# WHAT'S HOT

Want to know where the locals go and what they do? Well, here's some of their favourite things to see and do, and not so secret haunts anymore. Great experiences await, but plan wisely, a couple of days may not be enough – food, wine, beer, gin, coast, nature, shopping and arts – enough said!

## Things to do

### ROUTE 31 COASTAL DRIVE

Meander along 31 kilometers of pristine coastline, it's dotted with welcoming coastal villages and spectacular sandy beaches. Around every corner is another memorable moment to capture - crystal blue water, white sandy beach and breathtaking ochre-coloured cliffs. A fantastic way to experience the coast.

There's also a great little café overlooking the runway to take in all the action too.

### SUP DOWN SOUTH

#### Port Willunga

One of the best ways to capture some of the most spectacular coastline the region has to offer is on a stand-up paddle board. SUP Down South has you covered with paddle board hire and lessons. Using techniques passed down from generations, dressed with sugo made with the family's hands and topped with South Australian produce, it's a must do! Book early, as this is always a sell out! Make sure you leave room for dessert – tiramisu, cannoli, gelato and don't forget to try the Limoncello, made with lemons from Nonna Anna's backyard – a crowd favourite! Hot tip – they also do weekend breakfast, a spectacular way to start the day.

Willunga Farmers Market

## WILLUNGA FARMERS MARKET

### Willunga

When it comes to farmers markets, this is one of the best, as well as South Australia's first. Meet the grower and taste the region every Saturday showcasing over 70 local producers, but be early, as this is also a local favourite. To start, grab a delicious breakfast snack from one of the stallholders and wander the market, just as the locals do. Tip - don't forget to bring your reusable bags.

# THE PROVIDORE'S PANTRY

McLaren Vale and Fleurieu Coast has long embraced a paddock to plate ethos, where growers share the passion for their produce which is celebrated through the seasonal driven menus at restaurants and cafes across the region, as well as pickled, preserved and ready to take home.

Willunga Farmers Market

## WILLUNGA FARMERS MARKET

### Willunga

Every Saturday at the open-air market, meet the grower and taste the region. Over 70 small producers from across the region showcase their range of fresh fruit & vegetables; dairy, meat, seafood, poultry; bakery, condiments, small goods; wine, cider, gin and plants. Grab a coffee with breakfast and find a table where you'll likely get chatting to a local. A great way to spend a morning, sharing in the region's passion for produce.

## OUR PLACE 'ANDY CLAPPIS BREAD'

### Willunga

Andy is somewhat of a bread legend in the region, and you have not lived until you've shared a loaf of Andy's finest, handcrafted from a cross-culture of yeast and his own 30-year-old 'mother'. His bread, pizza bases and pita's feature at many magnificent wineries and restaurants around the region. So, where can you get your hands on Andy's bread? It's delivered hot out of the oven to the local Ampol service station in Willunga and the Willunga General Store on Wednesday and Saturday mornings, as well as the occasional pop-up stall at the Willunga Farmers Market. It doesn't last long – be quick!

## THE ORGANIC STORE

### McLaren Vale

Specialising in organic fruit and vegetables, bulk foods as well as gluten free and vegan foods. Their peanut butter is ground fresh in store and have laid claim to the world's best organic tahini. Our Place 'Andy Clappis Bread'

Coriole

## Harvests from kitchen gardens

Inspired by the variety of produce grown across the region, restaurants have also harnessed this energy and created their own kitchen gardens with Salopian Inn and Coriole leading the way.

### CORIOLE

From Coriole's estate gardens and farm they are growing diverse, rare and heirloom organic vegetable varieties, found on their restaurant's menu throughout the seasons. Food miles are important to Coriole, as is producing their own compost and commitment to sustainability.

### SALOPIAN INN

Not far from the restaurant, their market garden spans an acre and inspires Salopian Inn's menu. In the height of summer, the garden can provide up to 70% of the restaurant's produce. Mustard greens and coriander are some of the best growers, with other herbs, edible flowers, chillies and perennials like artichokes growing well too. Their secret? Making their own compost, aided by the chickens as well as the restaurants food scraps.

### OZTALIA

#### McLaren Vale

Home grown and hands on, celebrating their Italian ancestors pioneering spirit. A few local pantry staples found here, especially the thick handmade Sugo and extra virgin olive oil to dress and finish dishes or best enjoyed with crusty bread and a pinch of sea salt. But be quick these don't last long. The chilli oil and shiraz vinegar are also great pantry additions, as well as the preserved eggplant or green tomatoes in olive oil (of course). Chilli honey is a favourite along with the limoncello liqueur which starts with lemons from Nonna Anna's backyard. Browse the range at Pizzateca or Cucina di Strada in McLaren Vale.

### CORIOLE

#### McLaren Vale

Whilst famous for their wine and restaurant, Coriole's olive oil and olives are a specialty. Featuring early harvest table oil and quality extra virgin oil to bring out the best in cooking and salads. The aged sweet vinegar spends a minimum of five years in old oak which is amazing in salad dressings and adds flavour, depth and sweetness to dishes. For something a little lighter, their verjuice is a great option too.

# GRENACHE YOUR WAY

**McLaren Vale is one of the best Grenache growing regions in the world. There's a lot to love here; from fresh, elegant examples to the bold and the beautiful. The region is highly regarded for brightness, crunchy fruit and freshness. Here's ten top drops to try.**

## **Serafino 2022 Reserve Grenache**

As accolades go, few rival Serafino's stunner. Among them are top gold, the trophy for Best Grenache of the Show, and winner of the 2023 James Halliday Grenache Challenge. It's a bona fide ripper.

## **Chalk Hill Wines 2022 Alpha Crucis Old Vine Grenache**

This beauty was awarded 'Best Grenache' at the prestigious 2024 National Wine Show of Australia thanks to stunning handpicked fruit from (nearly) 90-year-old Blewitt Springs bush vines. It's fresh and floral with lashings of cherry and earthy, spicy goodness.

