Vault

In today's scan-and-pay culture, it is ever more important to keep your data secure. Thieves can easily scan your card and steal its data when in close proximity. That's where the Vault comes in. This rigid, high density aluminum case is made to block RFID scans and keep your information safe. The Vault fits up to 6 cards and featuring strong magnets that snap-on to the back of your Magsafe-enabled device or phone case. Elevate your phone-wallet game and showcase your brand w/ laser or full color digital print. Each individually packed in retail gift box.
