

## TELECOM LIFETYLE FASHION

Rooted in the Dutch 'leather triangle', TLF value true craftsmanship. Using the best custom materials, they never cut corners so that they can fulfill the end users' complex demands. Working with some of the most recognised brands in the fashion/street fashion space - TLF fuse the latest trends design and materials together with superior build quality to produce an assortment of cases and audio products that their brand partners are delighted to endorse and sell through their own retail estate. Adidas is one license partner.