## **Yangarra Ovitelli Grenache**

This acclaimed vineyard estate team, led by winemaker Pete Fraser, produces some of the finest Grenache in Australia. The 2022 Ovitelli Grenache is a must-try, made from a selection of Yangarra's best old vine (1946) fruit. It is fermented in a large ceramic egg. Take a bow, Pete.

## **Richard Hamilton 'Burton's Vineyard' Old Vine Grenache**

Is named after Richard Hamilton's late father Burton Hamilton, a viticulturist in South Australia for his entire working life and a major part of McLaren Vale's history. The site, selection, and wine are an expression of McLaren Vale terroir and fitting tribute to Burton's pioneering spirit. It's beautifully fragrant and well balanced.

## **Samson Tall 2022 McLaren Vale Grenache**

This small but beautiful brand honours McLaren Vale history and the precious patch of land on which they make wine. This smooth, loveable drop is something to be proud of and a dinner party winner.

## **Wirra Wirra Farmer's Heart Grenache**

This iconic brand has plenty of Grenache to choose from, among them the Farmer's Heart which is homage to the late Greg Trott who fought long and hard for the protection of McLaren Vale as agricultural land. Or, go for the gorgeous Flower Vineyard Grenache which buzzes with energy.

## **Kay Brothers Griffon's Key Reserve Grenache**

Another star on the Grenache landscape. The 2021 Griffon's Key Grenache boasts fruit from the Amery vineyard and oozes with rose petal, cherry, violet and dried herb aromas and a medley of rich red berries across the palate. Bravo.

**Main & Cherry  
McLaren Vale Grenache**

Winemaker Michael Sexton won gold in the James Halliday 2021 Grenache Challenge for his fresh, bright Grenache nous. The 2023 Grenache comprises early handpicked fruit from the ancient sandy soil at the iconic Brini vineyard in Blewitt Springs. It was partly fermented in locally made terracotta pots, basket pressed and matured in seasoned French oak.

**Angove Warboys  
Vineyard Grenache**

Angove’s spectacular cellar door and function facility opened on the Warboys Vineyard in 2011. It is one of the family’s beloved certified organic and biodynamic sites and the outstanding 2021 Warboys Vineyard Grenache exudes vibrance and joyful floral, dark cherry, wild thyme and red berry moments. It’s oh so silky.

**Hugo Wines 2023  
Grenache**

The Hugo Wines cellar door overlooks the bush vines planted by Will Hugo’s grandparents Colin and Gwendoline in 1951. The handpicked grapes made their way into the fifth-generation family’s 2023 Grenache. The result is a bright, perfumed drop with just the right amount of complexity.

**In the words of James Halliday AM...**  
 “I’m a long-time and unabashed lover of all things Grenache. If I must give one reason, it is the exquisite perfume the wine has, which reaches a high point in McLaren Vale. It’s an ambassador for Australia because, outside of the Rhône Valley, no other region can match what Australia offers.”

# FANTASTIC FORTIFIED

Dig a little deeper and there's a world of fortified wine to discover here. Put simply, fortified wine is a wine to which a distilled spirit such as brandy has been added. There are many styles to sip, and here are some gems.

## HORNDALE WINERY

### Happy Valley

If only walls could talk. There's deep history to be found at Horndale. The winery has produced fortifieds since it was founded in 1896 and offers everything from Aged Tawny to Cream Apera, Whiskey Barrel Port, Apera, Frontignac, Muscat, and Choc Cherry Tawny, Choc Orange Tawny, and a Coffee Tawny. You can also buy Aged Tawny in bulk. Who doesn't want five litres of liquid gold?

## KAY BROTHERS

### McLaren Vale

Prepare for a fortified immersion of the experiential kind. Kay Brothers' Fortified Tasting Experience traverses the iconic brand's Founders' Old Tawny, Grand Liqueur Muscat and Grand Liqueur Muscat. After such decadence, a moment of relaxation on the rolling lawns is necessary. Breathe deep and take in the vineyard views.

## BATTLE OF BOSWORTH WINES

### McLaren Vale

Prepare yourself to be bowled over. As varieties go, Touriga Nacional has the potential to make an opulent fortified. The Battle of Bosworth Vintage Fortified Touriga does exactly that. The red variety from Portugal has long been known for the production of vintage European ports and increasingly, dry red wines. Battle of Bosworth's Vintage Fortified Cabernet Sauvignon (with some Viognier thrown in) is a doozy.

## YANGARRA

### McLaren Vale

In exciting news, Yangarra Estate Vineyards released a 40 Year Old Tawny which was launched at the inaugural Neat Sips Festival held in McLaren Vale in August 2024. Fans of the iconic brand now have even more reason to seek out the new cellar door.

Hardys Tintara

**HARDYS TINTARA**

**McLaren Vale**

The Hardys Rare Fortified Tasting Experience allows visitors to taste four unique styles of fortified wines produced by the iconic wine brand for more than 100 years. The wines are paired with local Menz FruChocs chocolates. Definitely some flavours to savour here, and best to allow 45 minutes for the tasting experience.

**FOGGO**

**McLaren Vale**

Imagine the scene; you've laid out a cheese platter and poured a nip of bright, fresh Foggo 'Young Gun' White Fortified to go with it. Or, for a refreshing twist, over the rocks with a dash of lime to sip as the sun goes down. The fortified-loving Foggo crew also produce a rich 'Oblivion' Syrah Fortified made with Shiraz, 'The Gilded Goddess' Apera (yum), the Foggo Golden Muscat (Christmas pudding in a bottle) and a late harvest golden botrytis called Foggo's Little Sweetie. There's also 'The Quiet Achiever' Tawny made using apricots, peaches and juicy nectarines.

