OVER THIRTY FIVE YEARS OF INNOVATIONS

Since her successful invention of the **Original Junk Drawer Organizer®** in 1990 over 35 years ago, Deveen Joy McNally has been driven to move beyond that first drawer to products that thoughtfully solve every-day problems throughout the home. Now madesmart® creates complete collections that beautifully organize for a cohesive, timelessly designed space. All products feature premium design that encompasses Deveen's **core values of quality, function, style, and affordability.**

Madesmart®! Let's Get Organized!

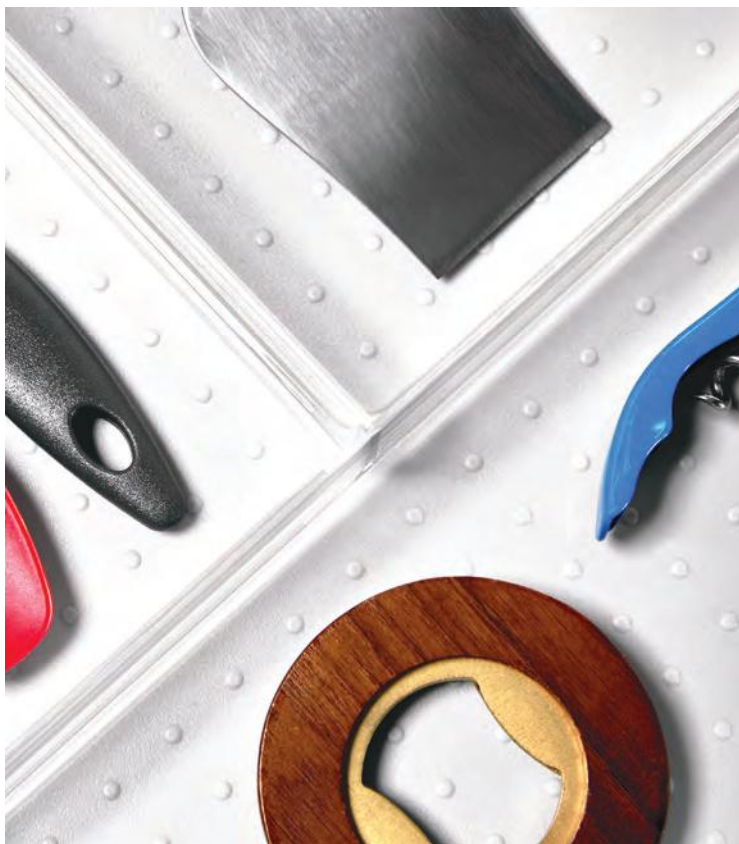

I'm not inspired by what
has already been done.
I am inspired by what
needs to be done.

I want to spend the rest
of my life solving those
everyday problems that
are unseen but felt.

Deveen Joy McNally,
Founder and CEO
