

Welcome to

West Byfleet Infant School

We
Belong
Inspire
Succeed

“West Byfleet Infant School is a vibrant and nurturing community. Pupils are highly enthusiastic about coming to their welcoming school.”

OFSTED, February 2023

We Belong, Inspire, Succeed

Our school is more than just a place of learning – it is a community where everyone is respected, included, and supported.

We strive to create a warm, welcoming environment where relationships are built on trust, open communication, and mutual respect.

By working in partnership, we can provide children with the consistency, encouragement, and shared values they need to thrive. Together, we celebrate successes, overcome challenges, and create a positive, united foundation for every child’s future.

‘Teachers who love to teach... children who love to learn’

At West Byfleet Infant school, we have designed our curriculum with pupils' learning at the centre. We recognise that a curriculum has to be broad, balanced and offer pupils opportunities to grow as individuals as well as learners.

We encourage children to develop their knowledge and interests by exploring and explaining their understanding to develop successful discussion and effective communication.

Through a combination of learning approaches, we aim to ensure pupils enjoy learning and feel prepared for life after school. We recognise that pupils should be challenged in their schooling; learning from mistakes, feeling inspired to develop ideas, asking questions and celebrating successes.

ALWAYS LEARNING

EXCELLENT OPPORTUNITIES

West Byfleet Infant School offers an abundance of outdoor space to explore, inviting classroom environments and a wide variety of after school enrichment activities.

We have strong local links within the community and enjoy taking children on local area visits to immerse and engage with others in the world around us.

As a school we pride ourselves on parent partnership and involving everyone in the learning journey, our doors are always open with a calendar full of experiences to enjoy alongside your child.

TOGETHER WE GROW

Our pupils are encouraged to develop their personal skills and sense of responsibility through a range of leadership and community roles.

As **Playground Friends**, children help to foster a happy and inclusive playtime environment.

Reading Champions promote a love of literature by supporting and inspiring younger readers.

Through participation in the **School Council**, pupils gain valuable experience in leadership and decision-making, ensuring that their voices contribute meaningfully to school life.

Our dedicated **Eco Team** empowers children to take an active role in promoting sustainability and caring for the environment.

These opportunities not only enhance learning but also nurture confidence, resilience, and a strong sense of belonging.

We place children's well-being at the centre of school life.

Our dedicated **Pastoral Support Team** works with pupils and families to provide care and guidance, while our welcoming **Nurture Room** offers a calm space to build confidence and emotional resilience.

We are proud to hold the Young Carers 'Angel Award'. The award recognizes the excellent practice around identifying and supporting children and celebrates a culture of acceptance and understanding of all.

Rooted in our core values, these supports ensure every child feels safe, included and ready to learn.

“There are high levels of care and pastoral support in place for every pupil. As a result, pupils feel safe and are thriving”

OFSTED, February 2023

SMALL STEPS, BIG ADVENTURES

“WBIS is a wonderful school with an amazing team of staff who genuinely care and always put children at the heart of everything they do”

Parent Survey, May 2025

We are proud to be an inclusive school where the individuality of each pupil is celebrated and their unique needs are carefully supported.

Our highly skilled and dedicated staff work closely with children to ensure that learning is accessible, challenging and rewarding at every level.

Through tailored support, a nurturing environment and high expectations, we empower all pupils to flourish both academically and personally.

A PLACE FOR EVERYONE

WELLBEING

At our Infant School, we believe that emotional wellbeing is the foundation for every child's success and happiness. We are deeply committed to nurturing a safe, inclusive, and joyful environment where every child feels valued, supported, and ready to thrive.

Our thoughtfully designed spaces reflect this ethos. The Den offers a calm, sensory-rich retreat where children can self-regulate, reflect, or simply enjoy a moment of peace. The Nest provides a nurturing space for small group work and emotional support, fostering connection and resilience. Outdoors, our Outdoor Classrooms invite children to explore nature, collaborate, and learn through play—promoting physical health, creativity, and a deep sense of wellbeing.

Together, these spaces create a school where wellbeing is not just a priority—it's a way of life.

A SNEAK PEEK...

At West Byfleet Infant School, learning is an active, engaging experience.

We believe young children learn best through practical, hands-on activities that spark curiosity and build confidence. Our classrooms are vibrant, interactive spaces where children explore, investigate, and discover through play and purposeful learning.

“I love coming – I get to play, make things, and see my friends!”

