God Jul

We've all waited for a year for this holiday to arrive.

There will be renewed celebration together with friends & family with all the traditions and treats.

A Christmas greeting comes in many forms.

Sometimes it is "God Jul" or "Hyvää Joulua" or "Merry Christmas".

Sometimes it is a present of a baked treat from a recipe that has been shared for generations. Sometimes it is a present chosen because it is just right for someone special on your gift list.

GLUTEN-FREE SCANDINAVIAN TREATS

By Phyllis E. Johnson

Gluten-Free Scandinavian Treats provides recipes for a variety of cakes, cookies, desserts, quick breads and lefse from Norway, Sweden, Denmark, and Iceland. Both everyday recipes and recipes for special occasions are included. All recipes can be made with off-the-shelf commercial gluten-free flours. No mixing your own gluten-free flour for every recipe. Multiple tests of each recipe with different brands of flour showed that not every brand of gluten-free flour works in every recipe. Recipes are annotated when a particular brand of flour is a problem for that recipe. The book includes a table comparing the ingredients of an array of commercial gluten-free flours so that bakers can easily compare them. This is especially helpful if there are ingredients besides gluten that need to be avoided. **5103.** \$24.99 Softcover
