# ABOUT US

It makes us very proud to say Affordable Wipers has been in business since 2009! Affordable Wipers is much more than just a 'Rag Company'. We are proud to manufacture at our main production facility in Houston, Texas. We offer a wide range of products from economy wiping rags to premium grade cleaning materials. We make our best effort to understand our customers' needs and provide them with the products they need. We take pride in providing top-notch customer service. We offer the best prices without compromising quality.

- **WE ARE A GREEN COMPANY**

Established with the commitment to environmental stewardship, our enterprise has been dedicated to crafting both recycled and new fabric rags of exceptional quality for diverse sectors since 2009. We play a crucial role in diverting several million pounds of textile materials from landfills annually, contributing significantly to waste reduction.

- **WE SHIP FAST**

We ship same day to all over USA confirming timely deliveries. We partner with many carriers to get your orders shipped out fast and with care.
