**CLAY CRAFT**  
FINE TABLEWARE  
·INDIA·

The Wishing Chair started in 2012 when we, Viv and Ami, transitioned from our respective careers to create a home decor brand that offers whimsical & thoughtful products, crafted in India with a global aesthetic. Our mission is to inspire everyone around us to infuse their homes with charm, colour, and joyfulness.

Named after our favourite Enid Blyton book, The Wishing Chair embodies magical adventures, playful creativity, and finding joy and enchantment in the everyday.

Magique x Clay Craft

We're thrilled to introduce Magique, a sister brand of The Wishing Chair alongside Clay Craft, in an exciting new collaboration that brings beautiful, vintage-inspired, accessible designs to a discerning, design-savvy audience.

Magique x Clay Craft seeks to offer functional homeware that makes it effortless for everyone to create a timeless space that is as unique as they are.
