United States Marine Corps Wounded Warrior Regiment

About the Regiment

Established in 2007, the Marine Corps Wounded Warrior Regiment is the official command charged by the Commandant of the Marine Corps to provide leadership and facilitate the integration of non-medical and medical care to combat and non-combat wounded, ill, and injured Marines, Sailors attached to Marine units, and their family members in order to maximize their recovery as they return to duty or transition to civilian life. The regimental headquarters, located in Quantico, VA, oversees the operations of two wounded warrior battalions located at Camp Pendleton, CA, and Camp Lejeune, NC, as well as multiple detachments in locations around the globe.

About the Air Force & Marine Corps Trials

The 2025 Air Force & Marine Corps trials (AFMCT) are a Paralympic-style competitive event featuring sports adapted to the individual capabilities of the wounded warrior athletes. Each athlete is competing to earn one of 40 Primary slots on their service team to go on and represent their individual branches at the 2025 Department of Defense Warrior Games.

The 2025 AFMCT is an evaluation of performance in both individual and team sports. Athletes from the Air & Space Forces, Marines, and Army as well as international partners from the UK and the Republic of Georgia are participating this year. They are competing in 11 different adaptive sports competition (Powerlifting, Cycling, Swimming, Archery, Rowing, Track, Field, Shooting, Wheelchair Basketball, Sitting Volleyball, and Wheelchair Rugby).