**BEACH ROAD WINES**

**McLaren Vale**

In addition to a dizzyingly exciting portfolio of wines, winemaker Briony Hoare also makes a small but stunning offering of fortifieds. A must try is the Beach Road Pedro Ximenez for thick, rich, scrumptious toffee, dried fig and quince flavours. Just 600 bottles are produced each year. Or, if broody dark chocolate and coffee flavours are more your thing, the Beach Road Grand Tawny is just the ticket. Pair it with a cheese platter.

**PIRRAMIMMA**

**McLaren Vale**

The Pirramimma team respects tradition and more than 130 years of family winemaking when ageing their fortified wines through a solero barrel maturation system. There's plenty to choose from at the historic winery and cellar door. The Digby Rare Old Fortified, the Geoffrey 12 Year Old Liqueur (first released in 1957, the rich Aged Tawny, the Vintage Fortified Shiraz 2018, and complex Aged White Fortified.

**HASELGROVE**

**McLaren Vale**

There's no better place to sample Haselgrove's The Old Nut Fortified than its rooftop cellar door. The rare gem is has been made from a secret blend of McLaren Vale Shiraz and Grenache since 1981. Just 1000 bottles are produced each year. It's history in a bottle and captures a moment in time.

**BERESFORD ESTATE**

**McLaren Flat**

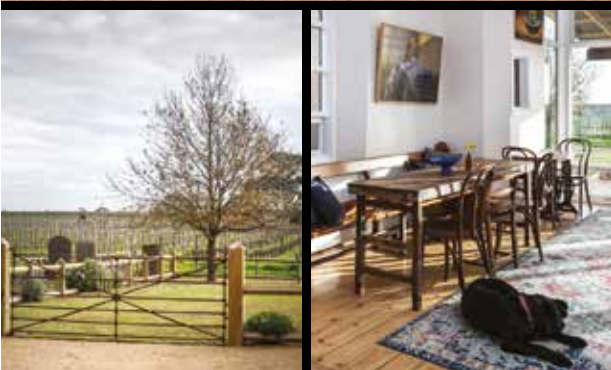

Head to the Beresford Estate Grand Pavilion to try the Galway Pipe Bourbon Barrel Tawny 10-Year Old which was named Best Wine at the prestigious Frankfurt International Trophy 2024. The Galway Pipe Grand Tawny 12 Year Old turned heads too when it received the Grand Gold award. Try them with a side of storytelling during the one-hour flight of four Galway Pipe fortified wine.

Never Never Distilling Co.

# SPIRIT OF VALE AND COAST

What do you get when you combine the spirit of collaboration, unique native botanicals, and forward-thinking producers? An exciting spirit scene.

## NEVER NEVER DISTILLING CO.

### McLaren Vale

A visit to this award-winning hilltop distillery isn't complete without taking part in the 90-minute Premium Gin Masterclass. The fully-hosted experience allows you to spend time with a Never Never gin expert (after kicking off with a welcome gin and tonic). During the tour you'll hear Never Never's back story; a tale of three mates who set out to push the boundaries of the global gin industry through flavour innovation and a bold, fearless attitude. Go behind the scenes at the production facility and savour an enlightening tasting of Never Never's core range of products (including seasonal and limited releases) and finishing with a cocktail. Every beverage is crafted with purpose - to make the best gin and tonics and classic cocktails possible. Never Never Distilling Co. has a swag of awards to prove it.

MUST TRY

The Coffee & Cacao Gin makes an exceptional Espresso Martini.

## GINNY PIG DISTILLERY

### McLaren Vale

In 2023, Ginny Pig Botanic Gin was announced 'Best Overall Gin' at the San Francisco World Spirits Awards. What a ride it's been since co-owners Bec and Craig Cooper launched their business with what is known as the Ginny Pig Hot x Bun Gin, as they kicked production off in suburbia. Their approach is small batch and traditional, using botanicals such as juniper, lemon myrtle, rosemary, Tasmanian pepper berry and elderflower. Taste their range, which also includes a Ginny Pink Gin, a Spiced Fig Gin, and a Blueberry Gin, at the McLaren Vale and Fleurieu Coast Visitor Centre. The gins are paired with garnish and tonic (or upgrade your gin flight by pairing it with local artisan cheeses), and best enjoyed on the deck overlooking lush lawns and rolling vineyards.

MUST TRY

The contemporary Ginny Pig Meridian Gin makes a refreshing G&T or stellar martini.

## SALOPIAN INN

### McLaren Vale

This iconic restaurant is adored for many reasons, gin is one of them. The Salopian Inn currently stocks over 230 different gins from around the globe and Australia, with co-owner and gin enthusiast Alex Marchetti at the helm of a delightfully intoxicating drinks menu. Expect diversity and plenty of imagination. The Salopian Inn also produces its own gin in collaboration with KI Spirits. The non-alcoholic 'cocktail' list is exceptional, too.

#### MUST TRY

**Too many to choose from but you can't go past the classic Dirty Martini or a Chocotini (chocolate gin and orange curacao) to finish.**

## OLIVER'S TARANGA

### McLaren Vale

Winemaker Corrina Wright isn't one to rest on her laurels. The McLaren Vale-based winemaker added small batch gin to the offering when the team's orchard produced an abundance of quinces and oranges. Unsurprisingly, it bursts with dried quince flavours and finishes smooth. Find it at the newly renovated Oliver's Taranga cellar door.

#### MUST TRY

**Add tonic and fresh thyme and you're good to go.**

## SOUL BIRD DISTILLING

### Willunga

The Shifty Lizard founders are a multi-talented team. A spirits range called Soul Bird is produced alongside their much-loved beer at their "brewstillery". Their experimental recipe batches and bottled products are available at Shifty Lizard, alongside laid-back vibes and an exciting menu (including fried chicken wings that regulars can't get enough of).

