

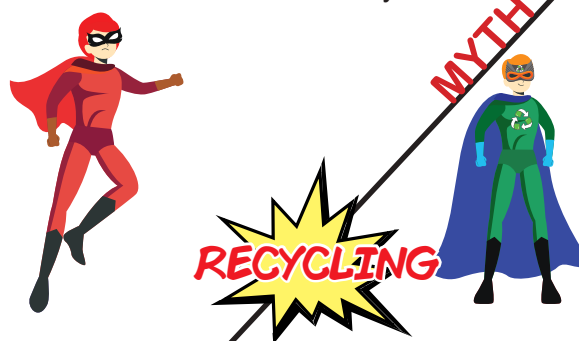

ONLY LEAVES IN BIODEGRADABLE PAPER BAGS WILL BE COLLECTED. NO PLASTIC BAGS! LEAVES PLACED IN THE STREET CAN CLOG STORM DRAINS WHICH CAN LEAD TO ROAD FLOODING.

FOR A LOOSE LEAF PICK UP, PAYMENT MUST BE MADE, AND A PICK UP DATE SCHEDULED BEFORE PLACING ANY LEAVES AT THE CURB.

PLEASE CONTACT THE ROAD DEPARTMENT AT 732-738-1311 x 3044 FOR PAYMENT AND PICK UP INFORMATION.

FAILURE TO COMPLY MAY RESULT IN FINES.

Paint cannot be recycled.

YES,
paint can be recycled. By recycling paint we conserve resources and reduce waste. One company, over the course of 25 years has recycled 1.5 billion pounds of paint.

It's okay to let your car's motor oil or antifreeze go down the storm drain.

FALSE!
Never let motor oil or antifreeze go down a storm drain. Storm drains lead directly to our waterways. One quart of motor oil can pollute over 1 million gallons of water.

COOKING OIL

NEVER put grease or cooking oil down the sink, even if you follow it with hot water or soap.

INSTEAD recycle your used cooking oil at the Recycling Center in Keasbey!

**PACKAGE UP YOUR
COOKING OIL
WITH CARE,
RECYCLE IT AND
SHOW THE
EARTH YOU CARE**

HOW TO RECYCLE COOKING OIL

- *Carefully pour cooled cooking oil into a large sturdy plastic or wax coated container.
- *Cap the container and store it in a cool, safe location.
- *Don't mix the contents with any other liquids or products
- *Once the container is full, bring it to the Recycling Center in Keasbey.

The recycling symbol on a product means you can recycle it.

MYTH

RECYCLING

FALSE!

The recycling symbol is often used on materials that are not widely recyclable. To see if an item is recyclable in Woodbridge check with Recycle Coach or our recycling calendar.

FACT

Spitting gum on the ground or sticking it onto something isn't littering.

MYTH

LITTER

FALSE!

Gum is largely made up of synthetic materials which do not break down easily. It also contains micro plastics that are harmful to the environment.

Gum is the second most littered item.

FACT

AMERICA RECYCLES DAY

Every November 15th, millions of people across the United States take part in **AMERICA RECYCLES DAY!** This day raises awareness about recycling.

How we recycle and reuse products is important to all of us.

CHECK THE TOWNSHIP WEBSITE AT

www.twp.woodbridge.nj.us to see where we will be on November 15th, as we explore the world of recycling through interactive displays, crafts, and raffles.

No matter what your age, you'll walk away with a better understanding of how important it is to recycle and how to do it the right way!

Unforeseen closures may occur
due to staffing or maintenance.

For more information or to
confirm hours please call
732-738-1311 x3035

No one wants my old stuff.

RECYCLING

YES, we do!

Our ReUse Center at the
Recycling Center in Keasbey
welcomes used, new, or any item
that can be repurposed. Please, no
clothing, upholstered items or oversized
furniture. Give us a call Recycling
732-738-1311 x3035.

FACT

MYTH

You don't have to pick up after
your dog. It's harmless
and it will
just decompose.

LITTER

FALSE!

Dog waste takes a long time
to break down. It contains
parasites and harmful
bacteria that can contaminate
the soil and our waterways.

FACT

MYTH

MAKE YOUR HOLIDAYS GREEN!

1. Make it easy for guests to
recycle bottles and cans – put a
recycling bin next to the trash can!
2. When you're done unwrapping
your gifts, empty and break down
the boxes and put them in your
recycling cart.
3. Paper gift wrap and tissue paper
can be recycled, but NOT paper
that has glitter or foil on it.
4. Use reusable dishes,
glassware, silverware, and
napkins for holiday entertaining
rather than disposable items.

Holiday lights **DO NOT** belong in
recycling carts.

Stringy decorations like holiday
lights create a problem inside
recycling facilities.

These 'tangles' can jam the sorting
machines causing the
line to shut down for repairs.

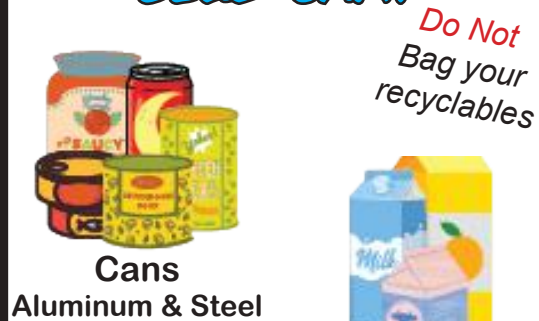

*Happy
Holidays*

New Year's Resolutions
are hard to keep

SUPER!

It's hard to think of a realistic
New Year's Resolution

SNOW PLOWING

Throughout the winter months,
prioritizing the safety of
Woodbridge Township residents
remains a paramount focus for
the Department of
Public Works.

As a rule, arterial and primary roads
are plowed and salted as a first
priority. Once these roads are
cleared, the plowing and salting
begins on all other roads.

Residents can help by:

1. When snow is predicted, remove
all vehicles from streets until plowing
is complete.
2. DO NOT shovel snow into the
street.
3. Please remember that when the
plow goes by, snow will be
deposited on your driveway apron,
so do not shovel your driveway apron
until plowing operations are
complete.
4. Play it safe! Do not drive unless
it absolutely necessary.

POW

Street Index:

How to use your street index:

1. Find the boxes with your town listed at the top. Please check all boxes. Towns are not in order and some boxes share multiple towns.
2. Once you've located your town boxes, check each box until you find your street listed.
3. Once you have found your street look at the top of the box to locate your RD and Zone number. Your special pick up days will be listed on your calendar by your RD and Zone number. Your special pick up days can also be found on the right hand side of the box.

A space has been provided at the bottom of each month of your calendar for you to write down your RD and Zone number

Know Your Flood Hazard: Protect Yourself and Your Property from Flooding

Protect Our Natural Floodplains

Only rain goes down the storm drain. The ability for storm drain systems to function correctly directly relates to minimizing flood inundation, potential damage sustained during strong rain events, and the reduction of non-point source pollution into our waterways. To learn more about the beneficial functions of natural waterways and floodplains...check out the Township floodplain management webpage: <https://www.twp.woodbridge.nj.us/635/Floodplain-Management>. Let's keep our waterways and floodplains clean and pristine. Report illegal dumping! Call: 1-877-WARN DEP and/or Woodbridge Twp Division of Engineering: 732-602-6057.

Know Your Flood Hazard

Woodbridge Township has areas of special flood hazards located in the AE, A, Coastal A, and VE zones. You can locate Special Flood Hazard Areas in your neighborhood by looking at the Flood Insurance Rate Maps (FIRM) at FEMA's Map Service Center or on the Township's floodplain management website, via the Woodbridge Township Interactive Flood Viewer which shows both the 2010 Effective FIRM and 2014 Preliminary FIRM, or by visiting our FEMA Flood Zones link on the Township's floodplain management webpage. Woodbridge Township contains areas of tidal and fluvial flooding. Never drive down flooded roadways. For your safety, our web pages have links to real-time tide gauge data. The Township of Woodbridge participates in the Middlesex County Hazard Mitigation Plan. The plan is designed to help identify local weaknesses and assess ways to potentially combat those issues. Thus, the overall outcome of the plan's development is to reduce devastating effects of future storm events and other natural hazards. The plan is available to view on the Township's floodplain management website. Please note that the Woodbridge Township Flood Viewer should only be used as a reference. For further flood zone clarification or to request a free flood zone designation letter for your property, please contact Thomas C. Flynn, M.P.A., CFM in the Woodbridge Township Division of Engineering.

Protect Yourself/Property from Flood Hazards

This information has been developed to help minimize risk within floodplains, and in order to reduce the amount of flood damage sustained during future flood events. Some areas of Woodbridge Township have been historically susceptible to flooding, and as a result it's important to know how to prepare for, respond to, and recover from a potential flood event. This information along with many other helpful flood preparedness and recovery tools can be found on the Township's floodplain management website: <https://www.twp.woodbridge.nj.us/635/Floodplain-Management>.

Build Responsibly

If you are in the market to potentially purchase property, you should examine any possibility of a flood hazard BEFORE YOU BUY & BEFORE YOU BUILD, and the need to have flood insurance to protect yourselves and your property. Historic flood risk may not be the same risk you face today or in the future. By rebuilding higher or to a more resilient standard, you can reduce-or avoid- future flood loss and reduce the impact on your finances. The Township recognizes The New Jersey State Flood Hazard Area (FHA) Control Act Rules, N.J.A.C. 7:13. Please note that in situations where the base flood elevation (BFE) denotes a more protective delineation, the State of New Jersey is using the information as the basis for statewide floodplain development standards. To learn more about the types of N.J. Flood Hazard Area Permit Authorizations, visit our Floodplain Management website and to view the Township's Municipal Flood Damage Prevention Ordinance, including Chapter 22 of the General Ordinance and the Township's Open Space Conservation & Resilience Zone Ordinance (OSC/R Zone).

