GREAT STUFF™ Product Line Extension

- GreatStuff™ Mission: “Anything worth doing, is worth doing great.” This mission extends to new product line extensions.
- Great Stuff™ product line extensions will offer best-in-category performance with a brand name that Pro’s and DIY’ers know and trust.

Category Expansion Spray Adhesives & Flexible Sealants

Great Stuff™ is expanding beyond insulating spray foam. The brand commitment to delivering differentiated value to PROs and DIYers remains unchanged.

Kevlar fibers under
magnification

Great Stuff™ Flexible Sealants and Spray Adhesives are differentiated with the addition of Kevlar®, which delivers long-lasting and strong bonding strength.

Strength & Durability

Kevlar is extremely strong and does not corrode or degrade, making it ideal for applications needing long-lasting protection.

Cut & Heat Resistance

Highly resistant to abrasion & heat - great choice for applications exposed to extreme conditions.

Chemical Resistance

Resistant to wide range of chemicals, making it ideal for applications needing to withstand harsh chemical environments.

Extreme Seal Flexible Rubber Sealant

Extreme Seal is the ultimate flexible rubber sealant engineered with the professional in mind. Formulated with Kevlar®, Extreme Seal is designed to withstand extreme conditions and provide long-lasting durable seals. Use to fix roof leaks, seal windows and doors, patch cracks in basement foundations – the list goes on. Extreme Seal is resistant to UV rays, stays where sprayed for less drip & mess, and is paintable after curing. Extreme Seal works with Great Stuff foam sealant, making it an ideal complementary product. Extreme Seal is 50-state VOC compliant.

Applications:

- Gutters, Downspouts
- Skylights, Windows
- Truck Beds
- Roofing, Chimney, Flashing

Multi-Use Premium Mist Spray Adhesive

Great Stuff™ Multi-Use mist Spray Adhesive is an advanced formula built with Kevlar®. Multi-Use withstands extreme conditions and provides long-lasting & extra strength bonds. Multi-Use is repositionable before curing, and has low soak-in. The controlled spray pattern dries quickly and clear. This is the preferred adhesive for lighter-weight materials.

Applications:

- Contractor Jobs
- Fiberglass Insulation
- Woodworking
- Wallpaper Decorating
- Household Repairs
- Jobsite Plastic Film
- Fabric Adhesion
- Photos & Framing
- Hard & Porous Surfaces

Heavy-Duty Premium Web Spray Adhesive

Great Stuff™ Heavy-Duty Web Adhesive is formulated with Kevlar®. Whether working on a construction project, a home renovation, or a DIY project, Heavy-Duty adhesive is engineered to withstand extreme conditions and provide extra strength adhesion. Perfect for bonding materials such as wood, metal, ceramic, plastics and more. Its unique Kevlar® formula makes it resistant to extreme temperatures & chemicals. Superior strength and durability make it the preferred choice for heavier materials and large surface areas. Heavy-Duty Adhesive is 50-state VOC compliant and contains no Prop-65 ingredients.