#### MUST TRY

**The Clover Club is a delicious mix of Soul Bird Gin, Chambord, lemon juice, and house-made raspberry syrup. Popular is an understatement.**

## NEAT SPIRITS

### McLaren Vale

The team at this boutique gin distillery and cellar door (part of Foggo Wines) takes inspiration from the landscape around it. Juicy lemons on the tree near their cottage, mulberries from a nearby farm, a friend's Kangarilla vineyard, and grapefruit and blood oranges from a heritage orchard in McLaren Vale. The small batch gins boast botanicals that grow wild around the chook house. Herbs are picked fresh from their veggie patch and sourced from local suppliers. Embark on gin and vodka tastings (including the Neat Signature Gin and Neat Tangerine Dream Gin) and cocktails every weekend.

#### MUST TRY

**Neat Mulberry Gin with soda or tonic. It's delightfully tart and rich.**

# CHEERS TO CRAFT BEER

**Not into wine? No worries. McLaren Vale and Fleurieu Coast's craft beer scene has boomed in recent years, with many venues offering family-friendly spaces to spend an afternoon.**

## SHIFTY LIZARD

### Willunga

What started as a hobby brewing beer in his shed with mates has flourished into a must-visit craft beer destination for Lee Stone. He opened the "Shifty" in 2016 with a few frothies and toasted sandwiches. Today, Shifty Lizard draws crowds for its quirky-named brews and belly-filling fare – think burgers and loaded fries. There's also kids' meals and games, and a beer garden.

## GOODIESON BREWERY

### McLaren Vale

Jeff and Mary Goodieson got a taste for craft beer while travelling Europe. Upon returning home to Australia, Jeff set out to create his own top quality brew and the rest, as they say, is history. Do try their summer seasonals, such as LemonPale and Mango NEIPA, or opt for a belly-warming stout in cooler months. Its original Session Ale remains popular but there's plenty on offer here, including a range of spirits and hard lemonade. Go check it out for yourself – there's even a mini golf course to enjoy.

As well as their rotating selection of local labels, they're serving up their own branded brews including the LandBAR Lager – a crisp, easy-drinking beer, plus the SandBAR Session Ale and SandBAR Golden Ale, brewed by South Coast Brewing.

### McLaren Vale

Matt Rechner first noticed a gap in the market for beer at cellar doors some 12 years ago, when not all his visitors were wine drinkers. Today, Ekhidna produces five beers – wheat, IPA, dark ale, 50/50 (half wheat, half ginger) and ginger. There's also a cider, restaurant dining, lawn games and soda flights for the kids.

- ◆ **Most popular:** Wheat beer

## MITOLO

### McLaren Vale

While best known for its wine and drawcard restaurants, family-run Mitolo has released its first beer, inspired by the classic lagers of Italy. The Super Italia Lager brings together the best of two worlds, blending Australian malt with European hops to create an easy drinking beer with floral aromas and crisp bitterness.

Heart of Industry

## The heart of the Vale

Dotted throughout McLaren Vale and Fleurieu Coast are over 200 public art pieces expressing and sharing the story of the region. Here's one that caught our eye.

### Heart of Industry by Trevor Wren and Danica Gacesa-McLean

Celebrating McLaren Vale as the heart of the South Australian wine industry, an impressive public artwork is fittingly located in the heart of McLaren Vale's main street.

The intrinsic design features a suspended bunch of Shiraz like grapes, which is also similar in shape to the human heart. Whilst the supports have a role to play holding the suspended grapes, they also are integral to the design, symbolising and creating a wineglass, which appears at certain angles when moving around the artwork. The supports also represent the free spirited and organic growth of grapevines, as well as their roots tapping searching for water and nutrients.

The artwork has been elevated and stands five metres tall, encouraging people to wander in and around as well as under the sculpture. **Find the best angle and share your pics #ValeandCoast.**

# A WEEKEND ADVENTURE

Just a short drive from Adelaide, McLaren Vale and Fleurieu Coast is calling you and your family for a fun-filled adventure. So, pack your bags, gather the kids (and your furry friend too if you have one!) and enjoy a getaway that will create lasting memories.

## Friday wind down

Before you check in to your accommodation for the weekend, a trip to the McLaren Vale and Fleurieu Coast Visitor Centre is a must. Packed with information and local secrets, their volunteers boast years of combined experience, so they know the best things to do.

Once you've gathered the local insights and got a great weekend plan together, head to your accommodation. Here's a few favourites:

### Moana Beach Tourist Park

Located on the doorstep of Moana Beach, the park is dog friendly at some sites and the kids will love the go-karts and bikes available for hire. The large camp kitchen is great too.

Aldinga Beach

### Christies Beach Tourist Park

Positioned on a popular surf beach, the kids will enjoy the playground, and the sea views are pretty awesome too. Gather around the barbeque at the outdoor eating area and relax watching the sun go down.

### Big4 Port Willunga Tourist Park

Unwind with a local seafood platter and wine, while the kids take a dip in the swimming pool. Mini golf, tennis courts, and other activities ensure fun for the entire family.

### McLaren Vale Motel & Apartments

Located in the heart of the wine region, it offers a variety of rooms and apartments. Kids will love the solar-heated saltwater pool and movie nights on the big screen TV.

### Coast Motel and Apartments

Offers great family friendly accommodation at Port Noarlunga South, right across from the beach. Sunrise or sunset beach walks, with or without the kids are always a winner.

### Friday night dinner sorted

Take a well-earned break and enjoy a great meal out with the family. There's plenty of options that will appease even the fussiest of tastebuds. Here's a couple of top tips.

### Vigna Bottin, Willunga

Enjoy your own little slice of Italy! Indulge in their home style shared food and wine package, designed by Chef Angelo. They also know how to warm kids hearts with homemade pasta, topped with a secret meatball recipe from Nonna's kitchen! Yes please!

### Willunga Hotel

When seeking great pub fare with the choice of local wines and gin, this place has to be on the list. The tasty kids menu and beer garden are winners here. Check out the dessert Sundaes too!

## Saturday adventures

### Willunga Wonders

Let the action begin with a day full of adventure. From produce markets to sandy feet at the beach and everything in between. Family fun is how things are done in McLaren Vale and Fleurieu Coast.

### Farmers Market

Willunga Farmers Market is always buzzing on Saturday mornings. Grab a coffee, freshly squeezed juice or kombucha, visit the stallholders and load up on local goodies for a picnic lunch later. Don't forget to treat yourself to some lavender brownies – your taste buds will thank you.

### Wander Willunga

Just up the road from the Farmer's Market is great for wandering and exploring, with boutiques, gift shops and cafes. Not far from the main street, let the kids burn off some energy at the rose garden maze, playground, skate park and BMX track.

E-biking the trails

### Wheelie good fun

Up for a little adventure? The Shiraz Trail between McLaren Vale and Willunga is a local favourite or try the Flat to Vale trail from McLaren Flat to McLaren Vale (as the name suggests!). Need to hire - E-bikes from SA eBikes at the McLaren Vale and Fleurieu Coast Visitor Centre will have you covered.

## Get sandy on Route 31 Coastal Drive

There's nothing better than a beautiful sunny day at the beach. The kids can make their own fun building sandcastles, hunting for seashells, or enjoying a friendly game of beach cricket.

### Our favourites:

Port Willunga is where you can explore the caves, take a dip or hire a stand-up paddle board, or book in a lesson with SUP Down South, it's one of the best ways to experience the crystal-clear waters of Port Willunga.

Sellicks, Aldinga, Silver Sands and Moana are all drive on beaches, so no need to carry the beach umbrella.

Aldinga, Moana, South Port, Port Noarlunga, and Christies Beach are great swimming spots, patrolled by surf lifesavers on weekends during the warmer months.

Head to Port Noarlunga reef and go snorkelling or scuba diving, cast a line from the jetty or take kayaks for a paddle.

## Wineries for all

There are some top spots in McLaren Vale, where the kids have just as much fun as the adults (or big kids), here's a couple of kid friendly options that are great:

### Fox Creek Wines

With a huge lawn area, garden kitchen and bar, Fox Creek Wines is another top spot for a family adventure. Enjoy guided wine tastings and their delicious seasonal menu. There are fun lawn games for everyone to enjoy, and live music on the weekends. Dogs are welcome here too, so no guilt needed for leaving your four-legged friend at home.

### Gemtree Wines

Offering much more than a delicious glass of certified organic, biodynamic wine, take the kids for a stroll along the Eco Trail exploring the restored native bushland and wetlands, then make use of the playground and barbecue facilities. With stunning views stretching from rolling vineyards to the sea, you won't want to leave.

Gemtree Eco Trail

## Dine like a local

Dining out when you're on holidays is one of life's little treats. Enjoy the amazing local food and wine or even a local gin, while the kids are also devouring their tasty meals!

### Mamma Carmela, Port Noarlunga

Overlooking Port Noarlunga Beach, the kids will be well catered for with all the usual kids menu suspects found here. Think nuggets, schnitzel or fish all with chips, or pizza and pasta.

### Salopian Inn, McLaren Vale

If you are a family of foodies, a dining experience at the Salopian Inn is the perfect Saturday night dinner reservation. The dumplings could well be the best you'll ever have. Enjoy a few seasonal share-plates and sip on one of the 230 local or international gins on offer. Or select a bottle or two from the historic wine cellar if celebrations are in order.

### Pizzateca, McLaren Vale

Delicious Southern Italian style pizza, made with techniques passed down from generation to generation using locally sourced South Australian ingredients. Always a local favourite.

Or why not pack a picnic dinner, head to the beach and watch the sunset, and let the kids run free (remember to keep your dog on a leash if you bring one!).

Pizzateca

## Sunday relaxation

Slow Sunday mornings are a favourite in this region, so rise and shine with a relaxed morning or maybe another walk on the beach or early morning swim.

### Playground and picnic fun!

McLaren Vale and Fleurieu Coast is a playground paradise for families. Whether it's a simple park with swings, slippery dip, things to climb, or a huge adventure playground with never-ending activities, the fun just keeps on coming!

#### Jubilee Park, Port Noarlunga

Simply a must! It has a collection of castles, forts, slippery dips, swings, and a ball game space. You can sit back and relax, while the kids burn off a lot of energy. Located on the banks of the Onkaparinga River, with plenty of seating, shelter, barbecue facilities, plus walking and cycling tracks, it makes this park a standout. Don't forget to say g'day to Geronimo to the life-size giraffe!

## Onkaparinga River National Park

Discover the stunning beauty of Onkaparinga River National Park, ideal for both casual strolls and more challenging hikes.

The Punchbowl Lookout Trail, a 2km return walk, offers breathtaking views of the gorge and valley, and is accessible to all, including those with prams or limited mobility. For seasoned hikers, the Gorge Hike provides a rewarding challenge over 6km, descending to the river and taking approximately four hours. Along the way, you might encounter native wildlife such as birds, koalas, kangaroos, possums, and occasionally, an echidna.

The park also connects with the Willunga Basin Trail. The trail covers over 130kms and creates a loop taking in wine country, historic townships and coastal landscapes. Enjoy a half day section at a time or the full trail will take five to six days. Challenging but very rewarding.

## Mount Bold Reservoir Reserve

It's claim to fame – it's the largest reservoir in South Australia and is easily accessible. Drive in and park and be treated to some spectacular natural landscapes and wildlife. There's more than 160 native animals calling Mount Bold home, including the Southern Brown Bandicoot.

For the explorers, there's 13kms of trails to wander, ranging from a short 1.4km return walk to the viewing platform or more challenging hikes that weave through a pine plantation and native vegetation, with sweeping views over the water.

## Happy Valley Reservoir

With 20kms of trails taking you along the water's edge, through pine forests, native fauna and open grassy areas, exploring Happy Valley Reservoir is a great way to switch off for few hours.

