Inpatient visitor instructions

- All visitors must check-in at the Visitor Center first before entering a patient's room.
- Visitors will be required to provide the name of the patient and show their government-issued ID.
- A badge will be issued for each visitor to be used for the day's visit.
- The Visitor Center will also validate your parking ticket for the day.
- Visitors are asked to postpone their visit if they are not well.

- Emergency/Atrium, 1st floor
- Atrium, 3rd floor
- Floating Building, Plaza Level

Internet access/WiFi

Patients and visitors may use our internet service free of charge by connecting to the Guest Network "TuftsMedGuest." Here's how to connect:

1. Using your device, locate the network "TuftsMedGuest" and select it.
2. Wait for your browser to open and accept the terms and conditions.
3. Confirm you have a WiFi signal.

A peaceful and calm environment for our patients

At Tufts Medical Center, we want patients to enjoy quality health care in a comfortable, peaceful environment. By keeping conversations low, you can make a huge difference in another person's care experience.

Smoke-free environment

Smoking or tobacco use of any kind, including e-cigarettes, is banned inside or within 25 feet of any buildings owned, leased or occupied by Tufts Medical Center. Our smoke-free environment includes buildings and grounds and personal vehicles while on hospital property.

For more information:
tuftsmedicine.org

Patient Family Advisory Council (PFAC)

PFAC is a committee very important to Tufts Medical Center. It is comprised of patients, family members of patients and employees who are committed to enhancing the patient experience. PFAC members give advice on hospital policy and care practices. You do not need any special qualifications. To learn more about becoming a PFAC member, visit tuftsmedicine.org/PFAC or call 617.636.4533.
