camp!

CLC 2025 Theme

"...be thou an example
of the believers, in word, in
deed, in conversation, in charity,
in spirit, in faith, in purity."

I Timothy 4:12 (be)

A Place of Growth, Healing, and Lifelong Blessings

Crystal Lake Camps is more than just a summer experience—it's a place where young people grow in confidence, overcome fear, and deepen their trust in God. Through supportive community, engaging activities, and daily spiritual nourishment, campers discover their God-given strength and abilities. The impact lasts far beyond their time at camp, shaping their lives with lessons of love, resilience, and faith. One camper beautifully shared how CLC became a place of healing, courage, and spiritual growth:

As a minor traveling overseas alone for the first time to attend Crystal Lake Camps, I felt a mix of emotions. Fear crept in—I was far from my family in a foreign country. But growing up in Christian Science Sunday School, I had learned that God is always with me, that I am never alone, and that fear is nothing but a false belief.

During the flight, I prayed, read the Bible Lesson, and found comfort in hymns from the Christian Science Hymnal, including I Walk with Love Along the Way and Shepherd, Show Me How to Go. When I arrived, I felt God's presence, and my fear completely disappeared.

Each day at camp, we read the week's Bible Lesson, which became my spiritual nourishment. I applied what I learned in every activity, which gave me the opportunity to discover my God-given talents, make new friends, and have so much fun with everyone. There were moments of doubt during some activities—thinking, "Oh, I can't do this" or "I can't do that"—but through the encouraging words of everyone around me, I realized there was no truth in fear. I filled my thoughts with God's qualities that give confidence and strength, which gave me the courage to participate and enjoy all the activities set before us to learn and grow from.

Lots of healing took place at CLC, especially during our overnights. I lost my balance on a hike, tripped on a rock, and fell hard twice. But by knowing the truth, I was set free from the belief in pain. I also knew that divine Love was always guiding and protecting me every step of the way.

Crystal Lake Camps is where many joyful memories, healings, and learnings took place. Most importantly, my growth in the study and practice of Christian Science has deepened. I took all these wonderful experiences with me as I traveled back home with God. I pray to join summer camp again in the future, according to God's perfect plan for unfoldment.

At Crystal Lake Camps, lives are changed. Campers arrive with uncertainty but leave with confidence, healing, and a deeper understanding of God's presence. They build unshakable trust in divine Love, discover their God-given strengths, and form lasting bonds with a global family.

This life-transforming experience is only possible because of generous supporters like you. Your gift provides a nurturing, spiritual environment where campers grow, heal, and thrive.

Will you help make this possible for more children?

Give today and be part of this unfolding good.

At Crystal Lake Camps, we believe that camp is more than just a summer experience. It's a place where young people are nurtured in faith, learn to live their beliefs, and develop into compassionate leaders. The lessons they learn in faith, kindness, and community stay with them long after they leave.