Choose to take the longest of the trail - the 11km Shoreline Loop or one of the shorter options. They all offer spectacular scenery. For the more adventurous, bring a fishing rod, kayak or mountain bike. Don't forget to pack a picnic, there's plenty of great spots to stop.

There are two main car parks, one on the western side of Berkeley Road and the other on the southern side, off the roundabout connecting Kenihans Road to Chandlers Hill Road.

## Glenthorne National Park

Located on Majors Road in O'Halloran Hill, Glenthorne National Park offers a range of short hikes with panoramic views and opportunities to relax and listen to the sounds of nature.

Back at the visitor hub there's one of the biggest nature play spaces in South Australia with three large slides, Aboriginal carvings and totems, rope and log climbing and a 25m long flying fox. There's also barbecues and picnic areas, perfect for a family day out in nature.

### Willunga to Aldinga

Explore the newly built 6km trail from Willunga to Aldinga. The trail is mostly flat, making for an easy ride between the two charming towns. From Willunga, follow the trail out of the town heading toward Aldinga. You'll follow Aldinga Road to Flower Mill Road which will bring you to Main South Road, Aldinga. From here head to the Old Coach Road Precinct for a coffee or pastry and maybe a spot of shopping. For those eager to ride a little further, continue to the turquoise waters of Port Willunga Beach

for a refreshing dip. Head back to Willunga and quench your thirst with a craft beer from Shifty Lizard.

### McLaren Vale to McLaren Flat

If riding through vineyards, spotting a kangaroo or two and stopping for a glass of wine sounds like you, then the Flat to Vale trail is a must. Beginning at the McLaren Vale Sports Complex, this trail connects to the Shiraz Trail and onto the Coast to Vines Rail Trail.

The trail is mainly an off road shared used path, where there's plenty of spots to stop for a picnic or packed lunch along the trail, or head to Foggo Road (just a short detour off the trail) where you'll find Foggo Footsteps. What's Foggo Footsteps? It's a collective of small cellar doors and includes Foggo Wines and Neat Spirits, Haselgrove Wines, Hastwell & Lightfoot, Somos Wines and The Confessional. They are all in close proximity to one another and even quicker to get to by bike!

### Shiraz Trail

The Shiraz Trail runs between McLaren Vale and Willunga, connecting with the Flat to Vale Trail, Willunga to Aldinga Trail and Coast to Vines Rail Trail. This is a relatively flat trail so you can soak in the scenery as you pass rows of vines, the odd kangaroo and some sheep grazing in the paddocks. With cellar doors located close by, there's lots of opportunities for a stop or two along the way.

### Witton Bluff Base Trail (coming soon)

The Witton Bluff Base Trail connects Port Noarlunga and Christies Beach via an elevated boardwalk over the limestone shelf. The trail follows along the base of the cliffs between the two townships offering stunning views of the ocean. The best part, there's excellent cafés at both Christies Beach and Port Noarlunga for a post exercise latte. It's anticipated that the trail will be completed in 2025.

### E-Bike hire

Hiring an e-bike is easy through SA eBikes, owned and operated by Willunga locals. Bikes can be picked up from the McLaren Vale and Fleurieu Coast Visitor Centre, Oxenberry Farm, Gemtree Wines or delivered to your accommodation.

## Keen for more two-wheel action?

# COAST WITH THE MOST

**McLaren Vale and Fleurieu Coast has 31km of white sand, turquoise water and golden cliffs to explore. The townships dotted along the coast all have a unique personality of their own which keeps visitors returning to the coast year after year.**

## CHRISTIES BEACH

Complete with a unique beachside shopping precinct in a picture-perfect coastal setting...what could be better? A walk down Beach Road is a must. Indulge in a little retail therapy, explore the collection of funky cafes and there's a raft of treasures to find in quirky shops.

At the end of Beach Road, Rotary Park is a great place for a picnic while the kids burn off some energy at the playground. The park is opposite the glistening waters

of Christies Beach. Take the boardwalk down to the sand and enjoy the spectacular cliffs as far as the eye can see.

Christies Beach is emerging as the coastal hotspot, with new small bars – Portal 58 and The LandBAR recently opening up. "Christies", as the locals call it, is eclectic, quirky and full of personality. Its vibe is laid-back beach holidays, urban grit, street fusion and coastal cool.

## PORT NOARLUNGA

Port Noarlunga is famous for its jetty, easily accessible reef, café culture, boutique shops and artsy vibe all while immersing yourself in the local delights. Enjoy looking through the boutiques and shops, enjoy a pastry, or a delicious lunch from one of the many cafes, including Mamma Carmela's where you can dig into a pizza and watch the sun set into the ocean.

Jubilee Park Adventure Playground is one of South Australia's best playgrounds – just ask the kids! Where imagination and little legs run wild, featuring a giant, multi-level wooden fortress, bridge, tunnel and all sorts of things to climb up, in, over and around.

## ALDINGA AND SURROUNDS

Head to the Old Coach Road precinct where you can easily spend a lazy afternoon at Kickback Brewing or the Aldinga Hotel, drink in hand, or for some retail therapy Miss Gladys on Sea, known for its fabulous outfits. Aldinga Central Shopping Centre is also worth a stop to stock up on the holiday or picnic lunch essentials.

Aside from the beach being stunning (think clear water with a backdrop of rolling hills), Sellicks also has a cellar door that's not to be missed. Berg Herring Wines is in a converted heritage sandstone chapel. The lush, grassed area is complete with a sea view out the front, and the giant wine barrels that have been converted into private tasting pods are a must. Enjoy a glass of wine, tasting or pick up a bottle to take back to your accommodation.

## ROUTE 31 COASTAL DRIVE

Who can't resist a drive along the coast, soaking up those beach vibes, not to mention the breathtaking scenery.

McLaren Vale and Fleurieu Coast is home to some of the most spectacular coastline in South Australia. But don't take our word for it! Explore the 31km (yes, that's where it gets its name from) and discover holiday favourites to hidden gems. This stunning stretch of coastline is a must do any time of year.

Stretching from O'Sullivan Beach to Sellicks Beach, this scenic drive winds through charming coastal towns, each offering unique experiences and stunning photo opportunities. Grab a map from the McLaren Vale and Fleurieu Coast Visitor Centre or download a copy from the website, then follow the double blue Route 31 shield signs and let the adventure begin.

Christies Beach

Here's a few top spots not to miss, whilst enjoying the scenic coastal drive:

### South Port

One of the most photographed beaches on the coast, South Port is simply stunning. It's where the Onkaparinga River meets the sea. You'll find this spot is popular with kayakers, swimmers and surfers depending on the tide and swell.

### Port Willunga

You'll think you've been transported to the Mediterranean when arriving at Port Willunga. The limestone cliffs, beach caves, sheltered coves and clear water make Port Willunga arguably the best beach on the coast, perhaps South Australia.

### Maslin Beach

Maslin's claims the title of Australia's first unclad beach. Clothing is optional at the southern end of the beach (look for the signs). It's renowned for its stunning cliffs, white sand and the clearest of clear water - and the locals want to keep it a secret.

# LIFE'S A BEACH

Make every day a beach day! Pack the sunscreen and get ready to explore one of the state's most stunning stretches of coastline.

## Fun in the sun

The region is home to pristine beaches and coastal nodes, each with their own uniqueness and seaside charm. Whether you're a keen surfer, love snorkelling or scuba diving, or simply want to stroll along and soak up the sunset on the sand, you'll be spoilt for choice. Here's the quick guide.

Aldinga Beach

### ● ALDINGA BEACH

One of the region's drive-on beaches, Aldinga's expansive beach is ideal for families on the sand. Fish and chips, picnic rugs, sun shades and sand castles - this beach was made for family fun. When the tide is out, the rock pools at Aldinga are stacks of fun for little ones, too. You can spy starfish, crabs and sometimes even a little gummy shark in the shallows.

### ● CHRISTIES BEACH

A popular surf beach, Christies is ideal for water activities, or a great seaside walk to Port Noarlunga. It's also a hit with snorkelers, the Witton Bluff reef a stunning example of the underwater diversity in the region. Make time for a stop-off at the Christies Beach Surf Life Saving Club, one of the most active in the area. If the doors are open, head in for a drink with the locals.

### ● MOANA BEACH

Moana is a great spot for kids and families with a nice beach break, with the local caravan park providing direct access to the beach. Known for its accessibility for beginner surfers, particularly if you're keen to get up and surf the breaks, as it is all sand bottomed and no rocks to worry about. With a superb cliff-top walkway leading down to the beach, the vistas here are stunning.

### O'SULLIVAN BEACH

One of the best kept secrets, boasting some of the most stunning coastal views. It's also a boaties paradise, with excellent boat launching facilities (permit required) including a boat wash bay and trailer parking. It's also a popular beach for pets and people alike. O'Sullivan Beach is one of only a few beaches allowing dogs off-leash, noting they must be under effective control.

O'Sullivan Beach

## Best swimming beaches

McLaren Vale and Fleurieu Coast is home to some of South Australia's most beautiful swimming beaches and many patrolled by lifesavers during the warmer months, keeping a watchful eye, adding that extra piece of mind when swimming.

### Aldinga and Sellicks 🇦🇺

A stunning long and expansive beach ideal for families. Swim in the shallows as this beach has a slow and steady depth incline. When the tide is out, the rock pools at Aldinga are great fun for little ones too.

### Christies Beach 🇦🇺

Looking for something a little quieter to find the coastal serenity? Christies Beach is it. The Witton Reef off the coast slows the sea down, sending smaller waves to the sandy beach.

### Port Willunga

An aquatic paradise, where the Onkaparinga River meets the sea. It's also home to Port Noarlunga Reef, which acts as a natural breakwater, calming the waves to lap onto the beach. It's the ideal spot for a family swim, being calm and sheltered.

### South Port 🇦🇺

The pristine blue water is perfect for safe swimming. In summer, the river current carries swimmers beneath the stunning sandstone cliffs until they are gently pushed back by the waves.

## MASLIN BEACH

The state's iconic nudist beach, Maslin's is a great one for the bucket list. While the southern end of the beach is reserved for nudist swimmers, the remainder of the beach is dog-friendly and perfect for a dip, the rugged red cliffs a stunning contrast to the crisp blue waters. Maslin Beach is spectacular at sunset, with the sun's rays bringing a natural glow, further accentuating the gorgeous colours as far as the eye can see.

## PORT NOARLUNGA BEACH

Port Noarlunga is an aquatic paradise. Drop a line off the jetty, or take a swim in the pristine waters, with the white sand just a hop from the town centre. Grab a bite for breakfast or lunch and head down for a day of family fun. The reef towards the end of the jetty is a perfect spot to catch a glimpse of local sea life, forming part of Encounter Marine Park.

**PORT WILLUNGA**

One of the region’s most photographed beaches, Port Willunga is known for its golden cliff faces, crystal clear waters and soft white sands. Stroll through the linear park and up the cliffs to continue along the Heysen Trail, or stick to the beach and check out the famous old jetty and fishermen’s caves, carved into the cliffs. Because the beach almost forms a cove, the swell is safe for little swimmers, and ideal for paddle boarding and kayaking.

**SEAFORD BEACH**

Known as one of the top surfing beaches in the area, it’s a regular hot-spot for locals. Seaford is also popular with kite-boarders and wind-surfers too. On a sunny day, it’s a beautiful spot to swim, and there’s a number of cafes and restaurants in Seaford township nearby when you need to feed the sea air driven hunger.

**SOUTH PORT BEACH**

Where the river meets the sea, this is one of the most photographed areas of the region. A culmination of red sandstone cliffs, the aqua-toned river, pristine blue ocean and the twinkling lights of the Esplanade homes. Sunrise and sunset here is a must at the lookout located at the top of the main staircase. Home to many aquatic activities - swimming, surf lessons, kayak or paddle board hire offering an opportunity to explore the Onkaparinga River.

**Best dog beaches**

**Christies Beach**

Christies Beach is ideal to take your best mate for a walk. Choose to wander along the golden sand, or if sandy paws aren’t their thing, follow the footpath that runs along the Esplanade.

**Aldinga Beach**

Looking for a long stretch of golden sand that’s easy to walk on? Head to Aldinga Beach. This beach is perfect for letting dogs run free, without the calf workout of deep sand beaches. Cars are permitted on part of the beach so keep an eye out.

**O’Sullivan Beach**

Seeking a less populated beach, but equally stunning, head to O’Sullivan Beach. There’s usually plenty of room for your pooch to get sandy.

**SELICKS BEACH**

Often called ‘the funnel’ by locals, Sellicks is ideal for wind-loving adrenalin junkies. Think kite-boarding, wind-surfing and paragliding - if you’ve got the gear, this is the place to do it. It’s also a top spot for fishing and home to a popular beach launching boat ramp. Swimming and walking are also stunning, with the southern-most point of the region providing an epic coastline view stretching further down the Fleurieu coast.

## Surf's up

When living in a place like McLaren Vale and Fleurieu Coast, surfing is part of the lifestyle here and saltwater runs through the veins of the locals. So much so that the Mid Coast was named as a Surf Reserve in 2016, recognising the importance and value surfing has to the area.

Here's a few top surfing spots to try:

### Christies Beach 🇺🇸

Try Y Steps for a fun right-hander beach break that is fast and hollow at times.

### South Port Beach 🇺🇸

Great for learners due to the number of breaks and the sandy bottom and popular with the surf schools.

### Seaford

One of the most well-known and popular breaks, The Bowl is a reef break that produces excellent waves, particularly when the southwest winds are up.

### Moana 🇺🇸

Moana Beach is great for those learning to surf, or for the more experienced when the surf's pumping.

If you're keen to get a hang of surfing while visiting, you'll need to know the local lingo.

Triggs... is just south of the river mouth - it's the next break around the bend. It's called Triggs because there's a trig point - a large marine identification marker.

Y-steps... is at Christies Beach, taking its name from the steps descending to the beach.

The hump.... is reliably good for surfing, located at South Port. It's named the hump due to its shape, curving around the sandy coastline near the river mouth.

The bowl... is at Seaford and produces long right-hand waves with 3 sections. It has a bowl section on the inside and nicknamed 'The Bowl'.

## SURFERS' CODE

### DON'T "DROP IN"

Give way to the surfer furthest inside (closest to the peak) or who has been waiting the longest

### SURF WITHIN YOUR ABILITY

If in doubt, don't paddle out paddle "wide" on the way out so you don't impede other surfers' rides.

### STAY IN THE WHITEWATER

If a breaking wave is approaching you as you paddle out, and there's a surfer on the wave.

### NEVER THROW YOUR BOARD

Where it might hit other surfers.

### COMMUNICATE WITH OTHER SURFERS

When you're planning to take a wave.

## Best snorkelling

**Life on the coast looks amazing already but put your head under water and there's a whole new world to discover.**

### Port Noarlunga Reef Sanctuary Zone

Port Noarlunga Reef is one of the most popular snorkelling spots in South Australia and for good reason. The reef is easily accessible from the jetty and is home to more than 200 species of marine plants and animals and more than 50 species of fish. There's also an underwater trail to follow with information about the reef.

### Star of Greece Wreck, Port Willunga

The Star of Greece wrecked off Port Willunga in 1888, approximately 600m along the beach from the car park and around 120m from the shoreline. The wreck sits in roughly four metres of water and on low tide the top of the mast can be seen. On a calm and clear day snorkelers will be treated to an array of colourful fish and plant life.

## Best stand-up paddle boarding

### Sellicks Beach

Pack up your paddleboard and head to the crystal-clear turquoise water. Sellicks! Sellicks is a drive on beach meaning no carrying SUP's down to the beach.

### Port Willunga 🇦🇺

Typically, very well protected, Port Willunga, is ideal for paddle boarding. Don't have your own board? SUP Down South will sort you out with a hire board. During summer SUP Down South also offer SUP Yoga, keep an eye out on their socials for more details.

### Port Noarlunga

A paddle around Port Noarlunga on a summer's day is pure bliss. Think crystal clear water, a reef to explore and an abundance of cafés close by for that post SUP coffee.

Sellicks Beach

## Enjoy the drive beachside

Don't want to carry your gear down to the beach? Go to one of four drive on beaches! This is a unique experience which also comes with responsibilities to ensure everyone can enjoy the beach safely.

### Sellicks Beach

Stunning is the word that best describes Sellicks Beach. From the crystal-clear water, rolling hills and red cliffs, it's a

beach not to be missed. This beach is perfect for the keen photographer, particularly just before sunset when the light changes, casting a glow on the hills and cliffs.

### Silver Sands

The perfect beach for a long beach walk, a dip or a game of beach cricket. Silver Sands Beach Club located just off the sand is the place to go if you're hungry. During Summer keep an eye out for Pizzateca Beach with their pop-up pizzeria.

### Aldinga Beach

Aldinga Beach is probably one of the most popular drive-on beaches. It's a great spot to drop a line and try for some fish or skip the fishing part and enjoy takeaway fish and chips while watching the sun set into the ocean.

### Moana Beach

Pack the boogie boards, beach umbrella and sunscreen and you'll be set for the day at Moana Beach. Usually there's some fun waves to catch and just off the beach you can grab a coffee or a delicious meal. The walk along the Esplanade from Moana to South Port is also stunning.