Pupil Voice, 2025

Our **Before and After School Club** provides a fun, safe and stimulating environment where children can relax, play and take part in exciting, interactive activities with friends.

From creative arts and crafts to team games and quiet spaces for reading, there is something for everyone to enjoy.

To support working families even further, we also offer a popular **Holiday Club** which runs when school is closed, ensuring children continue to have engaging and enjoyable experiences all year round.

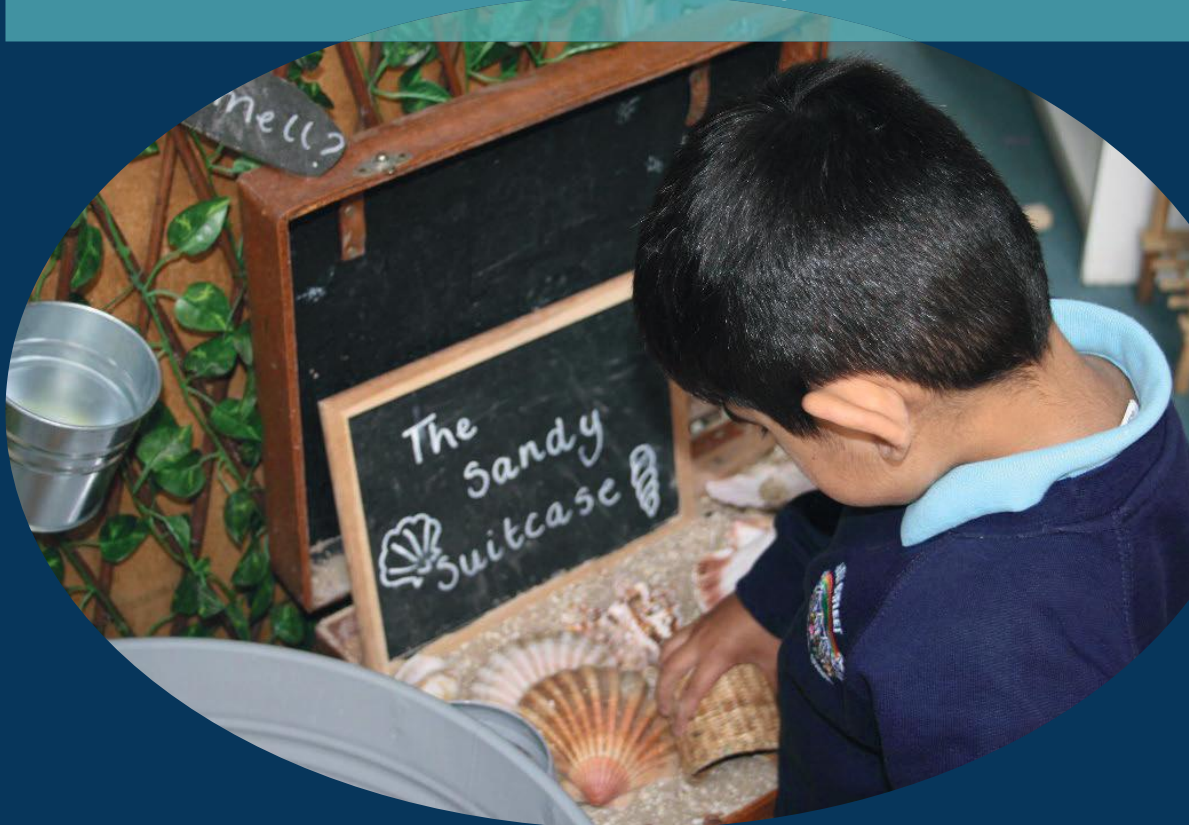

COMMUNITY

JOIN US

We warmly invite you to come and see our school in action! There is no better way to experience the heart of our community than by walking through our classrooms, seeing the children engaged in their learning, and witnessing the positive and warm relationships that underpin everything we do.

A visit will give you a real sense of the values we love by, the high standards we uphold, and the joy, curiosity and care that fill our school building every day.

The West Byfleet Infant School PFA are an invaluable part of our community. Their dedication, creativity, and hard work help fundraise, organise events, and enrich school life, providing extra opportunities for our pupils.

So many events throughout the year from disco's, to bake sales, Quiz nights to Elfridges...they bring the fun!

Beyond this, they bring families together and make a lasting impact on our school community.

We look forward to hearing from you:
