Rural Antique Trail for Farm to Table & Mercantile Friends

# LOCAL SOURCING FOR RURAL GEORGIA

The RURAL ANTIQUE TRAIL highlights local antique PURVEYORS & MERCANTILES.

***Enjoy the Love Living Rural ANTIQUE TRAIL Directory & MERCANTILE***

**Guide...**the Farm to Table Local Sourcing Directory you've been waiting for...**like an invaluable word-of-mouth referral, but with more info.** Shop in brick and mortars on the Rural Antique Trail & also fill your cart conveniently online.

Find the collections you value most in local rural antique shops, mercantiles, galleries and artisan shops with crafted goods.

Farm to Table centers around a "local foods system" producing foods locally... but even more broadly, the support system includes:

- *Locally-Owned Service providers*
- *Makers of handmade artisan goods*
- *Patrons & friends of local owners*
- *Producers you might find at your favorite farmers market*

Shopping around an agrarian local foods system, promotes a vibrant rural economy, returning more of the purchase price back to the rural community where we mutually live, work & play. Share foundations of farmers, artisans & locally owned purveyors. Serve Georgia grown year 'round, *as close to nature as possible.*

The image shows the exterior of a two-story brick building housing a bookstore. The upper story has three arched windows with decorative masonry. A sign above the entrance reads "BOOK STORE" with a small logo in the center. Below the sign, there are two dark blue awnings. The left awning says "BOOKS BOOKS GALLERY COFFEE" and the right one says "BOOKS BOOKS GALLERY COFFEE". The entrance is a large glass door. To the right of the entrance, there is a small outdoor seating area with white metal chairs and a table. In the foreground, there are large, vibrant pink flowers. The sky is blue with some clouds.

Children and Young adults will enjoy our terrific selection; parents will appreciate our half-price children's books! We do not give credit for children's books--we sell them for extremely low prices so we can encourage children to read.
