THE CAIRN!

The Zorra Caledonians have carefully considered options for the iconic cairn located at the North Embro Cemetery. The cairn, built in 1939, is dedicated to the 1893 World's Fair Tug of War champion team, and remains a local, national & international symbol of honour & pride in Zorra's impact on the sport. For several years the Caledonians have received financial support from the community for cairn restoration & we are excited to announce that after a careful search into repair options, the work will proceed this spring! Anyone interested in contributing to this work is encouraged to send your donation via e-transfer to events@embrohighlandgames.ca or mail a cheque to Zorra Caledonian Society PO Box 258, Embro, N0J 1J0. Four quotes for the work were sourced and the cost will be \$ 9,000, taxes in! Any support is welcome as we honour the men who put Zorra - a community considered the birthplace of tug-of-war - on the map.

INGERSOLL DISTRICT NATURE CLUB

BIRDING AT HODGES POND Sat, May 16.

Please join us 9am in the Ingersoll Municipal Parking lot behind the arena to carpool to Hodges Pond at 504918 Old Stage Rd Woodstock N4S 7V8 or meet us there. Hodges Pond is a former mill-pond that has been transformed through the hard work of a local project team & volunteers. The ecological enhancement started with removal of the dam in 2016 followed by construction of several wetland cells, in-stream habitat improvements, planting of thousands of trees & installation of several wildlife nest structures. This loop trail provides for an easy walk through prime wetland with ample opportunity to view migrating & resident birds. This project is an ongoing partnership between Ducks Unlimited Canada, Oxford County, Stewardship Oxford, UTRCA and the MNR. The Ingersoll District Nature Club has several extremely knowledgeable birders who would be more than willing to share their expertise with anyone who joins our outing. This is an excellent opportunity for beginners & experts to enjoy the great outdoors and hone their skills! For more information contact Sheila 519-485-2645 or www.ingersollnatureclub.com

UTRCA CONTRIBUTES TO 30X30

The Upper Thames River Conservation Authority (UTRCA), in collaboration with Ontario Nature, is proud to announce the contribution of 855.76 hectares of natural areas & provincially significant swamp land towards Canada's target of protecting & conserving 30% of our lands & waters by 2030, known commonly as the 30x30 target. The partnership with Ontario Nature facilitated an assessment of UTRCA lands, determining that 16 properties will be registered under the Protected Areas designation in the Canadian Protected and Conserved Areas Database. This marks a significant step towards halting & reversing biodiversity loss in the Upper Thames River watershed. Notable areas include Harrington Conservation Area (CA), Dorchester CA, and Embro CA. Each of these areas consist of mixed woodland and coniferous plantations centred around a small dam and pond. "Protecting these lands through long-term conservation measures supports habitat for species at risk, reduces the impacts of flood events, and provides recreational opportunities" said Brandon Williamson, Land Management Coordinator, UTRCA. The full list of properties includes: W.L Dickson Arboretum, Beachville Tract, Cade Tract, Dorchester CA, Dorchester Mill Pond, Downey Tract, Embro CA, Fish Creek CA, Gads Hill North and South, Golspie Swamp, Harrington CA, Ivey Tract, Kintore Swamp, Lowthian Flats, Shakespeare CA, and Westminster (Dingman). This initiative has helped us further reach our vision of partnering to protect and promote a healthy environment and resilient communities.

FROM CONVERSATION TO ACTION:

Oxford Community Foundation Celebrates Grants, New Funds, and a Bold Look at Housing. Join us for our Community Impact Celebration Mon, June 1, 4-6pm at the Clubhouse at the Tillsonburg Soccer Club, 275 Quarter Town Line, Tillsonburg. This evening is a celebration of new funds created dedicated to supporting our most vulnerable residents, strengthening community & investing in our youth. We'll also celebrate \$255,000 in grants awarded to 38 local charities supporting arts, culture & heritage, to health & wellness, education, the environment, and social services. And the centrepiece of the evening is a panel discussion we believe is particularly timely for our community: Housing & Homelessness. The panel will feature voices you'll want to hear, including a community organization & builder who didn't just talk about the housing crisis — they did something about it. They built homes for families on the waitlist and, in the process, opened doors for young people looking to build careers in the skilled trades. It's the kind of story that reminds us what's possible when people in this room decide to act. The panel will also include a local expert sharing what's happening right here in Oxford County and what we can accomplish together. This is an open invitation to everyone in our community. We would be honoured to have you join us. Register now at www.oxfordcommunityfoundation.org.

KNOX UNITED CHURCH, EMBRO on Kincardine St.

Sometimes it seems that the movies and TV give churches a bad rap. They picture quiet, nicely dressed members sitting in the pews, dutifully listening to the minister/pastor/priest delivering a long, mind-numbing sermon OR there are images of a loud mass choir singing & swaying to some grand old hymn with the members raising their arms in unison. It's not that either of these is wrong, it's just that THIS IS NOT KNOX UNITED EMBRO! Our Sunday morning services at 10:30am run one hour max. Our minister, Rev Susan Cole, leads a worship hour that includes thoughtful prayer, a mix of old & contemporary hymns led by a small choir & pianist, reading of the Scriptures & a reflection or message that offers hope & grace to those in attendance. It is a message that helps us grapple with the many challenges of living in our modern times. It is a reflection on the spiritual life as exemplified by the life & teaching of Jesus Christ. And as for those members in the pews? They are in casual clothing, even jeans & shorts. They are your neighbours from the village & areas around Zorra. They are friendly and share in a community of believers. They are positive & upbeat, not fearful or downtrodden. They are just like you and if you would like to join us, remember it is 10:30am on Sundays, where nothing looks like a movie or TV "church"!

May is the TFC Spring Outing. It will take place Wed, May 27. This is the time we go together on an adventure & eat out – maybe somewhere we have not been before. Please arrive by 9:50am. We start out at 10am from the Thamesford Library Parking lot. We join up in vehicles to drive to the adventure destination as planned. All drivers are voluntary. Then together we go to the restaurant where we dine & pay our own way. Maybe your car mates want to venture on their own after that but we are usually back by 2.30pm in Thamesford. We will need to reserve our spot at the restaurant & know how many vehicles we need. Please let us know you want to join with us by May 20, call Helen 519-285-2024 or Shirley 519-285-2938. If you need assistance let us know. Maybe we can help. The Friendship club invites Seniors 55 Plus - new or old from Thamesford and surrounding areas.

JERUSALEM ARTICHOKE & SUN CHOKES

.... Are the same thing, produce bright yellow flowers reminiscent of small sunflowers and, are a forgotten vegetable. Not long ago Bryan Smith was given some & offered them up to guests and friends. Most did not know what they were. It was like a replay of the conversations he'd had about kohlrabi and daikon radishes. All good, edible, tasty, vegetables which have fallen from favour. This means that they are often available free or cheaply, and are on the cusp of being the next thing chefs and famous cooks rave about. In times of economic hardship, it is wise to find & try a broad range of foods, often because they are low-cost, and certainly because they are delicious. What other discoveries can you put on your plate while the prices soar at the grocery store?

WHAT DO TEARS MEAN?

When you see teens crying at an airport, you know they are having a deeply personal experience. One even said he was aware that it was less his story & more who he'd become that was important, at the end of 9-week exchanges with ISE-Ontario. Moving 39 adolescents through 2 large airports should be a complicated task, but thanks to planning & preparation by ISE, International Student Exchanges, students had been gathered from all over France & Germany, for their return to their homes. Tears? Of course, parting is such sweet sorrow. The prospect of reuniting with family could provoke tears too. For more information about the extraordinary impact that exchanges to any of ISE's 6 European destinations, track down a recent participant in your school, contact bryasmit@oxford.net and/or visit www.iseontario.on.ca.

OXFORD STEWARDSHIP AWARD WINNER:

Middle Grand Chapter of Freshwater Conservation Canada

Oxford County Warden Marcus Ryan presented the 2025 Oxford Stewardship Award to the Middle Grand Chapter of Freshwater Conservation Canada, honoring their contributions to land improvement & sustainability. The Middle Grand Chapter of Freshwater Conservation Canada, a passionate volunteer group, unites behind a vision to renew & protect the health and biodiversity of cold-water tributaries along the Middle Grand River. Over the past 3 years, the Middle Grand chapter has planted over 2,000 trees along a stretch of Horner's Creek in Oxford County, between 8th and 10th Concession, just outside of Bright. The group pursues a simple goal: healthier water. Cool, flowing water equals healthy water. By planting trees, they create a buffer around the stream, reduce runoff & sediment, and, as the trees mature, provide shade that helps keep water temperatures down. With support from the Oxford Clean Water Program, the group furthered these efforts by organizing a community planting event at a farm property along Horner's Creek last spring, where 250 potted & bareroot trees were added. The chapter collaborated closely with the Grand River Conservation Authority, Enbridge, and local landowners, who provided access to their properties to assist with tree planting and the implementation of this project. Oxford County is honouring this year's Oxford Stewardship Award recipient with a \$500 gift certificate to purchase original artwork commissioned from an Oxford County artist of their choice OR an experience at a local destination featured through Tour Oxford. In addition to this prize, the Middle Grand Chapter has been added to the recognition wall at the Oxford County Administration Building, designed to honour all past and future recipients of the Oxford Stewardship Award. The winner of the Oxford Stewardship Award is chosen by representatives of local stewardship organizations, with Marinda Gras, Soil & Crop Improvement Association, and Cher Sprague, Stewardship Oxford, leading the judging process.

THAMESFORD LIONS CLUB

The Thamesford Lions Club has been active this spring with a number of successful events & ongoing community service. On Apr 18, we held our bi-annual scrap metal & electronics drop-off at the Thamesford Recreation Centre. We extend sincere thanks to everyone who contributed, with a final total to be shared soon. On Apr 25, we proudly celebrated our 65th Charter Night, an evening that featured music by RJ Conspiracies, a meal from Village Catered Deli, and recognition of several deserving members. In early May, Lions members completed our annual roadside clean-up across Oxford County, helping to keep our community clean & welcoming. Looking ahead, we will be hosting children's races during the May 16-18 Tropi-Cali weekend, participating in the parade, and holding our popular Trout Brunch. Trout Brunch tickets are available through Lion Jack Broadfoot, and full details can be found on our website. Non-perishable food items collected during the parade support local food programs. On June 6, we will be barbecuing at Embro Family Pharmacy 11-2pm in support of the Embro Dog Park. For updates & information, please follow the Embro Dog Park Facebook page or Township channels. On June 20, we invite the community to Lions South Park for our annual car show & barbecue, featuring both a morning breakfast and a lunch BBQ. Finally, mark your calendars for Aug 22 and join us at Lions South Park for our 65th Celebration in the Park. This is a free event, and all are welcome to enjoy music, free hot dogs, and children's activities.

TWO EXCITING MILESTONES...

...welcoming our first refugee family & one year of food security and helping the environment through the EcoMarket & Café! First of all, thank you to the many people from our community who offered furniture, housewares, donation or time, talent & gift cards to make a home for our Refugee Family – you've helped make it all possible! After 4 years in the planning & fundraising stage, it's been a whirlwind of recent activity – hearing from the family on Good Friday that they'd be coming Apr 23, receiving official notice of that on the Tuesday after Easter, but the search for accommodations already started on Easter Monday. After over a week of looking, applications not being chosen by landlords, expanding our search radius, raising our budget, etc., we were lucky enough to find a beautiful four-year-old 4 bedroom house in the White Oaks area of London (a predominantly Arab-speaking area with lots of community supports & easy access to shopping and public transportation.) Just sitting outside the house, wondering if it was even worth trying as it was above our price point, it happened that the landlord was there and, as it turns out, was himself a refugee from Kosovo in 1999! His eyes filled with tears as he recounted the work his sponsors had done to give his family a home away from the war they'd fled, so he wanted to pay it forward, offering a month's free rent (putting it back in our price range,) allowing us in early to set up the house & welcome the family without interim accommodations, and left some furniture and a TV and other household items. As I write this, volunteers are in cleaning the house & setting up the kitchen – tomorrow is moving day with all the big items we've been collecting & storing being moved in and set up – the next day will be the final touches & picking the family up from the airport in Toronto in the evening to come home and make their start in Canada. The Hammouda's are a family of 5 – a single mother (her first husband died in the war & her second husband abandoned them,) and her 4 children – an adult female who has completed her first degree & hopes to do Pre-Med at Western, an adult male, a teenage girl, and a seven-year-old girl. After having fled the war in Syria in 2022, spending 4 years in Lebanon in one room, enduring the recent bombing there, and now finally getting their clearance to come to Canada, it is a new start for all of them! Again, thank you for your help towards this cause & for all your prayers for the family. AND, of course, May 1 will mark the first anniversary of the EcoMarket & Café – our weekly event offering food for everyone. It is not just a handout, but a hand up, as well as diverting good food from being wasted or even eventually making it to landfills – it really is for everyone! There are tables set up to enjoy a coffee & goodies as well, adding to the community atmosphere, along with the background music and the friendliest volunteers you've ever met (we're often told so by our patrons!) And, we now have a Community Cupboard to store food between & have available for emergencies between Markets. And we've been able to expand to provide meat, eggs, milk & cheese every other week when pre-ordered – all because of donations from our community! So that's a major community event happening every Thursday (even Christmas Day & New Year's Day this past year) for a whole year & no signs of stopping! Many thanks to everyone contributing – we couldn't do it without you. Recently, someone said, "Westminster has always supported missions – now we're really doing them, and that's a major shift." We hope it's a shift you've noticed, or may even want to become a part of – let us know & we'll be happy to help find the best fit for you, especially if you have time to give to the Market, or especially helping the Hammouda's learn about life in Canada. You never know when taking the leap might lead to something better than you'd ever thought possible – that's certainly been the case for us with both these projects.
