

The Hidden Palace

The Hidden Palace Pool

The Hidden Palace features a private Olympic-sized swimming pool spanning 144 square meters, surrounded by dense tropical foliage and offering a tranquil escape in complete seclusion. Designed for both leisure and relaxation, the pool provides a serene setting with natural jungle sounds and uninterrupted views, ideal for swimming, sunbathing, or quiet reflection in nature.

The Hidden Palace Lounge

A refined 126-square-meter venue designed for private events and bespoke weddings, combining tropical sophistication with timeless Balinese design. Surrounded by lush jungle views, it features artisanal details and an intimate atmosphere—perfect for elegant gatherings.

*Alongside the main suite, The Hidden Palace includes three extra rooms for your entourage, ensuring everyone in your party enjoys a private and comfortable stay.

The Hidden Palace

Presidential Suite

The 200-square-meter Presidential Suite is a private retreat that combines homey comfort with natural beauty. Nestled on the resort's lower level, it offers sweeping views of the jungle, Ayung River, and pool. Expansive balconies invite you to unwind, while the suite exudes refined tranquility.
