CHRISTMAS VILLAGE AT FIKARDOU 2022

November 26, 2022 - January 15, 2023

Media Sponsorship

This year during the holidays, the most picturesque village invites us to discover the magic of Christmas with every step we take in its narrow streets!

Fikardou in collaboration with the Deputy Ministry of Tourism and the six communities, also known as Machairochoria (Fikardou, Lazania, Kambi, Agios Epiphанийos, Farmakas, Gourri), put capes on and they take us back to the middle ages!

A fairy-tale scene with lights unfolds before the eyes of the visitors with jugglers, stilt walkers and swordsmen who take them on a magical journey! There will be fire shows, workshops, beautiful handicrafts and many other activities.
