# About us

Sarthak Foods is a trusted name in the spice manufacturing industry, established in 2020 with a clear vision to deliver purity, quality, and authentic taste in every product. Under our popular brand Shree Raj Masale, we are dedicated to bringing the rich and traditional flavors of India to kitchens across the country. Our commitment is not just to sell spices, but to create memorable culinary experiences.

With over 5 years of experience in spice processing and food manufacturing, we understand the importance of freshness, hygiene, and consistency. Our spices are carefully sourced from reliable farmers and trusted suppliers who follow ethical and sustainable farming practices. We ensure that only premium quality raw materials are selected for production.

At Sarthak Foods, every spice goes through a strict quality control process. From cleaning and grinding to blending and packaging, each step is handled with advanced technology and high hygiene standards. Our state-of-the-art manufacturing unit ensures that the natural aroma, color, and flavor of the spices are preserved, delivering unmatched taste and freshness to our customers.

Customer satisfaction is at the heart of everything we do. We continuously work towards innovation, maintaining quality standards, and expanding our product range to meet the evolving needs of modern kitchens. With a strong focus on trust, integrity, and excellence, Sarthak Foods aims to become a leading brand in the spice industry.
