# ABOUT US

Mrunayuh Industries With Brand name “ VVISBA” is engaged in the Home DÉCOR Segment. Brand Designs one of its kind Laser cut range in MS with powder- coated products, along with handcrafted festive Décor, giveaways for special occasion and with customization Weddings rituals Décors.

Alongside this, VVISBA also offers handcrafted festive décor items that bring charm and vibrancy to every celebration. Their festive range includes thoughtfully designed pieces that showcase traditional elements with a creative twist. These items are ideal for both personal use and as giveaways for special occasions, like festivals, anniversaries, housewarmings, or corporate events.

What truly sets VVISBA apart is its attention to customization — the brand specializes in creating tailor-made décor elements especially suited for wedding rituals and ceremonies. From elegant centerpieces to thematic decorations, VVISBA ensures that every wedding is adorned with unique, memorable elements that align with the customer’s personal taste and cultural preferences.

Through its innovative product range and customer-focused approach, Mrunayuh Industries, under the VVISBA brand, continues to make a significant mark in the premium home and festive décor market.