Carry Flood Insurance

Federal law requires that a Flood Insurance Policy be obtained as a condition of a federally backed mortgage or loan that is secured by the structure located in an area of special flood hazard, as per the Effective Flood Insurance Rate Map (FIRM) delineation. Although some areas susceptible to flood risk do not require the purchase of flood insurance, it is recommended in order to best minimize financial vulnerability during a potential flood event. It's important to carry flood insurance even if you are not federally required to do so. According to FEMA, a structure located in a Special Flood Hazard Area has a 26% annual chance of experiencing a 1% annual exceedance probability flood (100-year flood event) over the course of a 30 year mortgage. A property not in a Special Flood Hazard Area (SFHA) may be damaged by a flood greater than that predicted on a flood study, such as a FIRM or state delineation. According to FEMA nearly 25% of all National Flood Insurance Program flood insurance claims come from policy holders outside of federally mapped Special Flood Hazard Areas. Learn more about how the Township's FEMA Community Rating System Program can help to potentially reduce your flood insurance premiums through the NFIP, even for structures mapped outside the SFHA.

FEMA COMMUNITY RATING SYSTEM – WHAT YOU NEED TO KNOW

The Woodbridge Township Division of Engineering, in conjunction with the Federal Emergency Management Agency (FEMA), implements the Community Rating System. For detailed FEMA Flood Insurance Rate Map (FIRM) determinations based on a street address which delineate floodways, limits of wave action, state protected natural areas, NOAA sea-level-rise data, historical extents of flood inundation, and flood depths contact the Woodbridge Township Division of Engineering for assistance: 732-602-6057. In addition, the Township offers flood protection assistance information in order to help property owners reduce vulnerability from flood related hazards. Flood-proofing techniques vary in size, scale and scope in relation to specific flood hazard conditions and the use of the structure. Some retrofitting alternatives might include elevating the structure, constructing engineered flood walls and protecting utilities from flood vulnerability. This service is intended to help provide one-on-one assistance to property owners in order to evaluate potential flood protection options. This service is not intended to function as means by which to offer design, engineering, or construction project support. Interested parties should contact the Division of Engineering in order to arrange for a consultation. Be sure to obtain all necessary permits before construction. NOTE: Consultation is based on the available "Flood Insurance Rate Maps(s)" of the municipality. This consultation does not imply that the referenced property will or will not be free from flooding or damage. A property may be damaged by a flood greater than that predicted on the FIRM or from a local drainage problem not shown on the map. This consultation does not create liability on the part of the municipality, or any officer, or employee thereof, for any damage that results from reliance on consultation determinations.

If you have questions about flood insurance policies or for detailed FEMA Flood Insurance Rate Map (FIRM) determination based on a street address contact the Woodbridge Township Division of Engineering for personal assistance: 732-602-6057

Tips to be better prepared for potential flooding events

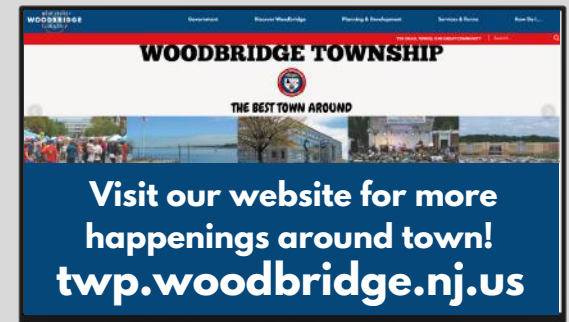

- *Be aware of alternative evacuation routes from your neighborhood.
- *Gather supplies that you might need during a flood event, such as: a "go-bag" battery-powered radio, emergency kit, etc.
- *Plan for how you will care for your pets.
- *Create a plan. Visit www.redcross.org to learn more about developing ways to be better prepared.
- *Avoid downed power lines that could pose a serious life-threatening hazard. Report these issues to utility companies immediately.
- *The Township conducts stream channel inspections annually and in relation to strong storm events. If you have a conveyance concern, you may call the Division of Engineering at: 732.602.6057.
- *Generators should never be operated inside your home or garage.

Steer Clear of Flooded Roads

- *Never drive on flooded roads - almost half of flood deaths happen in vehicles
- *6 inches of water is enough to cause you to lose control of your vehicle
- *If you encounter flood waters on a roadway Turn Around, Don't Drown.

Be on the lookout for these Major Township Events!
