# Welcome

**For over a decade, the Rotary Club of Seminole County Sunset has been proud to support exceptional local high school students who embody the values we hold dear: academic excellence, commitment to service, and resilience in the face of personal challenges.**

**The remarkable young people featured in these pages represent the best of our community. Each recipient has demonstrated not only strong academic performance but also a heart for service and the courage to overcome obstacles. Their stories inspire us, and their potential energizes our mission.**

**We are honored to play a part in their educational journey and excited to witness the positive impact they will undoubtedly have on our world. These scholarships are more than financial support—they are investments in our community's future and celebrations of the extraordinary character these students possess.**

# FUNDRAISING Events

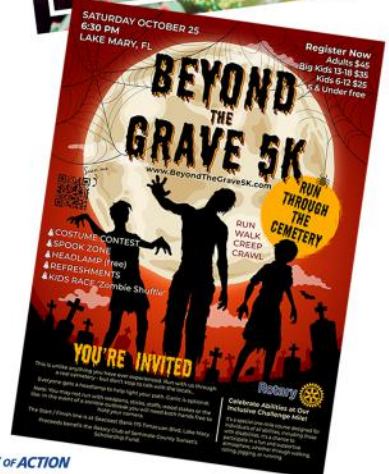

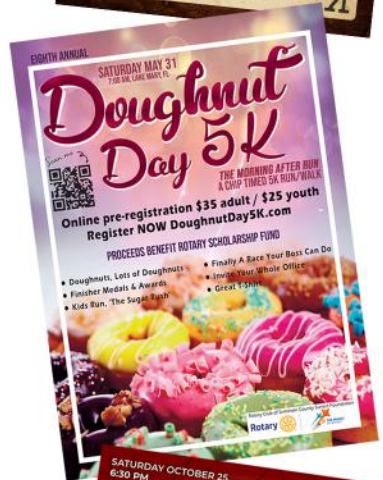

Through the dedicated efforts of our members and generous community support, we host three signature fundraising events throughout the year that transform community spirit into educational opportunities:

**Poker Chips for Scholarships**
