*Piano Ballads 1*

# PREFACE BY VILLY KLEPPE

I'm excited to share Piano Ballads I, a special collection of five heartfelt ballads that hold deep meaning for me.

These songs are drawn from my Rock the World and Bluebird albums—each carrying its own story of emotion, reflection and raw authenticity.

Music has always been my way of expressing what words alone cannot, and I hope these ballads resonate with you in a way that feels personal and meaningful.
